KEEP IN MIND:

- Be aware of increased activity regarding children playing outside.
- Be sure to lock all doors and windows in your home, when you are not on the premises.

Public Service Announcement (PSA) From Our Dispatchers:

Help 9-1-1 Help You

- Every second counts in emergency. Don't hesitate to contact 9-1-1 first during an emergency for police, fire or medical assistance.
- Get to a safe location before calling. If you are calling to report a fire, exit the burning building before calling.
- Stay calm and answer all questions about your emergency.
- State what help you need: police, fire or EMS/medical.
- State your address, describe your location as completely as possible using cross streets or landmarks.
- Stay on the line — do not hang up until the operator says it's OK.

- Always ride with at least one hand on the handlebars.
- Obey all traffic laws, signs, and signals.
- Be visible. Wear bright clothing and reflective materials.
- If you have to ride at night, you must have a white headlight in the front and red lights or reflectors on the back of your bike.
