Comprehensive Sustainability Plan goals:

Land Use & Development Goal 1: Ensure that future growth and development, including infill and redevelopment, are aligned with smart growth principles and consider infrastructure constraints such as water and wastewater system capacity.

- Strategy: Ensure that land use and development regulations are aligned with preferred future land use and growth patterns.
- Action: Revise zoning and development regulations in accordance with the Future Land Use Plan and the Future Land Use Map and water and sewer needs. Condense land use classifications.

Financial impacts:

None.

Staff recommendation and comments:Background

In 2020, the property owner, Home Hillsborough LLC, applied to annex this property to the town, change the future land use designation to Retail Services, and rezone it to General Commercial (GC). The town board approved these requests on September 14, 2020.

There is an existing 6,000 square foot building on site that previously served as a local chapter of the Moose Lodge, a fraternal and service organization. Home Hillsborough LLC currently rents the building to Ocean South Imports, a wine importer and distributor. Ocean South Imports will not be renewing its lease, and Home Hillsborough LLC is requesting to rezone the property from General Commercial (GC) to Neighborhood Business (NB) before bringing in another tenant.

Future Land Use Plan designation

The Future Land Use Plan shows this property in the Retail Services category, which envisions a variety of retail and commercial uses near existing residential and employment areas. Rezoning this property to Neighborhood Business would be consistent with this designation. The Future Land Use Plan is available on the town's website at <https://www.hillsboroughnc.gov/about-us/departments/community-services/planning/future-land-use-plan>.

Water and sewer availability

The property has existing water and sewer service.

Staff recommendation

Staff of the Planning and Economic Development Division recommend approval of the requested rezoning based on consistency with the Unified Development Ordinance and Future Land Use Plan.

Action requested:

Hold the public hearing. After the public hearing closes, the Planning Board may make its recommendation if prepared to do so.
