We would like to welcome Officer Winkler to the force. He comes to us with a distinguished military record and he just graduated from the police academy a couple of weeks ago.

Officers assisted the FBI in taking a child sex offender into custody who had online activity that led the federal investigation to our community.

Administration:

I attended the beginning of the training meetings for the Arizona League of Towns and Cities.

Part of the month was focused on preparation for an up and coming federal trial in Phoenix from a case investigation that began in our community approximately 2 ½ years ago.
