#### ITEM TO BE CONSIDERED

**Subject:** Resolution – Adron F. Thompson Facility Project Reimbursement

**Attachments:**

Resolution

**Summary:**

The project is the renovation of the Adron F. Thompson Facility, as previously discussed with the town board.

The town intends to advance funds for initial project costs and then reimburse itself from financing proceeds for some or all of these early expenditures. The expected type of financing for the project (which is subject to change) is either revenue bonds or installment financing under Section 160A-20 of the General Statutes. The expected maximum amount of financing expected for the project (including allowances for reserves and financing costs) is currently estimated at approximately \$6,500,000.

Funds for the early project expenditures may come from the town's General Fund, Water and Sewer Enterprise Fund, or any other appropriate town fund.

The town intends for the adoption of this resolution to be a declaration of the town's official intent to reimburse itself from financing proceeds for project cost expenditures.

**Financial impacts:**

This process will allow the town to recover any initial cost incurred from the project before the debt is issued.

**Staff recommendation and comments:**

None.

**Action requested:**

Approve the reimbursement resolution.
