June 9, 2026

Prepared By

Leaha M. Jackson, City Administrator

Background

Does anyone have anything they wish to discuss at this time?

Staff met with a contractor to obtain a budget estimate for replacing the parking lot at the Firehouse in 2028 or 2029. The costs look favorable; if the Council would like to consider proceeding with the replacement sooner rather than waiting until next year or the year after, we can start the process. As the project's estimated cost may exceed \$175,000, the city must follow the competitive bidding process.
