

Minutes

Board of Commissioners Regular Meeting

7 p.m. Oct. 9, 2023

Board Meeting Room, Town Hall Annex, 105 E. Corbin St.

Present: Mayor Pro Tempore Matt Hughes and commissioners Mark Bell, Robb English, Kathleen Ferguson and Evelyn Lloyd

Absent: Mayor Jenn Weaver

Staff: Planning and Economic Development Manager Shannan Campbell, Assistant Town Manager and Community Services Director Matt Efird, Budget and Management Analyst Josh Fernandez, Environmental Engineering Supervisor Bryant Green, Stormwater and Environmental Services Manager Terry Hackett, Police Chief Duane Hampton, Town Attorney Bob Hornik, Communications Specialist JC Leser, Town Clerk and Human Resources Technician Sarah Kimrey, Town Manager Eric Peterson, Utilities Director Marie Strandwitz and Public Space and Sustainability Manager Stephanie Trueblood

Opening of the meeting

Mayor Pro Tempore Matt Hughes opened the meeting at 7 p.m. Hughes took a moment to recognize Oct. 9 as Indigenous Peoples Day and to acknowledge that Hillsborough sits on land that once belonged to the Occaneechi Band of the Saponi Nation.

1. Public charge

Hughes did not read the public charge.

2. Audience comments not related to the printed agenda

There were none.

3. Agenda changes and approval

There were none.

Motion: Commissioner Kathleen Ferguson moved to approve the agenda as presented. Commissioner Evelyn Lloyd seconded.

Vote: 5-0.

4. Appointments

A. Tree Board – Appointment of Thomas Darling to a term ending Oct. 30, 2026

B. Board of Adjustment – Resolution to Orange County requesting appointment of Carl Edward (Eddie) Sain to an extraterritorial jurisdiction alternate member seat for a three-year term

Motion: Ferguson moved to approve appointments as presented. Lloyd seconded.

Vote: 5-0.

5. Items for decision – consent agenda

- A. Minutes
 - Regular meeting Sept. 11, 2023
 - Work session Sept. 25, 2023
- B. Miscellaneous budget amendments and transfers
- C. Changes to Police Career Progression and Adjustment to Classification and Pay Plan
- D. American Rescue Plan Update and Proposed Transfer for Reimbursements
- E. 2024 Board of Commissioners Meeting Schedule
- F. Request from Corbinton Commons residents regarding extension of a hold harmless agreement to allow the town to provide services on private streets

Motion: Ferguson moved to approve all items on the consent agenda as amended with revised Sept. 11, 2023, meeting minutes. Commissioner Mark Bell seconded.

Vote: 5-0. Nays: None.

6. Items for decision – regular agenda

- A. Resolution approving the Falls Lake Consensus Principles II
Stormwater and Environmental Services Manager Terry Hackett provided a presentation to the board about the Falls Lake Consensus Principles II, an updated version of the original Falls Lake Consensus Principles. Hackett shared that Stage I of the state’s current Falls Lake rules are being met. He said current Stage II reductions are not feasible and would not significantly reduce nutrient loading to Falls Lake.

Hackett shared that Hillsborough did not sign on to the first Falls Lake Consensus Principles, but he supports the Falls Lake Consensus Principles II due to significant differences in the information that informs the principles, including a 10-year study conducted by the Upper Neuse River Basin Association. Hackett believes the Consensus Principles II are good for the town and Falls Lake.

Bell asked if the state needs to approve these principles as well. Hackett said the state will begin a formalized rule-making process next year, which could take up to three years.

Motion: Ferguson moved to adopt the resolution. Commissioner Robb English seconded.

Vote: 5-0.

- B. Unified Development Ordinance text amendment – Section 6.17, Sidewalks (staff initiated)
Planning and Economic Development Manager Shannan Campbell presented regarding an updated sidewalk section of the Unified Development Ordinance. The change gives guidance for when sidewalks need to be built by developers or when the town would accept a payment in lieu of a sidewalk.

Ferguson said accepting payment in lieu could negatively impact connectivity by limiting connection points. Campbell said that the town will accept payments in lieu and earmark those funds for future sidewalks.

