

Hinckley Library Branch Highlights - February 2025

- Blind Date with a Book was exciting for our patrons. Participants enjoyed picking out wrapped books based solely on a few descriptive hints. This led 20 participants to try a new genre or author.
- Our Winter Tales Reading Challenge attracted several enthusiastic patrons, we hope to encourage participants with fantastic local prizes and collectable mugs each year.

Looking Ahead:

- We set up a Book and Movie Display that invited patrons to vote on which they preferred: the book or the movie adaptation. We look forward to discussing patron's opinions!
- After feedback from the community, we are experimenting with changing the time of storytime to work better for families in the area, the new time will be 11:45 instead of 10:30.
- Reference questions answered – 220
- Visits to the library - 486
