Water Supply Plan Approval, City of Hinckley, Pine County

Dear Leaha,

Our office has completed the review of Hinckley's Water Supply Plan for public water supply authorized under DNR Water Appropriation Permit 1973-1399. I am pleased to advise you that in accordance with Minnesota Statutes, Section 103G.291, Subdivision 3, and on behalf of the Commissioner of the Department of Natural Resources, I hereby **approve your Water Supply Plan**. We encourage cities to complete the attached "Certification of Adoption" form. Please upload the form to MPARS-Water Supply Plan tab or email it to me as soon as the city officially adopts the Plan.

Thank you for your efforts in planning for the future of the City of Chisholm water supply and for conserving the water resources of the State of Minnesota. If you have any questions or need additional assistance with your water appropriation permit, please contact me, at 218-203-4368 or heidi.lindgren@state.mn.us.

Sincerely,

A handwritten signature in cursive script that reads 'Heidi Lindgren'.
