Dwelling, multi-family  
Dwelling, single-family  
Dwelling, temporary  
Dwelling, two-family

(c) Initiation:

A property owner, or the owner's agent, may request a conditional use permit as provided in subsection D1 of this section.

(d) Procedure:

An application for a conditional use permit shall be considered and processed as provided in this subsection.

- (1) A complete application shall be submitted to the Office of the Zoning Administrator in a form established by the Administrator along with any fee established by the City's schedule of fees. The application shall include at least the following information:
  - a. The name, address and telephone number of the applicant and the applicant's agent, if any;
  - b. The address and parcel identification of the subject property;
  - c. The zone, zone boundaries and present use of the subject property;
  - d. A description of the proposed conditional use;
  - e. A plot plan showing the following:
    1. Applicant's name;
    2. Site address;
    3. Property boundaries and dimensions;
    4. Layout of existing and proposed buildings, parking, landscaping, and utilities; and
    5. Adjoining property lines and uses within one hundred feet (100') of the subject property;
  - f. Traffic impact analysis, if required by the City Engineer or the Planning Commission;
  - g. A statement by the applicant demonstrating how the conditional use permit request meets the approval standards for the conditional use desired; and
  - h. Such other and further information or documentation as the Zoning Administrator may deem necessary for proper consideration and disposition of a particular application.
- (2) After the application is determined to be complete, the Zoning Administrator shall schedule a public meeting before the Planning Commission as provided in section 152-7-4 of this chapter or shall review the application to determine if it meets the standards for an administrative conditional use permit.
- (3) A staff report evaluating the application shall be prepared by the Zoning Administrator for a conditional use permit that will be reviewed by the Planning Commission.
- (4) The Planning Commission shall hold a public meeting and shall thereafter approve, approve with conditions, or deny the application pursuant to the standards set forth in subsection E of this section. A conditional use shall be approved if reasonable conditions are proposed or can be imposed to mitigate the reasonably anticipated detrimental effects of the proposed use in

accordance with applicable standards. If the reasonably anticipated detrimental effects of a proposed conditional use cannot be substantially mitigated by the proposal or the imposition of reasonable conditions to achieve compliance with the applicable standards, the conditional use may be denied.

- (5) After the Planning Commission or Zoning Administrator makes a decision, the Zoning Administrator shall give the applicant written notice of the decision.
- (6) A record of all conditional use permits shall be maintained in the Office of the Zoning Administrator.

(e) Approval Standards:

The following standards shall apply to the issuance of a conditional use permit:

- (1) A conditional use permit may be issued only when the proposed use is shown as conditional in the zone where the conditional use will be located, or by another provision of this chapter.
- (2) Standards for each use must be reviewed. Specific standards are set forth for each use in subsections E2a through E2o of this section:
  - a. Standards for agricultural industry:
    1. Adequate fencing and/or enclosures must be provided to ensure animals and fowl are confined safely and in conformance with acceptable animal husbandry standards.
    2. Applicant must provide a plan for how manure will be handled to prevent it becoming a nuisance and must follow the plan.
    3. Evidence must be provided on how the applicant will maintain control of flies and vermin.
  - b. Standards for agricultural sales and service:
    1. Adequate safeguards must be provided to ensure safe storage and handling of agricultural chemicals.
    2. Evidence must be provided on how the applicant will maintain control of vermin.
    3. All outdoor storage areas for agricultural sales and service uses, and all areas to be used for servicing implements shall be enclosed by a sight-obscuring fence. Aesthetically pleasing landscaping shall be provided around the perimeter of the fence.
    4. No more than five percent of retail shelf, floor, counter and overhead display space may be devoted to the sale of grocery or other non-agricultural products, and there shall be no exterior advertisement of the availability of such products.
  - c. Standards for assisted living facility:
    1. The facility shall comply with building, safety, and health regulations applicable to similar structures.
    2. The facility shall be licensed by the State of Utah.
    3. A site plan shall be approved for the facility to ensure adequate parking and landscaping are installed.
  - d. Standards for automobile wrecking yard:
    1. All storage areas for vehicles, parts, materials or junk shall be enclosed by a sight-obscuring fence not less than six feet

high, and in any event of sufficient height that all such stored items will be obscured from view. Aesthetically pleasing landscaping shall be provided around the perimeter of the fence.

