RE: May 13, 2025 LOW response -National Pollutant Discharge Elimination System (NPDES)/
State Disposal System (SDS) Permit Number MN0023701

Dear Lu,

In response to the requirements of the LOW dated May 13, 2025, we are providing you with the following response.

2. Within 60 days of receipt of this LOW, the Regulated Party must submit a Mercury Minimization Plan (MMP) to the MPCA. The Plan should be submitted to NPDES.PCA@state.mn.us and case lead Lu Berry (lu.berry@state.mn.us). We have completed the required Mercury Minimization Plan (MMP) for the review period of January 2016 thru December 2020. The required plan is submitted as an attachment to this correspondence.

We anticipate that these actions will meet the 60 days requirements of this LOW.

If you have any questions concerning the content of these responses and actions please contact Paul Christensen of PeopleService INC at 320-420-5367.

Sincerely,

Paul Christensen
