Police Department Report

April 2025

Patrol: In Colorado City officers took 268 cases and in Hildale City 191 cases. Traffic violations in Colorado City 82 with 52 warnings, and Hildale City had 95 and 59 warnings. One DUI driver was taken into custody during the month.

During the month a homicide occurred in Colorado City. The suspect was taken into custody in Hildale City shortly afterward. Detectives are continuing work on follow-up interviews to prepare the homicide case for trial.

Two officers were sent to SWAT school for training. This will be an ongoing training class that we will send officers to in an effort for patrol to have officers with tactical training available without an hour or more wait for the Metro SWAT team to arrive to assist.

Administration:

Our condolences go out to the family and relatives of our homicide victim. Administratively the last two weeks of the month have been focused on the homicide investigation with the detectives. These types of cases often take hundreds of hours to investigate and prepare for trial. Our officers have handled the case very well and I thank them for their service through these difficult cases. It will still take a couple more weeks to complete the case's preparation for trial and complete the follow-up investigation of those involved.

Thank you, *Robbins A. Radley*
