Completion of 2022 Program

TOWN OF
HILLSBOROUGH

1

The 2022 edition was the first:

- Offered since the pandemic.
- Led by the Communications Division.

Of our 29 participants:

- 23 live in town.
- 20 attended at least 5 of the 6 sessions.

Changes

- Name change and new logo (*formerly Citizens Academy*).
- Fewer sessions (*from 8 to 6 with town operations removed; police and fire sessions combined*).
- Shorter evening sessions (*from 2¼ to 1½ hours*).
- Weekend tour focus on infrastructure (*adding stormwater, public works and a visit to Gold Park with an extra half hour*).

HILLSBOROUGH

3

Staff, elected leaders and volunteers fielded questions at each session.

4

Participants had a chance to check out police and fire equipment.

5

Group exercises were part of sessions on planning/public space and budget/financial services.

6

Infrastructure Tour

- Started at Gold Park with breakfast and stormwater talk
- Moved to Water/Sewer Facility and visit to Public Works yard
- Included visits to reservoir and plants

7

Future Changes

Feedback from participants has been overwhelmingly positive, but we are continuing to assess and make improvements.

- We welcome feedback from elected leaders, board volunteers and staff.
- Those who participated in the sessions will receive an evaluation form.

THANK
you

To all our participants, staff, elected leaders
and volunteers!
