EVENT MAP/LAYOUT REQUIREMENTS

With this application, you must attach a map of the area where the event is to take place and indicate the following:

- Traffic flow; including any streets requested to be closed or obstructed (locations of barriers and officers will be determined by Law Enforcement).
- If the event includes a parade, greenway closure, etc. then the route of the event should be clearly shown.
- Parking areas where event attendees will be directed that are adequate for event attendance. Please note: The Eno River deck has only 400 parking spaces.
- Pedestrian access and flow.
- The location of any concession stand, food truck(s), booth, or other temporary structures, tents, stages or facilities; and the location of proposed fences, stands, platforms, benches, or bleachers.
- The location of restroom and/or handwashing facilities.

A street map and a map of Gold Park are available on the Town's website. Google Maps is also an excellent resource and can be easily marked up. Contact Staff if you need assistance with providing an event layout or route map.

2023 Hillsborough Holiday Parade and Tree Lighting Map of Line-Ups and Services

Safety Guidelines for Drivers, Motorized Entries and Other Participants in the Hillsborough Holiday Parade

The Hillsborough/Orange County Chamber of Commerce places the utmost importance on the safety of all participants and spectators in the Hillsborough Holiday Parade and Tree Lighting Ceremony. The following safety guidelines have been established to help ensure a safe and enjoyable holiday parade for everyone involved, and will be distributed to all parade participants before the parade. It is crucial to prioritize safety, reduce the risk of accidents through education and vigilance, and be prepared for unexpected situations that may arise during the event.

1. Driver Qualifications

a. All drivers operating ANY motorized vehicle (car, truck, motorcycle, tractor, firetruck, etc.) must be at least 25 years of age. Only experienced and legally licensed drivers will be allowed to operate a vehicle participating in the parade. The Hillsborough Police or a parade volunteer will check driver's licenses the day of the parade to ensure compliance.

b. Drivers will be given a map to familiarize themselves with the parade route and ingress/egress from the parade.

2. Vehicle Inspection

a. Entrants shall thoroughly inspect all vehicles prior to the parade to ensure good working condition, including: brakes, lights, steering, tires, wiper blades, defrosters, other critical systems, and fluid leaks.

3. Speed Limits and Safe Distances

a. Drivers, cyclists, etc. must strictly obey parade route speed limits and maintain a safe following distance from other vehicles, walkers in the parade, floats, etc.

4. No Alcohol or Substance Use

a. Drivers and passengers in all parade entries (motorized or otherwise) are not allowed to consume alcohol or any substances prior to or during the parade and tree lighting ceremony.

5. Seat Belts, Restraints and Float Safety

a. All occupants in vehicles are required to wear seat belts or appropriate restraints, and secure any loose objects inside and outside of the vehicle.

b. All floats where children will be riding, shall have two (2) accompanying adults. Children under the age of eight should be harnessed or restricted on the float to avoid the chance they can fall off the float.

6. Vehicle Decorations

a. Decorations must not obstruct the driver's view or interfere with vehicle controls.

b. All decorations are to be examined by parade entrants to ensure they are securely fastened to the vehicle.

7. No Excessive Maneuvers

a. Sudden starts, stops and sharp turns are forbidden, unless performed in the act to avoid an accident.

b. Stunts, such as wheelies (whether motorcycle, bicycle, etc.), are strictly forbidden.

8. Throwing of Objects

a. Throwing of any objects (candy, frisbees, balls, etc.) from vehicles or by other parade entrants is forbidden.

9. Animals

a. Any animals participating in the parade must be properly and securely leashed/under rein any time they are on or near the parade route. Owners/handlers must maintain control of animals at all times.

10. Communication

a. Parade volunteers will use communication devices to stay in contact with parade organizers and drivers.

11. Spectator Awareness

a. Drivers will be instructed to be vigilant for spectators, especially children, who may step onto the parade route.

b. Use of horn and lights to alert spectators, if necessary, is encouraged.

12. Weather Conditions

a. Entrants will be advised to prepare for adverse weather conditions, including lowering speeds and exercising the utmost caution in rain, snow, or fog.

13. Parking and Staging

a. Parade volunteers and Hillsborough Police will provide directions for moving floats and other entries into position.

b. Parade entrants must follow the schedule for the parade line-up and adherence to assigned placement in the parade to avoid issues and excessive movements along on the established staging area.

14. Parade Officials' Instructions

a. Entrants should follow the instructions and guidance of parade officials and volunteers.

15. Street Access

a. Hillsborough Police and other Town employees will place and maintain barriers to close off various streets to limit and deny traffic interaction with the parade route and participants.

16. Vendors

a. Only vendors approved by parade organizers are allowed near the parade route and tree lighting ceremony and must set up within the designated areas they are assigned.

17. Oversized Floats

a. Oversized floats are not allowed. Discretion regarding size is determined by parade organizers. Check with organizers prior to parade for guidelines or to discuss allowable entries.

18. Firearms, Fireworks and Explosive Devices

a. Firearms, weapons, firecrackers and any other explosive devices of any kind are strictly forbidden.

19. Additional Safety Precautions

Please Note: additional safety precautions besides those outlined in these guidelines should be taken by parade participants and spectators to ensure an accident-free event. Please err on the side of caution in all activities in and around the parade.
