

# Utility Director's Report

## May 2023

### Mayor and Council:

### Utility Operations Summary:

#### Grants and Funding summary:

RCAC – Water Rate Study – drafting proposed rates  
The Mohave County ARPA project. Finalizing proposal.

### Water Department:

There was an error at the water plant where we wasn't getting enough oxidation of the iron and manganese consequently there was some that escaped being filtered out. We sent a public notice of the same. Crews responded and corrected the situation, and after lab tests verified that we are removing the iron and manganese, the Division of Drinking Water lifted the health advisory.

We are working on the engineering and design for the upper pressure zone in Hildale.

We are seeing the water demand increasing with the season, spent time getting wells ready. (Picture is contractors repairing a broken water main)

A washout on the spring line was repaired.

### Wastewater Department:

We received the construction permit from the Division of Water Quality, for the headworks project, this will be advertised for bid Monday May 15<sup>th</sup>.

The Centennial Park Lift station upgrade, is in the discussion phase.

The lease for the sewer disposal field has been signed, the Department of Water Quality has authorized an emergency discharge to get the pivot going.

We have been running the pivot, which has taken the pressure off the ponds that were overloaded. The ponds are turning over, a natural phenomenon where the anaerobic layer rises as the temperature increased in the spring, this can cause malodorous conditions. The aerators

have been turned on to try to alleviate some of the odor, and add oxygen to the pond.

**Gas Department:**

We have several customers moved on to Natural Gas in Colorado City now. The next batch is along oak street in the Indian Hills area, then down to Mohave Ave on the west side of the highway. For this section we have sent notices that we will change the pipe to Natural on May 22<sup>nd</sup>. In June we expect to be doing the area south of Mohave Ave.

Our order of 2" gas pipe was delivered. We have started on the gas line installation along Hildale Street. This is expected to be completed in about a week.

I have locked in a contract for 100,000 gallons of propane for this coming winter's usage. This will give us delivered prices under \$2 a delivered gallon for this winter, until it is used up.

As Always, Yours to Serve,

Weston Barlow

Utility Director
