**Sec 152-13-6 Regulations For Specific Uses**

To the extent that use and development of real property includes any matter encompassed by a regulation for a specific use as set forth in Article VI of this chapter, such regulation shall apply in addition to the requirements of this chapter and shall prevail over any conflicting provision of this chapter.

**Sec 152-13-7 Special Regulations**

1. Animals:  
Within R1, RM, and MH/RV zones, where permitted by the zone, the keeping of animals shall normally be simultaneous with occupied residential use.
2. Larger Accessory Buildings:  
Notwithstanding the maximum building size limitation shown on table 152-13-2 in section 152-13-4 of this chapter, the maximum size of an accessory building may be increased pursuant to a conditional use permit.
3. Increased Height:  
Notwithstanding the height limitations shown on table 152-13-2 in section 152-13-4 of this chapter a greater building height may be allowed in residential zones pursuant to a conditional use permit.
4. Visual Barriers:

  1. The height of such barrier shall be at least six feet (6').

2. The barrier material and location shall be identified on an approved site plan.

5. Open Space:

In multiple-family residential zones, common open space should equal or exceed the ground floor area of all buildings on site. Projects greater than one story should provide common open space equivalent to the ground floor area plus fifty percent (50%) of all additional floor area.

**Recommendation**

Hildale City Staff has some concerns with this level of multi-family housing being located just next to another higher density housing subdivision just to the East as there may be issues with higher traffic that are not accounted for. Street conditions and traffic control should seriously be considered when deliberating on this application. However, Hildale is in need of affordable housing and where the applicant is willing to provide it, Hildale staff sees the need to balance the aforementioned factors with this most prevailing need. Page | 7

Hildale City Staff recommends approval with a caveat that the applicant will work with Staff and Council to mitigate the issues mentioned and to realize the benefits this development may bring.

**Sample Motions – ZONING CHANGE**

1. I move to recommend approval of the zoning map amendment requested HD-SHCR-1-24, HD-SHCR-1-25 HD-SHCR-1-26, and HD-SHCR-1-31 from the current Residential Agriculture Zone (RA-1) to Residential Mulitfamily-3 contingent on applicant satisfying Hildale City's density concerns.
