Firehouse Liquor Patio Tables

Meeting Date

July 14, 2026

Prepared By

Leaha M. Jackson, City Administrator

Background

The tables on the patio are beyond their useful life. Staff has looked at options, and Valder's Vehicle has an 8' aluminum option that should hold up for many years.

The only downside is they do not have an ADA option, so we need to order an ADA-accessible table from another vendor. There is a weather-resistant option from Barco products that comes in a color scheme that is similar to the tables from Valder's Vehicle.

Recommended Action

Approve the purchase of 4 8' tables from Valder's Vehicles for \$4,599.94 and one ADA-accessible table in a similar color scheme, up to \$1,100, plus shipping.
