

# Manager Minute October 2025 Bucket Trees on our Beach

## ✂ A Friendly Reminder from Highland Beach ☐

If you've spent time on our beautiful beach, you may have noticed something special — many of our beach-goers take a moment to pick up trash as they stroll along the shore. It's a small gesture that makes a big difference, and it's all part of our community pride!

To help make this even easier, the **Highland Beach Town Commission** launched the **Bucket Tree Program** in 2021 — and we'd love for all condominiums and waterfront homes to join in.

Here's how it works:

- 1 Grab a bucket from your condominium Association's Bucket Trees along the beach  
(If your condo doesn't have a bucket tree talk to your Board to call Highland Beach to get one!)
- 2 Pick up any trash you see as you enjoy your walk
- 3 Drop the trash in a Town (look for Town decals) or your condominium trash bin
- 4 Return the bucket for the next helpful neighbor

🌀 That's it — easy, beach-cleaning fun!

Most residents pick up items like plastic or cigarette butts, which can be mistaken for food by sea turtles, birds, and fish. By lending a hand and removing the trash you're helping protect our treasured sea animals, too.

So next time you're heading out for some sunshine and salt air, **grab a bucket and join our effort to keep Highland Beach clean and beautiful** — one beach walk at a time!

💖 ✂ Let's keep Highland Beach pristine for everyone to enjoy!
