Patrol:

In Colorado City officers took 250 cases and in Hildale City 206 cases. Total number of traffic stops in Colorado City was 54 and in Hildale City 113. The total number of traffic citations in Colorado City were 9 and 46 warnings. In Hildale the total number of traffic citations were 40 and 73 warnings. DUIs

The disparity of traffic citations between the two cities is due to us integrating a new digital citation system in Arizona and the officers making the transition to the new software.

We did have a few speeders that were over traveling over 100 mph on the highway. We had a few over 80 mph within the cities. It is important to note in the State of Utah speeds over 100 mph on a highway may result in the driver being taken to jail and the vehicle being impounded. In the State of Arizona any speed that is 20 mph over the posted speed limit can be issued as a criminal speed citation and or with similar results as in the State of Utah.

There have been several felony arrests made on cases ranging from domestic violence issues to theft.

Dispatch:

We want to congratulate Jetta Johnson and Cedric Meldrum for completing their dispatch training, we appreciate their dedication.

Administration:

Updates at the police department are nearing an end as we finish steps towards accreditation.