2. A concrete slab, equipped with appropriate equipment to collect and contain hazardous materials, shall be provided for all dismantling operations.
  3. Any "crusher" operation must be during the hours of 8 a.m. to 5 p.m. Monday through Friday with no holiday operations.
  4. There shall be multiple entrances with aisles wide enough to accommodate access by the appropriate emergency vehicles. No aisles shall dead end into another aisle, fence or building.
- e. Standards for dwelling, multi-family; dwelling, single-family; dwelling, temporary; dwelling, two-family:
1. A two-family dwelling, or a multi-family dwelling contained within a standalone structure shall be governed by the development standards of the RM-2 zone, to the extent that such standards are inconsistent with the development standards of the applicable zone.
  2. A single-family dwelling shall be governed by the development standards of the R-1-8 zone, to the extent that such standards are inconsistent with the development standards of the applicable zone.
  3. A conditional use permit shall be valid for a period not to exceed thirty years.
- f. Standards for kennel, commercial;
1. Adequate fencing and/or enclosures must be provided to ensure dogs are confined safely and in conformance with acceptable animal husbandry standards.
  2. Applicant must provide a plan for how excrement will be handled to prevent it becoming a nuisance and must follow the plan.
  3. Evidence must be provided on how the applicant will maintain control of flies and vermin.
  4. A minimum parcel size of 1 acre will be required.
  5. Kennels shall not be constructed closer than 100 feet from any dwelling on adjacent parcels.
  6. A sign shall be provided identifying the operator of the kennel and a 24-hour emergency phone number.
  7. If breeding or whelping operations will be conducted on the property, the applicant must provide a plan to staff the kennel a minimum of eighteen hours per day.
  8. No more than six dogs over the age of four months shall be allowed per acre of lot area.
- g. Standards for greater heights and size than permitted by the Code:
1. The height may not be greater than two (2) stories or 1.5 times the average height of the immediately adjacent

- buildings, whichever is greater.
2. The greater size building desired must be of compatible architecture with immediately adjacent buildings, must leave at least thirty five percent (35%) of the lot on which it is located as a pervious surface, and must be for a use permitted in the zone in which it is located.
- h. Standards for guesthouse or casita without direct access to main dwelling unit:
1. Applicant must be willing to sign a restrictive notice that will be recorded in the Office of the Washington County Recorder limiting the use of the guesthouse or casita to family members or nonpaying guests unless the casita meets the development standards for a rental unit.
  2. Guesthouse or casita must meet size, setback, and height restrictions for the zone in which it is located.
  3. Guesthouse or casita must be served by the same utility connections as the main structure on the site.
- i. Standards for metal buildings in commercial and residential zones:
1. In Residential (R-1) Zones the height and size may not be greater than permitted in the zone.
  2. The building must meet the following design standards:
    - i. Exterior building materials shall be durable, require low maintenance, and be of the same or higher quality as surrounding developments.
    - ii. Details of proposed colors and materials, including color chips, samples, and colored building elevations, shall be shown on building plans when a development project application is submitted. Colors shall be compatible with surrounding structures.
    - iii. Reflective surfaces or colors which may produce excessive reflections or glare that may create a potential safety problem are prohibited.
    - iv. In a commercial zone the faces of the building visible from nearby streets must include architectural relief items of non-metal materials including wood, stone, or stucco.
- j. Standards for public stable:
1. Adequate fencing and/or enclosures must be provided to ensure horses are confined safely and in conformance with acceptable animal husbandry standards.
  2. Applicant must provide a plan for how manure will be handled to prevent it becoming a nuisance and must follow the plan.
  3. Evidence must be provided on how the applicant will maintain control of flies and vermin.
  4. Site must contain adequate off street parking for customers. All trailers must be contained on site.

- k. Standards for licensed family child care:
  - 1. Applicant must obtain and maintain compliance with all required licenses/approvals from applicable agencies and all regulations applicable to licensed family child care.
  - 2. Child care activities shall be clearly incidental to the dwelling or residential use.
  - 3. Signage shall be limited to one nonilluminated nameplate sign that does not exceed twelve square feet in area.
  - 4. Alterations shall not be made to the dwelling or the yard area that change the residential character.
  - 5. There must be no more than one employee that does not reside on the premises.
  - 6. Any vehicles associated with the child care use that are regularly parked on-site must have a gross vehicle weight rating of ten thousand pounds or less, and have no more than two axles.
- l. Standards for a reception center:
  - 1. Hours of operation must be compatible with adjoining uses and comply with Hildale City noise regulations.
  - 2. Parking must be provided.
  - 3. The use of on street parking to provide up to forty percent (40%) of the required parking may be permitted if adjoining uses are not residential uses and the street is fully Improved.
  - 4. The center must have an approved site plan.
  - 5. If beer, wine, or other alcoholic beverages are served, the center must be licensed by the State Alcohol Control Board
- m. Standards for recreation and entertainment, outdoor:
  - 1. Any structure established in connection with the use shall have a setback of not less than 100 feet from any lot line, except that where such lot line abuts a street, the front setback from the development standards for the applicable zone shall apply.
- n. Standards for residential facility troubled youth:
  - 1. The operator must be willing to enter into a non-disclosure agreement with the City and confidentially share information about occupants as necessary to make a decision regarding or to enforce a conditional use permit.
  - 2. The operator must adopt and enforce a policy that the facility may not be occupied by any youth who has previously been found guilty of a crime of moral turpitude or a sex-related offense.
  - 3. The facility must be supervised 24 hours a day by a qualified adult at least ten years older than the oldest youth resident.
  - 4. The facility must not be located within one-half mile of another existing residential facility for troubled youth, a public or private school, a public library, a public park or playground, measured in a straight line between the nearest property boundaries.

