5

Pathways into Housing

6

Everyone has a Role

• Street Outreach

- Served 124 people
- 64% male-identified; 34% female-identified
- 50% Black/AA; 35% white
- 48% living with MH; 36% Physical disability
- 31% earn \$1000+ monthly

7

Everyone has a Role

• Rapid Re-housing

- Served 45 Households
- 61% male-identified; 39% female-identified
- 59% Black/AA; 33% white
- 64% living with 1+ health conditions (MH, Physical, Chronic health)
- 50% have no income at entry

8

Everyone has a Role

- **Permanent Supportive Housing**

- Served 19 Households
- 50% male-identified; 50% female-identified
- 40% Black/AA; 40% white
- 70% living with 1+ health conditions (MH, Physical, Chronic health)
- 41% have no income at entry

9

Successes

10

Increasing Access

- Adding access sites
- Adding Street Outreach staff
- Coordinating across sectors

11

Increasing Collaboration

- Bringing more partners to the table
- Improved processes for feedback from People With Lived Experience
- Cross-CoC pilot to improve Housing First programs

12

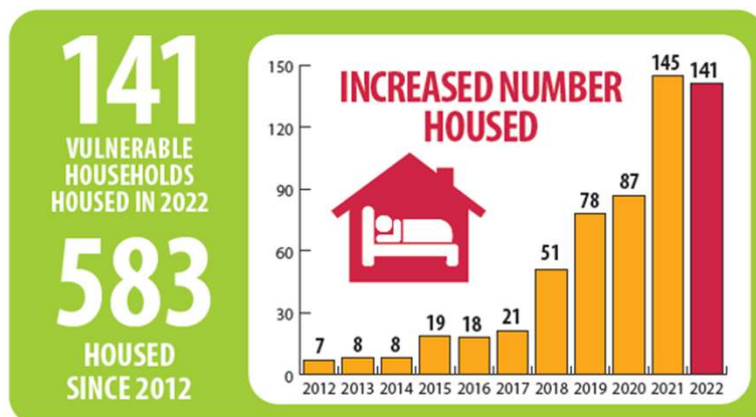

Increasing resources – Applied for over \$1 million in HUD homeless funds in 2022

14

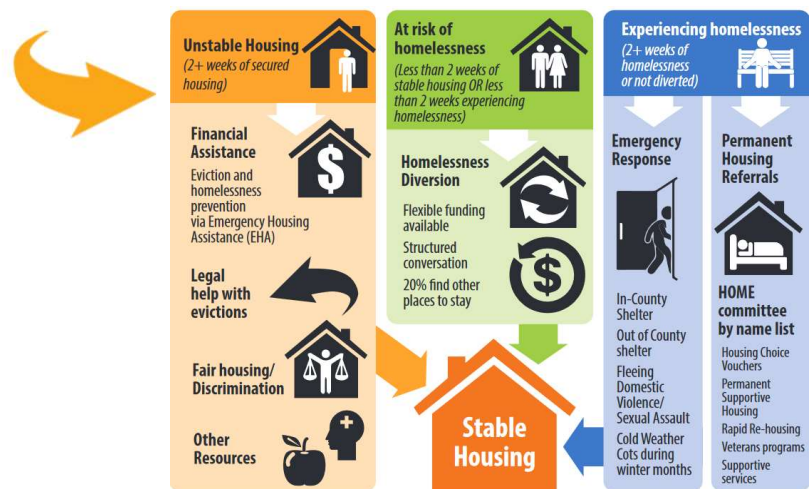

The Path Forward

15

We can end homelessness in Orange County

- Other communities are doing this/have done it
- What it would look like

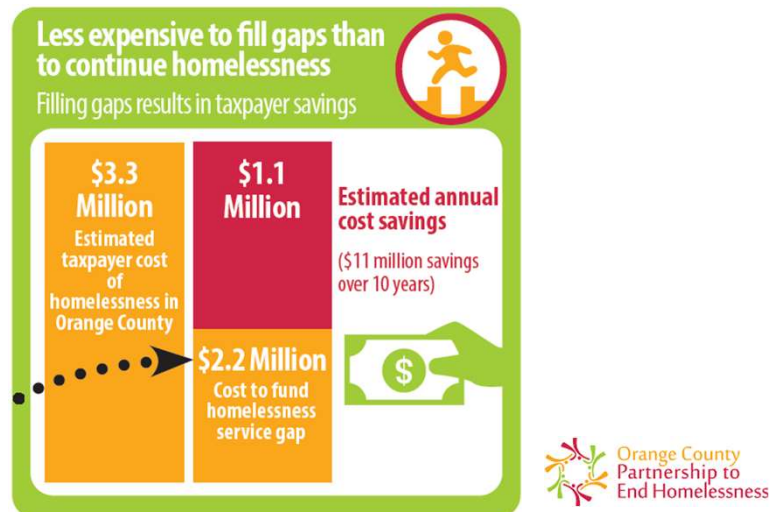

16

We can end homelessness by filling the homeless system gaps

17

It is less expensive to fill gaps than to continue homelessness
