Stormwater

Description	Rate	Basis
Plan Review		
Single Lot Residential ¹	\$ 100.00	per plan
LID Project ²	\$ 250.00	per plan
Standard Project (less than 1-acre of new impervious)	\$ 500.00	per plan
Standard Project (greater than 1-acre of new impervious) ³	\$ 500.00	per plan plus \$50/acre of new impervious
Standard Phased Projects ⁴	\$ 250.00	per each subsequent phase submittal

¹ Not part of a larger common plan for development or sale.

² Projects that meet the State of North Carolina's Low Impact Development requirements and calculations.

³ For standard projects (non-LID projects) requiring stormwater management approval, the fee includes one project review meeting with staff and no more than three rounds of staff comments. If stormwater plans are still incomplete after the third review or if additional meetings with staff are required, the applicant will be required to pay an additional \$500 review fee to cover the significant staff time spent reviewing incomplete or non-compliant stormwater management plans.

⁴ Phased development projects are required to obtain a stormwater management plan approval for the entire project; as each subsequent phase is submitted, an additional fee will be required to ensure the phase plans comply with the overall stormwater management plan approval.

Stormwater Fee		
Residential Property	\$ 105.00	per year
Tier 1, Non-residential Property (0 to 10,000 sq. ft.)	\$ 210.00	per year

Irrigation	Average Monthly Use x Unit Cost of Capacity	Average usage of current irrigation accounts based on facility type (residential or non-residential) over the past five years

¹ The System Development Fee shall be applied to new development that connects to the utility system. New development shall be defined as any of the following: 1) the subdivision of land, 2) the construction, reconstruction, redevelopment, conversion, structural alteration, relocation, or enlargement of any structure which will or potentially result in additional water and sewer use after July 1, 2017. The Capital Facility Fee shall apply to existing development that connects to the system, or redevelopment of a parcel, vacant or otherwise, with a prior water or sewer connection that was in existence before January 1, 1990. Code 14-71

² For non-residential customers, system development fees are scaled³ for various categories of demand as specified by the North Carolina Administrative Code 15A NCAC 02T.0114 Wastewater Design Flow Rates.

³ The maximum cost justified system development fees for non-residential customers may also be calculated by dividing

estimated flow from the Administrative Code by the one-bedroom gallons per day.

Water Connection Charge	-	-
Front Footage Fee ^{1,2} :		
0 - 50 Feet	\$	750.00 per connection
> 50 Feet	\$	15.00 per foot per connection

¹ For a lot abutting two or more water lines, the front footage fee will be calculated on the longest length of the side abutting the main.

² To recover a portion of the costs of town-installed water mains, hydrants, valves and appurtenances after 1987 which are necessary to provide water service to abutting properties.

Lateral Fee:

Licensed utility contractors shall make connections to the town's existing water system after an approved connection request and payment of an application fee of \$200, which includes a preconstruction meeting, town observation and technical assistance about the tapping work. Tapping shall be at the owner's / applicant's expense. Where a licensed contractor makes connections as part of an approved water extension project there shall be no separate connection application required. The town may make water connections under emergency circumstances related to environmental health whereby no other option is available. Such connections will be made by the town at actual cost including time, materials, equipment, and restoration. (Code 14-48)

¹ For a lot abutting two or more sewer lines, the front footage fee will be calculated on the longest side of the lot abutting the main.

² To recover a portion of the costs of town-installed public sewer mains and appurtenances after 1987 which are necessary to provide sewer service to abutting properties.

Lateral Fee:

Licensed utility contractors shall make connections to the town's existing sewer system after an approved connection request and payment of an application fee of \$200, which includes a preconstruction meeting, town observation and technical assistance about the tapping work. Tapping shall be at the owner's/applicant's expense. Where a licensed contractor makes connections as part of an approved sewer extension project there shall be no separate connection application required. The town may make connections under emergency circumstances related to environmental health whereby no other option is available. Such connections will be made by the town at actual cost including time, materials, equipment, and restoration. (Code 14-48)

Construction Observation / As Built Review

The town will observe all water and sewer meaningful work on projects not involving an extension of mains. On approved main extensions, inspectors will periodically stop by and confer with the 3rd party inspector on progress or when called by the contractor. The town inspector shall be present for all tapping of existing mains, acceptance testing and for planned shutdowns for all work unless delegated or waived. A penalty will be incurred for performing tapping work without authorization or coordination.