Ferguson stated that 150% of the cost of a sidewalk for a payment in lieu would be unacceptable due to the rising cost of construction and general inflation. Town Attorney Bob Hornik said the town would not be taking a bond but accepting cash that it would earn interest on. He also shared that the town would not likely be able to require above 150% of the cost of a sidewalk, which is the higher end of current rates for payments in lieu.

Bell suggested setting a limit on the amount of time that the town can hold payments in lieu. Campbell said the town can set an internal policy, but that language would not be a part of the Unified Development Ordinance text amendment.

English asked how hard it is for developers to ask for payments in lieu instead of building. Campbell said developers tend to give up easily, but the Planning and Economic Development Division will require documentation from developers about the need for a payment in lieu.

When asked by English, Campbell said the farthest a sidewalk can be built from a development following a payment in lieu is half a mile. Ferguson said half a mile is not enough area for reasonable distance from a project. She said the town should recognize that development is occurring in the southern part of town but that the need for sidewalks may be spread across the town.

Bell said he does not like limiting sidewalk construction to a distance from the original project. He suggested priority zones for future improvements. Assistant Town Manager Matt Efirid shared that other towns do use the model Bell is suggesting and the town could investigate further after adoption of the proposed text amendment.

Motion: Ferguson moved to adopt the ordinance text amendment and consistency statement with the exception of the half-mile radius for a sidewalk payment in lieu and with direction for staff to research sidewalk construction distance further.

Public Space and Sustainability Manager Stephanie Trueblood said the board should adopt the amendment as presented so developers and the town have more flexibility in the near term. She said this is a significant need for current ongoing projects.

Motion: Ferguson rescinded the motion and moved to adopt the ordinance text amendment and consistency statement as presented with direction for staff to revisit the sidewalk radius during the Unified Development Ordinance rewrite. English seconded.

Vote: 5-0.

- C. Request from Forest Ridge residents regarding crosswalk safety improvements on U.S. 70A
Trueblood shared with the board that residents have requested improvements at current crosswalks.

Ferguson said Fairview residents asked for a crossing of U.S. 70. Trueblood said the requested improvements are at existing crosswalks, unlike the request from Fairview residents.

English asked how the town can get improved pedestrian crosswalks from the start rather than letting individuals get hurt and then implementing improvements.

Campbell said the requested enhancements would retrofit current crosswalks, but development of future crosswalks could be more comprehensive going forward. Trueblood said the current standards are North Carolina Department of Transportation standards, but those standards are much lower than what is being requested.

Bell asked if the town could do anything on state roads. Trueblood said the town will request that NCDOT conduct a study. She said the town has to follow the state process.

Motion: Bell moved to request staff to work with NCDOT to explore options for improvements for public safety at the Forest Ridge, Fiori Hills and Eno Haven Apartments crosswalk on U.S. 70A. Ferguson seconded.

Vote: 5-0.

- D. Hot topics for work session Oct. 23, 2023
The following topics were noted:

- A presentation of the 2023 Government 101 program
- A Youth in Action video

7. Updates

A. Board members

Board members gave updates on the committees and boards on which they serve.

B. Town manager

No update.

C. Staff (written reports in agenda packet)

There were none.

Motion: Ferguson moved to go into closed session at 8:04 p.m. Bell seconded.

8. Closed session

A. Closed session as authorized by North Carolina General Statute Section 143-318.11(a)(3) to consult with the town attorney in order to preserve the attorney-client privilege (economic development)

Motion: Bell moved to return to open session at 9:25 p.m. Ferguson seconded.

Vote: 5-0.

9. Adjournment

Hughes adjourned the meeting at 9:25 p.m.

Respectfully submitted,

Sarah Kimrey

Town Clerk

Staff support to the Board of Commissioners

RESOLUTION

Requesting an Appointment to an Extraterritorial Jurisdiction Seat on the Hillsborough Board of Adjustment

WHEREAS, as a result of a vacancy, it is necessary to appoint a person to an alternate member seat reserved on the Hillsborough Board of Adjustment for persons residing within the town's extraterritorial jurisdiction; and

WHEREAS, if a resident of the extraterritorial jurisdiction cannot be identified to fill the position, the Orange County Board of Commissioners may appoint a resident of the county; and

WHEREAS, as of the date of this resolution, no person residing within the extraterritorial jurisdiction has applied to serve on the Board of Adjustment; and

