Patrol:

In Colorado City officers took 233 cases and in Hildale City 142 cases. Total number of traffic stops in Colorado City was 42 and in Hildale City 43. An additional 6 DUI arrests have been made this last month.

Sgt. Erb and his K9 Becca conducted a free air sniff on a vehicle while assisting Arizona DPS on a traffic stop. Among other issues approximately 220 pounds of THC cartridges were recovered. The police department is grateful to have a certified K9 available to work for us and assist other agencies to address the illegal transportation and sales of illicit drugs.

Administration:

The police department is continuing to complete steps towards accreditation with some larger issues being completed. This includes a recovery room, updates in the intake area, additional cameras that are monitored 24/7 by dispatch, and security door locks.
