We kicked off the Summer Discovery Program with a bang (and plenty of giggles) thanks to comedian Kenny Ahern.

A special thanks to the Pine County Dairy Princesses for scooping ice cream for attendees!

Kids enjoyed finding baby dinosaurs to adopt hiding in the library. Now they have all summer to learn about their dinosaur species.

Our library Mascot, Sherlock the Fox, is hiding in the library. He's dressed as a Paleontologist in honor of the Summer Discovery theme: "Unearth a Story." Kids are enjoying finding him in a new spot each week.
