**Agenda Item**

MN Power EV Charging Station

**Meeting Date**

July 8, 2025

**Prepared By**

Leaha M. Jackson, City Administrator

**Background**

MN Power contacted the City in March of 2024 about an EV charging station they were working to locate within our community. At that meeting, the Council directed staff to work on an agreement, as some of the equipment would be located within the ROW. Attached is the agreement. We did what we could to minimize the impact on City staff.

**Recommended Action**

Approve the Charging Station License Agreement between the City of Hinckley and Minnesota Power.
