Agenda Item

Public Works Worker

Meeting Date

July 9, 2024

Prepared By

Leaha M. Jackson, City Administrator

Background

At the May 2024 City Council meeting, the council decided to hire one temporary public works helper to assist the two full-time employees during the summer. With the continuing moisture, public works have found it hard to keep up with the outdoor tasks. The council should consider hiring a part-time, temporary worker with specific responsibilities to start as soon as possible.

The council can re-evaluate the possibility of a permanent full-time position in the fall.

Recommended Action

Approve hiring a part-time, temporary public works helper pending the recommendation of the personnel committee, Public Works Supervisor, and City Administrator.
