Agenda Item

Public Works Summer Help

Meeting Date

April 8, 2025

Prepared By

Leaha M. Jackson, City Administrator

Background

The 2025 budget included wages for one part-time temporary public works helper at 550 hours each for the season with the intention that we would have three other employees. The wage for 2024 was \$15.93; for 2025, we could set the wage at \$16.00.

With the change coming for Public Works, we may need two workers for the first part of the season until we can hire someone and bring the personnel up to four.

Recommended Action

Approve the posting and hiring of up to two part-time, temporary public works summer helpers for up to 550 hours or 67 days, whichever comes first, pending the recommendation of the Personnel Committee and the City Administrator.