WHEREAS, by state statute and town ordinance, the Orange County Board of Commissioners initially has the authority and responsibility to appoint extraterritorial jurisdiction members to the Board of Adjustment;

NOW, THEREFORE, be it resolved by the Hillsborough Board of Commissioners:

Section 1. The Orange County Board of Commissioners is respectfully requested to appoint the following individual to an extraterritorial jurisdiction alternate member seat on the Hillsborough Board of Adjustment for a three-year term:

Mr. Carl Edward (Eddie) Sain
1010 US 70-A East
Hillsborough, NC 27278

Section 2. If the Orange County Board of Commissioners fails to appoint persons willing to serve in the capacity described above within 90 days of receiving this resolution, the Hillsborough Board of Commissioners may make this appointment.

Section 3. The town clerk shall send a copy of this resolution to the Orange County Manager.

Section 4. This resolution shall become effective upon adoption.

The foregoing resolution having been submitted to a vote, received the following votes, and was duly adopted this 9th day of October 2023.

A handwritten signature in black ink, appearing to read "Jenn Weaver".

Jenn Weaver, Mayor
Town of Hillsborough

ORDINANCE

Grant Project Amendment

American Rescue Plan – Galvanized Water Main Replacement

The Hillsborough Board of Commissioners ordains that, pursuant to Section 13.2 of Chapter 159 of the General Statutes of North Carolina, the following grant project ordinance is hereby amended:

Section 1. Revenues anticipated to be available to the town to complete the project are hereby amended as follows.

	<i>Current Budget</i>	+/-	<i>Amended Budget</i>
American Rescue Plan	\$60,000	\$(60,000)	\$0

Section 2. Amounts appropriated for the grant project are hereby amended as follows.

	<i>Current Budget</i>	+/-	<i>Amended Budget</i>
Galvanized Water Main Replacement	\$60,000	\$(60,000)	\$0

Section 3. This grant project is hereby closed within Fund 77.

Section 4. Copies of this ordinance should be furnished to the clerk, budget officer and finance officer to be kept on file by them for their direction in carrying out this project.

The foregoing ordinance having been submitted to a vote, received the following vote and was duly adopted this 9th day of October in the year 2023.

RESOLUTION

Endorsing Falls Lake Consensus Principles II of the Upper Neuse River Basin Association for Revised Falls Lake Rules

WHEREAS, the North Carolina Environmental Management Commission adopted the Falls Lake Rules and the N.C. Rules Review Commission approved the rules at its Dec. 16, 2010, meeting, with an effective date of Jan. 15, 2011; and

WHEREAS, the jurisdictions of the Falls Lake watershed developed an original set of consensus principles in February 2010 to guide the development of the current rules; and

WHEREAS, the rules (15A NCAC 02B .0275 (5)(f)) allow for their reexamination using an evaluation process approved by the North Carolina Division of Water Resources and for the reexamination results to be presented to the division and the Environmental Management Commission; and

WHEREAS, the Upper Neuse River Basin Association has followed the rules' reexamination process, secured required approvals of the process, and invested in a 10-year, \$10 million study of Falls Lake and its watershed to establish an updated and comprehensive scientific basis for revisions to the rules; and

WHEREAS, on Sept. 20, 2023, the Board of Directors of the Upper Neuse River Basin Association approved revised consensus principles for the readoption of the rules; and

WHEREAS, the association's member local government jurisdictions desire to endorse the Falls Lake Consensus Principles II for the readoption of the rules;

NOW, THEREFORE, be it resolved the Hillsborough Board of Commissioners endorses Consensus Principles II as adopted by the Upper Neuse River Basin Association Board of Directors and recommends that the North Carolina Department of Environmental Quality and the Environmental Management Commission use these consensus principles as guidelines in developing the revised rules for Falls Lake.

Approved this 9th day of October in the year 2023.

A handwritten signature in black ink, appearing to read "Jenn Weaver".

