

8210 Burkhart Parking Pad

Resident installed parking pad in October 2019

Resident stated he was unaware that plans needed to be approved and a permit was required.

Item was placed on March 2020 Agenda requesting a variance from homeowner

March 2020 in person Meeting was cancelled. Agenda item was not discussed. Item fell off the radar.

October 2021

City Engineer was asked to visit jobsite. Results: The parking pad is in perfect condition. The actual drainage is an improvement over the original drainage.
