AGENDA MEMORANDUM

MEETING TYPE: Town Commission Meeting

MEETING DATE December 19, 2023

SUBMITTED BY: Ingrid Allen, Town Planner, Building Department

SUBJECT: Request for a Town of Highland Beach Right-of-Way (ROW) permit for the property located at 2362 South Ocean Boulevard

SUMMARY:

On December 7, 2021, the Town Commission adopted Ordinance No. 2021-018 which provides for the protection of the public ROW while also allowing certain improvements. Pursuant to Section 25-1 of the Town Code, it shall be unlawful to construct improvements or install new trees in new locations within the public ROW including swales without first obtaining a Town ROW permit from the Building Department unless waived or otherwise determined as not required by the Town's Public Works Director. At the same Town Commission meeting, Resolution No. 2021-041 was adopted which requires Town Commission approval of ROW permits for construction of improvements or placement of trees in new locations within State Road A1A ROW. The latter approval is applicable until the Florida Department of Transportation's (FDOT) Resurfacing, Restoration and Rehabilitation Project ("RRR Project") is completed.

The Applicant is proposing a new single driveway and has received a driveway connection permit (Permit No. 2023-A-496-00009) from FDOT (Attachment No. 1). Concurrent with this request for a Town ROW permit, is an amendment to FDOT's Landscape Inclusive Memorandum of Agreement ("Agreement") for the same property.

On June 8, 2023, the Planning Board granted a major modification approval (Development Order No. 22-0002) for the property which included the addition of two garages, a covered entertainment area, and changes to the exterior façade and roof line (motion carried 7-0).
