

June 10, 2026

Phil,

After careful consideration, I have determined the time has come to thoughtfully declare my impending retirement. I am starting to file for my public employee retirement association monthly disbursement. I have decided my last official work day will be Sunday, August 23, 2026.

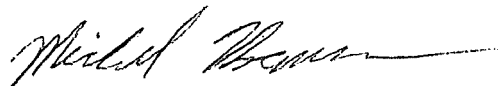

I could be available to help out from time to time if a shift were to come up needing to be filled.

I would be required to not work for a period of thirty days from the time I begin retirement after which time, I would be eligible to help out if needed.

I have really enjoyed the opportunity to work for and with you the last five or so years.

Looking forward to ending my employment as an off-sale retail salesperson and starting a new chapter in my life.

Sincerely,
