Agenda Item
Streetlights Update

Meeting Date
July 8, 2025

Prepared By
Leaha M. Jackson, City Administrator

Background

At the June council meeting, the Council asked staff to look into street lighting at 2nd St NW and Whistle Stop. Staff checked whether lights were already in place in the area. The blow is a snippet of where they are currently located. One option is to investigate whether Minnesota Power can switch out the head to a brighter one or consider adding more lights.