5. Alterations shall not be made to the dwelling or the yard area that change the residential character.
6. There must be no more than one employee that does not reside on the premises.
7. Any vehicles associated with the residential facility use that are regularly parked on-site must have a gross vehicle weight rating of ten thousand pounds or less, and have no more than two axles.

o. Standards for animals and fowl for recreation and family food production:

1. Adequate fencing must be provided to ensure animals and fowl are confined safely.
2. Applicant must provide a plan for how manure will be handled to prevent it becoming a nuisance and must follow the plan.
3. Evidence must be provided on how the applicant will maintain control of flies and vermin.
4. The number of fowl will be limited by the point system used in section 152-37-15 of this chapter.
5. Livestock numbers may be limited at the Administrator's discretion based on the size of the lot and the facilities available to contain and protect the animals.

p. Standards for off-highway vehicle rentals:

1. Applicant must be operating a bed and breakfast or residential hosting facility on the same property in conformity with this chapter.
2. Applicant must have a valid Hildale City business license for off-highway vehicle rentals.
3. Off-highway vehicles may only be rented to guests of the bed and breakfast or residential hosting facility.
4. Only one off-highway vehicle may be rented per guest room.

(f) Appeal Of Decision:

Any person adversely affected by a decision of the Planning Commission regarding the transfer, issuance, or denial of a conditional use permit may appeal the decision in accordance with the provisions of section 152-7-19 of this chapter.

(g) Effect Of Approval:

A conditional use permit shall not relieve an applicant from obtaining any other authorization or permit required under this chapter or any other title of this Code.

- (1) A conditional use permit may be transferred so long as the use conducted thereunder conforms to the terms of the permit.
- (2) Unless otherwise specified by the Planning Commission and subject to the provisions relating to amendment, revocation or expiration of a conditional use permit, a conditional use permit shall be of indefinite duration and shall run with the land.

(h) Amendment:

The procedure for amending any conditional use permit shall be the same as the original procedure set forth in this section.

(i) Revocation:

A conditional use permit may be revoked as provided in section 152-9-6 of this chapter.

- (1) In addition to the grounds set forth in section 152-9-6 of this chapter, any of the following shall be grounds for revocation:
  - a. The use for which a permit was granted has ceased for one year or more;
  - b. The holder or user of a permit has failed to comply with the conditions of approval or any City, State, or Federal law governing the conduct of the use;
  - c. The holder or user of the permit has failed to construct or maintain the site as shown on the approved site plan, map, or other approval materials; or
  - d. The operation of the use or the character of the site has been found to be a nuisance or a public nuisance by a court of competent jurisdiction in any civil or criminal proceeding.
- (2) No conditional use permit shall be revoked against the wishes of the holder or user of the permit without first giving such person an opportunity to appear before the Planning Commission and show cause as to why the permit should not be revoked or the conditions amended. Revocation of a permit shall not limit the City's ability to initiate or complete other legal proceedings against the holder or user of the permit.

(j) Expiration:

A conditional use permit shall expire and have no further force or effect if the building, activity, construction, or occupancy authorized by the permit is not commenced within one year after approval.

**SECTION 2:**        **AMENDMENT** “Sec 152-12-2 Scope” of the Hildale Municipal Code is hereby *amended* as follows:

A M E N D M E N T

Sec 152-12-2 Scope

The provisions of this chapter shall apply to any real property located in an agricultural zone as shown on the official zoning map. No building, structure or real property shall be used and no building or structure shall be hereafter erected, structurally or substantially altered, or enlarged except as set forth in this chapter. Such requirements shall not be construed to prohibit or limit other applicable provisions of this chapter, this code, or other laws.

**SECTION 6:****AMENDMENT** “Sec 152-43-6 Development Standards” of the Hildale Municipal Code is hereby *amended* as follows:

A M E N D M E N T

Sec 152-43-6 Development Standards

The development of a manufactured home park or subdivision, or recreational vehicle park or park model development shall conform to applicable standards and requirements of this section and as set forth in table 152-43-1 of this section unless modified by a planned development approved pursuant to chapter 23 of this chapter.

(a) General Requirements:

(1) Layout: Land not contained within individual lots or spaces, roads or parking shall be set aside and developed as parks, playgrounds, trails, and service areas for the common use and enjoyment of occupants of the development, and the visitors thereto.

