

March 2025

Hinckley Library

Our regular programs for children have been gaining momentum. For this month's LEGO club we had 6 attendees, who were happy to proudly display their creations on top of our bookshelves.

Storytime has had lots of repeat customers since switching the time to 11:45. We have outgrown the children's space in the library and are now reading and dancing in the community room attached to city hall.

This March and April we have a fun display of books and movies, asking patrons to vote for whether they liked the book or the film adaptation best.

Stats:

Reference Questions Answered: 348

Door Count: 680 people visited the library

Looking Ahead:

April 1st we are hosting our first Friends of the Hinckley Library meeting. We are forming this friends group to help fundraise and advocate for the library. Meetings will be held on the first Tuesday of every month at 6pm.

We were awarded grant money (\$1,160) to purchase new computer chairs and make updates to our computer lab. In the next month, we will be purchasing a cord organization system as well as some high quality, durable office chairs. Thank you to Catholic Charities of Minnesota!

April is the start of our 4th annual Spring for Libraries fundraiser. This year we are asking for monetary donations for children's toys for our play area as well as for programs. Stop in during the month of April to make your contribution!
