Hi

I reached out to TKI - Tom Kraemer Inc in Moose Lake, just to see what the cost will be. I am looking at a 10' and 20' box. I am guessing you have to see what the council says before we move forward. I will let you know what I find out - the school is good with the insurance part as well.

One question though - do you think if we furnish the box maybe the city can add the siding to it or paint it? I was up there and it looks like the only spot it might be able to go is to the north... There is a sand pile to the east of it that might be pretty hard to move.

Really looking forward to working with you guys on this project!

Mandy
