

9/5/2025

The Hinckley Pine City Flames Snowmobile Club is asking for permission to place a wood cut out of a sasquatch and snowmobile club sign on the snowmobile trail located on City property (PID 400140000). It would be placed off the trail but visible to snowmobile riders.

The sasquatch would promote the local snowmobile club (Hinckley-Pine City Flames) and riding responsibly.

The Snowmobile Club will handle the upkeep, placement and removal of the Sasquatch. We would like to get the sasquatch placed this fall and leave it in place as it stays in good condition.

Thank you for your consideration,

Hinckley Pine City Flames  
Trail Administrator
