Police Officer Memorial Week May 15th – 21st

National Police Week was created in 1962; after then-president of the United States, John F. Kennedy signed Public Law 87-726. The law designated May 15 as Peace Officers' Memorial Day and stated that the week in which the day falls should be National Police Week. Every year, the National Law Enforcement Officers organize a Memorial Service to honor police officers who lost their lives in the line of duty.

The goal of National Police Week is to honor and celebrate these officers.

Chief M. Schulze*

Celebrating the 57th Annual Professional Municipal Clerks Week

May 3rd through May 9th will be the 57th Annual Professional Municipal Clerks Week. Initiated in 1969 throughout the United States, Canada, and 15 other countries, the week is a time of celebration and reflection on the importance of the Clerk's office. In 1984, President Ronald Reagan signed a proclamation that officially declared Municipal Clerks Week the first full week of May.

*Sincerely,
Chief M. Schulze*

OFFICER'S TIP OF THE MONTH

Summer break is just around the corner, which means people will start to travel.

It is important that people be careful, especially on vacation.

Here are some travel safety tips to help enjoy those vacation moments:

1. Contact the police department to be placed on the "Vacation House Watch"
2. Turn on some lights in the house.
3. Let your friends or neighbors know when you will be away and your emergency contact numbers.

Sergeant Jessie Maldonado

1. Avoid "Oversharing" Online: Posting photos or checking in on social media sites advertises your absence from home. Real-time updates can be tempting but wait until you return safely home before sharing your adventures.
2. Travel like a Local: Make sure to know surroundings by planning a route in advance.
3. Travel with a Buddy or in groups!

Summer WATER SAFETY

Help to spread the summer water safety message!

Drowning accidents are especially high in the summer months and over the last few years there have been too many tragedies that could have been prevented.

Every year people drown both at home and on holiday because they don't take simple

precautions, so understanding how to enjoy the water safely is vital.

Please help to avoid another tragic summer this year by spreading the following water safety advice:

LOOK OUT FOR LIFEGUARDS

If you're looking for a place to cool off, always find a lifeguarded swimming site

IT'S COLDER THAN IT LOOKS

Water at open and inland sites is often much colder than it looks, cold water can affect your ability to swim and self-rescue

DON'T GO TOO FAR

Always swim parallel to the shore, that way you're never too far away from it

IT'S STRONGER THAN IT LOOKS

Currents in the water can be very strong. If you find yourself caught in a current – don't swim against it. Stay calm, float on your back, call for help and swim out of the side of the current when it is safe

BRING A FRIEND

Always bring a friend when you go swimming so if anything goes wrong, you've got someone there to help