Jenn Weaver, Mayor
Town of Hillsborough

ORDINANCE

Amending the Unified Development Ordinance

The Hillsborough Board of Commissioners ordains the following amendments:

6.17 SIDEWALKS AND PEDESTRIAN ACCESS

6.17.1 PURPOSE AND INTENT

The regulations in this subsection are designed to advance identified goals and strategies found in the Town's adopted Comprehensive Sustainability Plan, and promote the public health, safety, and welfare by improving air quality and the quality of life for town residents and visitors. Providing sidewalks and other multi-modal travel methods adjacent to and within developments furthers the purposes for which these regulations are intended.

6.17.2 APPLICABILITY

The requirements of this subsection apply to developments that are subject to the following review procedures:

- (a) Creation of New Lots/Division of Land involving a Conservation, Major or Special Subdivision,
- (b) Site Plan Review,
- (c) Special Use Permit, including their modification, or
- (d) Zoning Compliance Permit involving a non-residential change of use if required by subparagraph 7.3.3, *Nonconforming Characteristics of Non residentially Zoned Properties*.

6.17.3 EXCEPTIONS TO SIDEWALK CONSTRUCTION REQUIREMENTS

6.17.3.1 Sidewalk construction, payment in-lieu of sidewalk construction (pursuant to paragraph 6.17.5, *Sidewalk Payment In-lieu of Construction*), or a combination of the two, is required where:

- (a) the permit-issuing authority determines:
 - (1) the sidewalk will interfere with or disrupt drainage if constructed where required,
 - (2) construction is infeasible, impractical, or undesirable due to special circumstances including, but not limited to, topography, streams, or other environmental limitations such as the presence of regulatory floodplains and riparian buffers, or
 - (3) if constructed, the sidewalk will not provide any present or future public

safety benefit;

- (b) the sidewalk will be provided as part of a Town or State scheduled and funded roadway project to be built within three years of the proposed development's approval; or
- (c) an impending road widening project affecting the development is scheduled to begin within three years of the proposed development's approval.

6.17.4 EXEMPTIONS FROM SIDEWALK CONSTRUCTION AND PAYMENT IN-LIEU REQUIREMENTS

Sidewalk construction and/or payment in-lieu of construction is not required where:

- (a) the development project:
 - 1. does not front on, or lie between, a street segment(s) identified as "recommended" on the Comprehensive Sustainability Plan's Sidewalk System Map, and
 - 2. no sidewalk or other pedestrian accessway exists, or is planned to be constructed, within 500 feet of the boundary of the land to be developed,
- (b) only a change of use or occupancy will occur with no substantial site improvements required or proposed,
- (c) only site grading and/or utility improvements are involved,
- (d) vehicular access to lots or other development will be provided by alleys connecting to streets with existing sidewalks or streets that will be constructed with sidewalks as part of the proposed development,
- (e) the sidewalk would be located within unimproved right-of-way not requiring improvement as part of the development, or
- (f) the required sidewalk is committed as part of another development project's permit, provided the permit is still valid and unexpired.

6.17.5 SIDEWALK PAYMENT IN-LIEU OF CONSTRUCTION

6.17.5.1 Where allowed by paragraph 6.17.3, *Exceptions to Sidewalk Construction Requirements*, the applicant shall make a payment to the Town in lieu of sidewalk construction. A combination of construction and payment in-lieu may be made when an applicant chooses to construct a portion of sidewalk instead of making a full in-lieu payment. Nothing in this paragraph shall prevent an applicant from constructing sidewalks instead of making an in-lieu payment.

6.17.5.2 Payment shall be made to the Town at a rate set annually in the Town budget. Payment value shall equal the average linear foot of total sidewalk cost, including accessible ramps

and required shade tree installation, as determined by a professional engineer or other professional qualified to provide the estimate. The calculation shall include the time and material cost in place at the time of the request.

6.17.5.3 Payment shall be made prior to (i) issuance of a Certificate of Occupancy, or (ii) release of any financial security held in association with the development project. Payments shall be deposited in the Town's sidewalk construction capital fund and used for sidewalk installation or repair within a 0.5-mile radius of the property for which the fee was collected.

6.17.5.4 Acceptance of payment-in-lieu shall not remove the requirement for sidewalks under paragraph 6.17.2, *Applicability*, for future property development unless exempted under paragraph 6.17.4, *Exemptions from Sidewalk Construction and Payment In-lieu Requirements*.

