ITEM TO BE CONSIDERED

Subject: Proclamation recognizing April 2023 as Native Plant Month

Attachments:

Proclamation

Summary:

Native Plant Month focuses attention on the vital role of native plants in overall ecosystem health and sustainability. With more than 3,900 native plant species, North Carolina is one of the most diverse states in the Southeast for flora. Native plants provide essential food and shelter for wildlife. Native Plant Month focuses attention on the vital role of native plants in overall ecosystem health and sustainability.

Financial impacts:

None.

Staff recommendation and comments:

None.

Action requested:

Adopt proclamation recognizing April 2023 as Native Plant Month in the Town of Hillsborough.
