**Agenda Item**  
Firehouse Fryer

**Meeting Date**  
July 9, 2024

**Prepared By**  
Leaha M. Jackson, City Administrator

**Background**

One of the two fryers at the Firehouse, the oldest, has been failing. It has not been timing the food correctly, leaking oil, the basket handle getting too hot, and not lifting the basket out of the oil correctly. This could create a hazard for staff. Firehouse Manager Taggart tried to repair this machine, but the repairs were unsuccessful. The machine needs to be replaced.

Attached is a quote from the Pasco under the Sourcewell state contract for a replacement fryer at \$15,290.00. The other fryer is also on its way out and should be replaced in the next year.

**Recommended Action**

Approve the purchase quote from Pasco for a Perfect Fry Company Model PFA500 for \$15,290.00, including shipping.