6.17.6 DESIGN REQUIREMENTS

6.17.6.1 Sidewalks shall be provided for all new developments and shall:

- (a) be provided within street rights-of-way along all adjacent and perimeter public streets on which the development tract has frontage. Additional street right-of-way of a sufficient width to accommodate the required sidewalk shall be dedicated along the street frontage in cases where the existing right-of-way is not wide enough to accommodate a sidewalk;
- (b) be provided on both sides of all internal streets within a development;
- (c) align vertically and horizontally with abutting sidewalks;
- (d) connect via a direct link to primary building entrances;
- (e) within unsubdivided developments (e.g., attached dwelling projects), link buildings with other buildings, adjacent public streets, on-site activity centers such as parking areas, laundry facilities, and recreational areas and facilities,
- (f) accommodate sidewalk shade trees required by paragraph 6.17.11, *Sidewalk Shade Trees*,
- (g) avoid conflicts or obstruction with above-ground structures or trees, and
- (h) maintain required width around any existing or anticipated obstructing object in the sidewalk's path.

6.17.6.2 During the development review process, reviewing agencies may designate areas where prior approval is required for any alteration to sidewalk locations. No other changes are permitted without the approval of all agencies that approved the original plans.

- 6.17.6.3** The Public Works Manager may approve changes in sidewalk location for a maximum linear distance of 200 feet without the need for amended plans. The approved plans will be annotated to reflect any approved changes.

6.17.7 CONSTRUCTION REQUIREMENTS

Sidewalks shall be constructed:

- (a) behind curb and gutter or a roadside swale,
- (b) to meet standards found in Appendix A, *Street Construction Standards and Specifications*, of the Town Code of Ordinances and the Town's adopted Street Manual. NCDOT standards must be met for sidewalks constructed within state-maintained street rights-of-way,
- (c) to meet all applicable ADA (Americans with Disabilities Act) requirements,
- (d) of concrete with a width of at least five feet and thickness of at least five-inches (six-inches at driveway entrances), unless use of alternative materials is approved by the Public Works Manager,
- (e) with a constructed barrier wherever a sidewalk is located within five-feet of a retaining wall 30-inches or greater in height, or steep grades exceeding a 1:1 ratio, and
- (f) with sidewalk shade trees required by paragraph 6.17.11, *Sidewalk Shade Trees*.

6.17.8 ENCROACHMENT AGREEMENTS REQUIRED FOR STATE-MAINTAINED STREETS

Sidewalks constructed within State-maintained-street rights-of-way shall be subject to a three-party encroachment agreement between the developer, NCDOT and Town.

6.17.9 ALTERNATIVE SIDEWALK PLANS

The permit-issuing authority may approve alternative sidewalk plans where it is shown that the alternative provides equal or greater internal and external pedestrian circulation and connectivity through use of off-street trails or multi-use pathways connecting to sidewalks, off-street trails, or multi-use pathways on the perimeter of the development tract.

6.17.10 ADDITIONAL MEANS OF PEDESTRIAN ACCESS

- (a) Whenever the permit-issuing authority determines a means of pedestrian access is necessary to connect a residential development to schools, parks, open space, playgrounds, other streets or facilities, and access is not conveniently provided by sidewalks adjacent to the streets, the applicant may be required to provide an improved pedestrian accessway located within an easement of at least 10 feet in width to provide pedestrian access.
- (b) The pedestrian accessway must be either paved with concrete, asphalt, pervious pavement, gravel, or other suitable material approved by the permit-issuing authority. Gravel or other loose materials used for paving must be contained by framing to prevent

paving material wash-out.

(c) The accessway shall be owned and maintained by a property or homeowners' association.

6.17.11 SIDEWALK SHADE TREES

6.17.11.1 Shade trees shall be installed in front yards behind the sidewalk along all development street frontages and internal streets according to the following table. This requirement does not apply where non-residential buildings are built to within 10 feet of the street right-of-way or designed with front courtyards or other site features providing similar shading.