(2) Location:

- a. A manufactured home subdivision may be located on any lot as allowed by the zone where the lot is located;
- b. A recreational vehicle park should generally be located:
  1. Adjacent to or in close proximity to a major collector or arterial road as shown in the city's transportation master plan;
  2. Near adequate shopping facilities; and
- c. A park model development shall be located on property zoned MH/RV.

(3) Plan Preparation:

Plans for a manufactured home park or subdivision, or recreational vehicle park or park model development shall be prepared by a licensed architect, licensed engineer and/or licensed land surveyor.

(b) Building Standards:

All standards shown in table 152-43-1 of this section must be met.

(c) Site Improvements:

(2) Common Area:

Except for a manufactured home subdivision, one or more common areas equal to at least ten percent (10%) of the land area of the development shall be set aside for the joint use and enjoyment of occupants. Land covered by vehicular roadways, sidewalks and off street parking shall not be included in calculating this ten percent (10%) common area requirement; provided, however, that in initial phases of development, the minimum area shall be not less than one-half (1/2) acre or ten percent (10%) of the land area under development, whichever is greater.

(3) Connection To City Services:

Each manufactured home, recreational vehicle, or park model shall be connected to the city water system and wastewater disposal system, except as otherwise allowed by the regulations for such systems.

(4) Landscaping:

Any area not covered by a manufactured home or recreational vehicle or park model, hard surfacing, or a building shall be landscaped per an approved site plan.

- (5) Laundry:  
A laundry may be provided for the convenience of residents within a manufactured home park or subdivision, or recreational vehicle park or park model development, but not for the general public.
  - (6) Lighting:  
Shall be provided to meet safety standards and shall be shown on the site plan.
  - (7) Parking:  
Off street parking requirements for a manufactured home park or subdivision, or recreational vehicle park or park model development shall be provided on each lot or space as follows:
    - a. Manufactured home park or subdivision: Two (2) parking spaces per lot or space.
    - b. Recreational vehicle park: One parking space per RV space.
    - c. Park model development: One parking space per park model space.
    - d. Each parking space shall have a minimum width of nine feet (9') and minimum depth of eighteen feet (18').
    - e. Before a lot or space may be occupied, all off street parking areas and driveways shall be surfaced with a material acceptable to the city.
  - (8) Roadway Design:  
Accessways within a manufactured home park or recreational vehicle park or park model park shall conform to construction design standards and specifications adopted by the city, with a minimum width of thirty feet (30'), unless modified by a planned development approved pursuant to chapter 23 of this chapter.
  - (9) Roads Within A Manufactured Home Subdivision:  
Roads within a manufactured home subdivision shall conform to construction design standards and specifications adopted by the city unless modified by a planned development approved pursuant to chapter 23 of this chapter.
  - (10) Skirting:  
Each manufactured home shall be skirted.
  - (11) Storage,  
Waste Receptacles, And Additions:
    - a. All storage and solid waste receptacles other than individual homeowner trash receptacles shall be contained within an enclosure at least six feet (6') high.
    - b. All patios, carports, garages and other additions to a manufactured home shall be compatible in design and construction with the associated home. Such facilities shall be constructed in accordance with applicable building codes and kept in good repair.
  - (12) Storm Drainage Facilities:  
Storm drainage facilities shall be constructed to protect residents of the development as well as adjacent property owners in accordance with applicable provisions of this code and the adopted storm drainage plan as reasonably determined by the city engineer.
- (d) Standards Specific To Recreational Vehicle Parks And Park Model Parks:
- (1) No manufactured homes or site built dwelling units shall be permitted, except for that of the owner/manager and permanent maintenance personnel.
  - (2) Recreational vehicle parks shall not be used as permanent residences, except

for that of the owner/manager and permanent maintenance personnel. All recreational vehicles within a recreational vehicle park shall display current license plates/tags.

- (3) No "park model" units shall be permitted within a recreational vehicle park except a number of park models may be approved in the park to be used as short term vacation rentals. However, a park model development may be approved to allow recreational vehicles but not campers or tents in the development.
- (4) Each park must provide an adequate and easily identifiable office or registration area. The location of the office shall not interfere with the normal flow of traffic into and out of the recreational vehicle park.
- (5) Each self-propelled recreational vehicle unit shall be equipped with wheels, which remain on the unit; however, the wheels may be blocked for stability.
- (6) No permanent room addition shall be attached to recreational vehicle nor shall any permanent structure be constructed on a recreational vehicle lot.
- (7) Room additions may be permitted on park models if all setbacks are met and pursuant to the issuance of a building permit before construction.
- (8) A minimum of one toilet, one sink, and one hot shower, each designed for complete privacy, for each forty (40) spaces, or fraction thereof.
- (9) Conversion of an established residential park or park model development to another residential use, shall be subject to review and approval based on codes and zones in place at the time of conversion. A zone change will be required.
