Police Department Report

October 2023

Patrol: In Colorado City officers took 263 cases and in Hildale City 213 cases. Traffic citations in Colorado City 25 with 80 warnings, and Hildale City had 40 citations and 148 warnings.

Dispatch:

The dispatch center has continued to increase its cyber security defenses, reducing the vulnerability to cyber threats that continue to increase.

A formal intergovernmental agreement will be coming between the Town of Apple Valley and the dispatch center. The agreement is a requirement and will be similar in nature as our IGA with Hildale City for dispatch services.

Administration:

The police department has been certified as a physical fitness testing center for Arizona POST. POST came and did a physical review of the testing area prior to certifying the agency. At this time this allows for all of the police agencies above the Grand Canyon to come here to perform their Peace Officer's Physical Aptitude Test (POPAT) for their officers.

In addition to receiving this designation the police department's officers are all dual certified and we have met all of our training requirements for Arizona POST for the year.

At this time the newest officers have completed their field training and are dual POST certified.
