ffock safety

Shape a safer future, together

Pine County Sheriff's Office

fťock safety

What we observe The current reality

Limited police resources

 Crime continues to hurt communities

Trust is needed more than ever

The opportunity

- Technology multiplies the force
- Protect first responders and the community using technology
- Collect and distribute objective evidence to the right user
- Engage community to support and grow

The Flock Safety Platform

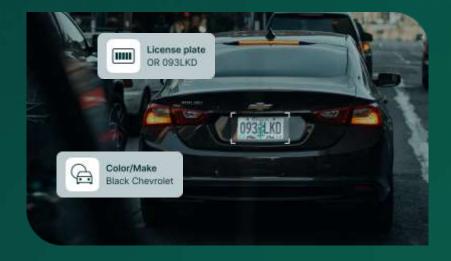

Capture more evidence. Solve more crime.

*

f^fock safety With Flock Safety, you get:

Flock Safety provides your police department with indiscriminate evidence from fixed locations. We provide all of the maintenance so that your police department and city staff can focus on keeping your city safe and prosperous.

= INFRASTRUCTURE-FREE

Reduce time to value and utility costs with fullservice deployment.

24/7 COVERAGE

Capture objective vehicle data around the clock to multiply your force.

REAL-TIME ALERTS

- NCIC
- NCMEC (Amber Alert)
- Custom Hot Lists

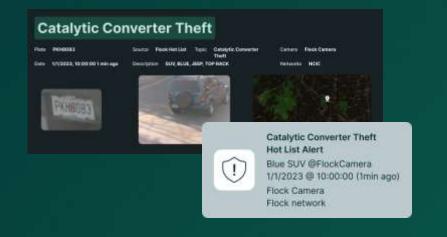

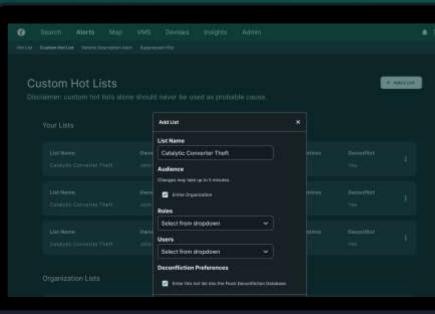

- No people
- No facial recognition
- No speed tracking
- Indiscriminate evidence

fťock safety

Proactive policing with realtime alerts

Your police officers can receive SMS, email, and inapp alerts when vehicles entered into the FBI's NCIC, NCMEC (Amber Alerts), or custom Hot Lists pass by a Flock Safety camera in your community.

fłock safety

What Vehicle Fingerprint® technology identifies

Flock's machine learning technology allows officers to search vehicles based on unique vehicle criteria, time, and location — objective, investigative evidence. INCLUDING

- Vehicle makeBody typeColor
- Back racks
- •Top racks

- License plates
 - O Temporary tags
 - O State recognition

frock safety

What this <u>is</u>:

- License Plate Recognition (LPR)
- Gathers objective evidence and facts about vehicles, not people
- Alerts police of wanted vehicles
- Used to solve crime
- Adheres to all state laws

What this <u>is not</u>:

- Not facial recognition
- Not collection of biometric or sensitive information
- Not used for tracking speed or parking violations
- Data automatically deletes every 30 days

How does this technology deter and eliminate crime?

Proactive: Real-Time Alerts when stolen or wanted vehicles enter your city

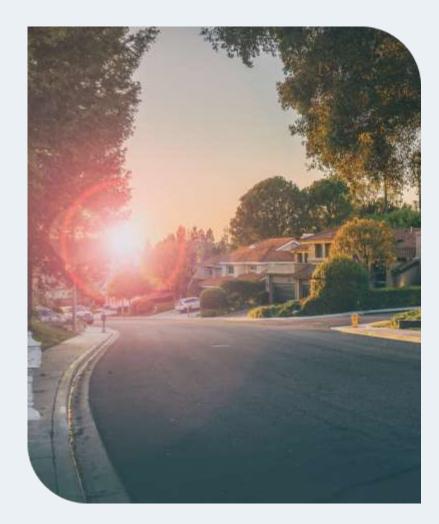

Investigative: As clearance rates increase, overall crime often decreases

Flock cameras serve as a **deterrent**

ffock safety

*

fťock safety

Instant eyes on the scene for better response and officer safety

Improve situational awareness and case clearance without procuring, installing, or maintaining your own live and recorded cameras.

NO IT REQUIRED

100% cloud-based, so no IT or servers needed.

BE PROACTIVE

Proactive camera monitoring + service. No more reactive fixes.

SOFTWARE INCLUDED

Hardware, cellular, and VMS software included via FlockOS®.

(a.y)

- Data Storage + Retention

Condor Fixed

Turnkey live and recorded video with remote zoom controls. Ideal for buildings, city streets, and areas that require constant recording.

frock safety

frock safety

What this <u>is</u>:

- Situational awareness through objective video evidence
- Encrypted data stored on device and in the cloud
- Accessible via auditable search
- Used to solve crime and maintain officer/citizen safety

What this *is not*:

- Not facial recognition
- Not collection of biometric or sensitive information
- Data automatically deletes every 30 days
- Not unlimited, continuous monitoring

A Trusted Partner

ffock safety

fťock safety

Protecting privacy

- Footage owned by Agency/City and will never be sold to private third parties by Flock
- 30-day data retention, then automatically hard deleted
- Takes human bias out of crime-solving by detecting only objective data
- All data is stored securely with end to end encryption of all data

Accountability mechanisms

- Search reason and user number saved in indefinitely-available audit trail
- NOT facial recognition software, NOT collecting biometric information
- NOT used for parking enforcement or tolls
- Not connected to registration data or 3rd party databases (Carfax, DMV)
- Transparency Portal (free and optional)

fłock safety

Transparency & Insights

Measure ROI and promote the ethical use of public safety technology

Transparency Portal

- Customizable for each agency
- Display technology policies
- Publish usage metrics

Insights Dashboard

- Measure crime patterns and ROI
- Audit Search history
