We hope you have a happy and safe Easter. April is Autism Awareness month. Together we can make a better world for those with autism. Below are a few things to keep in mind while you go about your day-to-day activities. As always, we are available whenever you have concerns.

KEEP IN MIND:

- Bring all packages inside as soon as possible.
- Lock your vehicle when it is unoccupied.
- Remove all your valuables from your vehicle, especially your guns and computer

Happy National Public Safety Telecommunicators Week!

April 12-18, 2026 is National Public Safety Telecommunicators week.

A big thank you to the 911 professionals that help keep us safe. The dispatch team brings calm to chaos and often does it while seamlessly navigating multiple screens, radios, and communications.

During the most stressful moments, telecommunicators become a beacon of life for the officers. Not just this week, but throughout the year, we want to recognize the dedication and the sacrifices made by our first, first responders.

Also, congratulations to Borita Williams for being selected as a Silent Hero by the Texas Chapter of NENA (National Emergency Number Assoc.).

*Sincerely,
Chief M. Schulze*

SAFETY TIPS

Doors and Windows:

Doors should be of solid core or metal construction. A good quality deadbolt lock should be used if there is glass within 40 inches of the lock. Make sure a key is readily accessible in case of an emergency. Secure all sliding glass doors with an anti-lifting device. Install a secondary locking device on all ground level windows.

Lt. A. Menchaca

Exterior and Landscape:

Install lights around doors, walkways, and driveways. Trim shrubbery and trees so doors and windows are visible from the street. To discourage intruders, plant thorny hostile plants along fences and near windows. Don't leave ladders or tools outside. They can assist an intruder in gaining entry.

Officer M. Rodriguez

Alarm systems:

Choose a reputable, well-established company. Do not write your alarm code on or near your keypad. Put a warning sign on windows and entrances. Make sure your alarm contact list is always up to date.

Officer A. Hernandez
