

## **CHAPTER 22 HISTORIC AREA MIXED-USE OVERLAY ZONE**

### **152-22-1 Purpose And Intent**

The purpose of the Historic Area Mixed-Use (HA-MU) overlay zoning district is to maintain and preserve the special character of pioneer homes located within the City while encouraging the continued use, maintenance, and special character of these homes.

This chapter contains provisions allowing for the mixed use of land for residential and limited commercial, and other identified uses to encourage flexibility and creativity in the design, development, or redevelopment of these properties that would not be possible under the conventional zoning districts previously outlined in this code.

The specific purposes of this zone are to:

- A. Promote the reuse of existing historic structures for the purpose of stabilizing and improving property values;
- B. Protect and enhance the City's attractions for tourists and visitors; and
- C. Encourage residential uses in conjunction with limited commercial and other compatible activities in order to enhance the vitality of businesses and maintain the special character of specific areas within the City.

### **152-22-2 Applicability**

The provisions of this chapter shall apply to all lands, buildings, structures, natural features, or uses located within those areas that are defined by the HA-MU overlay zoning district and designated on the official zoning map for the City.

If there is a conflict between the provisions of this chapter and any other provisions of this title, the specific provisions of this chapter shall take precedence and control.

- A. Mapping of the HA-MU overlay zoning district. The applicability of the HA-MU overlay zoning district to a specific area shall be shown on the City's official zoning map.
