**Reasons for wanting to serve (required):**

I am currently the chair of the Alliance for Historic Hillsborough, and I would like to serve on the Tourism board as a representative of the Alliance.

**Have you served or are you currently serving on a town board? If so, which ones and when? (required)?**

Yes--I was on the HDC from 2018 (or 2019?) to January 2022.

**Relevant work, volunteer or educational experience (required):**

As mentioned above, I volunteered on the HDC for a few years, and I am the chair of the Alliance for Historic Hillsborough. I have been on the Alliance board since 2020, first as a representative of the HDC and then an at-large

member. Professionally, I'm a staff attorney at the Southern Environmental Law Center.

**How are you connected to Hillsborough (live, work, play, shop, own property) (required)?**

I live in Hillsborough, where I also play, shop, and own property.

**Have you reviewed the Vision 2030 plan, and what are your thoughts about it (required)?**

Yes, I would like Hillsborough to grow in a sustainable way that honors its past while setting it up for continued future success. Equity and climate should be key focuses.

**Have you reviewed other town documents (budget, strategy map, small area plans), and what are your thoughts about them?**

Yes, Hillsborough should focus on smart, slow growth and avoid sprawling development and road widening, which will only exacerbate climate and equity issues.

**What challenges do you see the town facing that could be addressed by the board or boards on which you wish to serve (required)?**

As I mention above, I think equity and climate are major challenges. The Tourism Board is well positioned to address both in its own way, by planning diverse events and building community, as it has been doing for many years.

**How did you hear about this opportunity (required)?**