SIDEWALK SHADE TREE PLANTING REQUIREMENTS				
<i>Tree Size¹</i>	<i>Dbh at Planting (inches)²</i>	<i>Minimum Height at Installation (feet)</i>	<i>Minimum Distance from Sidewalk (feet – sidewalk edge to tree center point)</i>	<i>Spacing (feet on center)³</i>
Small	1.5	6	5	30
Large	3	10	10	40
¹ Refer to Town's recommended planting list for acceptable species. ² Dbh (Diameter at breast height) is defined in Section 9, <i>Definitions</i> . ³ Permit-issuing authority may approve varied spacing if there are conflicts between utilities and tree placement provided required number of trees are provided.				

6.17.11.2 Where shade trees are planted on the development property behind street rights-of-way, a minimum 10-foot wide, private tree easement shall be provided for the planting and maintenance of required trees. Tree easements must be shown on site plans and subdivision plats and subject to a tree easement, planting, and maintenance agreement to be recorded in the register of deeds office.

6.17.11.3 Where non-residential buildings are built within 10 feet of a street right-of-way, shade trees shall be installed in "tree lawns" between the curb and sidewalk as follows:

TREE LAWN PLANTING REQUIREMENTS					
<i>Lawn Width (feet)</i>	<i>Tree Size¹</i>	<i>Dbh at Planting (inches)²</i>	<i>Minimum Height at Installation (feet)</i>	<i>Minimum Distance from Sidewalk (feet - sidewalk edge to tree center point)</i>	<i>Spacing (feet on center)³</i>
4 – 8	Small	1.5	6	2 - 2.5	30
≥8	Large	3	10	3.5	40
¹ Refer to Town's recommended planting list for acceptable species. ² Dbh (Diameter at breast height) is defined in Section 9, <i>Definitions</i> . ³ Permit-issuing authority may approve varied spacing if there are conflicts between utilities and tree placement provided required number of trees are provided.					

6.17.11.4 All shade tree planting areas and tree lawns shall be planted with grass, ground cover, or treated with other suitable cover material.

6.17.11.5 The following table lists recommended distances to be maintained between planted trees

and various infrastructure and improvements:

RECOMMENDED MINIMUM DISTANCE FROM INFRASTRUCTURE AND IMPROVEMENTS	
<i>Use</i>	<i>Minimum Distance (feet)</i>
Back of curb/pavement	2
Catch basins	10
Driveways	10
Fire hydrants	10
Light poles	20
Manholes	10
Other trees	15 or 25 (depending on species)
Overhead and underground power distribution lines	½ average mature canopy width + 15 feet (measured from center of distribution corridor)
Sewer easements	Planting prohibited
Stop signs	30
Structures	10
Traffic signs (except Stop signs)	10
Utility boxes	3 feet sides and rear; 3 feet from doors
Water easements	Planting prohibited
Water meters	5
Water and sewer lines	Dependent on easement width; 10 feet where easement doesn't exist (measured from center of pipe)
All other services	10

The foregoing ordinance having been submitted to a vote, received the following vote and was duly adopted this 9th day of October in 2023.

Ayes: 5

 Sarah E. Kimrey, Town Clerk

HILLSBOROUGH BOARD OF COMMISSIONERS
Consistency Statement per Section 160D-604(d)

Text Amendment Request from: Staff-Planning and Economic Development Division
Oct. 9, 2023

The Town of Hillsborough Board of Commissioners has received and reviewed the application from Town Planning and Economic Development Division staff to amend the Town of Hillsborough Unified Development Ordinance as follows:

Amend UDO §6.17 (Sidewalks and Walkways) to be re-titled and re-written in its entirety for better readability and to clarify that, with several exceptions, sidewalks are required in all new developments (as listed), and to expand upon the provisions for allowing limited acceptance of payment in-lieu of sidewalk construction in certain circumstances.

The Hillsborough Board of Commissioners has determined the proposed action **is** consistent with the Town of Hillsborough's Comprehensive Sustainability Plan for the following reason(s):

1. The amendments are consistent with the Transportation and Connectivity Chapter goal to "Develop and maintain a safe, efficient, and sustainable multimodal transportation system (including bicycle, pedestrian, and transit options) that offers alternatives to single-occupancy vehicle trips and promotes health and access to area jobs, destinations, and services."

Strategy: Adopt regulations that contribute to meeting identified transportation and connectivity needs in town.

The foregoing consistency statement having been submitted to a vote, received the following vote and was duly adopted this 9th day of October in the year 2023.

Ayes: 5
Noes: 0
