ITEM TO BE CONSIDERED

Subject: Secondary Road Right of Way Approval to Transfer Drainage and Right of Way to NCDOT

Attachments:

Example Secondary Road Right of Way Approval Form

Summary:

The last item to complete on the West Fork Eno Reservoir expansion is to transfer the acquired right-of-way and drainage easements to NCDOT and includes some town-owned parcels.

Financial impacts:

None

Staff recommendation and comments:

NCDOT has specified this method of transfer after much discussion. The town attorney has been included on the conversations and concurs with the method.

Action requested:

Authorize the town manager to execute the form when completed by NCDOT to complete the transfer of associated right of way and permanent drainage easements from the town to NCDOT.
