Subject: City Treasurer compensation adjustment

On April 6, 2022, Council approved the appointment of Mariah LaCorti to the position of City Treasurer, at her current compensation level.

However, as I learned later, a previous administration had promised that upon her completion of an Associates Degree, she would be awarded an additional five percent (5%) increase in her compensation.

City Treasurer LaCorti is currently compensated at \$48,925 annually. The 5% increase equals \$2,446.25. Therefore, upon adjustment, the compensation will increase to \$51,371.

I agree with rewarding professional development and recommend the increase.
