

Article 46 Collaborative Outreach Request Form

Town of Hillsborough

FY 2021 – 22 Allocation: \$5,400.00

FY 2022 – 23 Allocation: \$6,222.00

Total Allocation Available: \$11,622.00

To request funds from Orange County's Collaborative Outreach program, please complete the following information and submit to Orange County's Economic Development office. The services or activities that qualify under this funding category shall consist of and be limited to economic development programs that aid in job creation, drive economic growth, support existing businesses, recruit new businesses, and in the promotion of other activities such as innovation and entrepreneurial growth, agri-tourism and agriculture in Orange County. The local government should also express any additional role Orange County may be expected to contribute as it relates to the identified services or activities, and acknowledge use of the Collaborative Outreach funding as a joint economic development partnership between the local government and Orange County.
