Job Questions

City Manager 2019 |

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	I believe that knowing how to consolidate information, and synthesizing that data into usable and relevant decision-making tools is one of the most important elements to a City Manager. A City Manager needs to be an authentic, collaborative, encouraging, and visionary leader who relies on the expertise and trust of all they work with and for the specific purpose of the improvement of those they serve.	
Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	I have spent the past eight years as the Parks and Recreation Director for the Fairbanks North Star Borough, and in the time I have been at the helm, I am proud to say that employee morale is high, turnover is low, the public is wholeheartedly in support of what the department offers, and we consistently provide high-quality recreation programming. The FLiP (Fairbanks Loves its Parks) program is something I am particularly proud of in starting. It is an online branding and	

advocacy campaign that just surpassed 1,000 members in just 2 years. The campaign is centered around area-specific "Did You Know?" facts that become a central part of all of the messaging we do. These free-to-join members not only get regular email newsletters and program information, but access to VIP events and other members-only benefits. Additionally, this easy-to-implement system has created a powerful advocacy group that is informed and passionate about their issues. The FLiP program has gotten the community engaging in meaningful and fact-based dialogue; not just about WHAT we do, but WHY we do it, and what the community and personal BENEFITS are of the programs. As we train our staff when developing our "Did You Know?" facts, we want to answer the "What?" and the "So What?" I believe that, while not perfectly suited for everything, this model is an effective public engagement, education, and advocacy process that could be applied to the residents of the City of Homer, with equally amazing, engaging results.

A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? ***
(Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

If a new policy is passed by the City Council, I will assume that it has gone through the public meeting process, allowing for competing viewpoints, arguments, and support. So long as it is a lawful and properly vetted policy, my job as the Chief Administrator of the municipality is to put the policy into effect, to the best of the City's abilities. There will be many times that my opinion is different than the City Council's, the same as it will be with the employees who work for the City, or even my spouse of 20 years. Disagreements are healthy, so long as they are handled in a constructive, positive manner; and so long as due diligence in decision-making has been done to ensure the best data is used to make the decision. I am not averse to plainly making my opinion known, and advocating for that position passionately; but I will also strive to do so in a respectful, "active listening" framework. I will always try to clearly communicate the factors I considered in my opinion, but at the end of the day, the

power to promulgate policy is the City Council's authority, and my job is to carry it out; with no feet dragging, grumbling, or undermining. My overall goal, though, would be to create a respectful, positive, and authentic relationship with the Mayor, City Council, and others, which would go a long way to preventing a lot of future conflicts.

Basketball Coach John Wooden said:

"Whatever you do in life, surround yourself with smart people who'll argue with you." So I have always tried to do just that. I am an authentic leader that uses elements of applied positive psychology. In fact, I teach professionals around the world about how to use Authentic Leadership in the workplace. Authentic leaders, as defined by Harvard Business School's Bill George, share five key traits: -Authentic Leaders do not ascribe to a particular leadership style; instead, they have the ability to change styles as needed. -Authentic Leaders compassionately lead with both their head and their hearts. -Authentic Leaders create connected relationships & networks. -Authentic Leaders ensure that their values align with their actions. -Authentic Leaders are aware of and admit to, their faults. I believe in authentic leadership because it works; especially when combined with an Applied Positive and Organizational Psychology framework. I am a consistent and dependable leader who knows how to hire, retain, motivate, and inspire staff. I am also a visionary leader, always looking to the horizon and the potential of individuals and organizations. Finally, I am an approachable leader, who can create strong relationships with nearly anyone. My overall leadership goal is to help those that I work with be the best version of who they can be; which makes the organization the absolute best it can be.

**What is your leadership philosophy?

I bring a well-rounded set of municipal skills and experience, gained over the last 20 years, all over the country. I have enjoyed working in communities of very similar size to Homer; but as a department head, working for a City Manager. My current position as the Parks and Recreation Director for the

resume or cover letter) *

Fairbanks North Star Borough is similar in size to Homer. I oversee over 100 full-time benefited employees and manage an \$8.4 million Operating Budget. Specifically, I bring knowledge and at least some experience in all of the typical duties listed. My particular strengths include employee management, municipal budget planning, professional communications, human resources, strategic planning, capital planning, and organizational behavior. Because I believe in surrounding myself with people smarter than me, I am not intimidated or ashamed to admit when I do not know something, and I am a lifelong learner. There is not one particular skill or bit of knowledge that makes me your best candidate. It is my dedication to public service, my passion to positively lead and change organizations, and the justified confidence I have gained through over twenty years of managing municipal systems that make me an excellent fit to be your City Manager.

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	I believe that the most important elements are to be strict but fair while maintaining a good working relationship with all departments. Fiscal management must be paramount in this discussion as budget must be followed and adhered to so as to not waste city and government money.	
Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	I am very proud of the Infrastructure Specification book I helped write to allow contractors working with water, sewer, electric, streets and storm water know what is expected by the City of Carlsbad, NM	
A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	If I do not agree with something, I research and bring factual points to the council as to why I disagree, but in the end, they decide what happens and how so if they make the decision and it is done, I follow policy 100%.	
What is your leadership philosophy? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	My leadership philosophy is to treat every employee as a person and not just a number. I can replace tools, but cannot replace a life or limb lost.	
In reviewing the job description, please highlight areas you bring	I bring many years of experience in management working within the government	

particular experience. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

setting, the financial knowledge of working on budgets and a sense knowing that I can learn from those around me every day.

Skills & Abilities

MANAGEMENT

- I have effectively led management groups during my career that have produced exemplary while maintaining a positive attitude. I have managed from 4 people to 200 people with many different departments and different vendors. I have a proven track record here with the City of Carlsbad Water department as to how the men and women under my supervision have responded in a positive manner. I have also managed larger groups on BP Drilling Operations where I was in direct control of the drilling site and making the preliminary budget proposal while maintaining a high safety standard.

SALES

- I have always been a people person. I am able to be able to tell people and vendors "no", if need be, while justifying the answer. I have obtained every and all certifications way above and beyond the required levels of my position and that of which I am applying. I am self-driven and find a way to make the sale come through.

COMMUNICATION

- I can communicate lucidly with a rational and cognizant level to people of manual labor positions to executive level persons in English and in Spanish.

Experience

WATER MAINTENANCE SUPERVISOR | CITY OF CARLSBAD, NM | PRESENT

- I have been placed in charge of the daily operations of the Water Maintenance department. I have roughly 20 men and women who I schedule daily activities for, oversee quality of work, and speak with different vendors or contractors as the case may be. I train people from this department and others in safe practices of work while maintaining the high quality of professionalism expected of the City of Carlsbad. My chief objective in this

position is to achieve success assigned tasks while keeping an eye out for potential hazards that may arise and keep the city's liability in my foremost thoughts.

WATER / COLLECTIONS FOREMAN | CITY OF ROSWELL, NM

- I achieved all state and federal requirements that were expected of the position. Since I had a bachelor's degree, I was enabled by the State of New Mexico to take up to and including the Water Systems Level 3 and Wastewater Systems Level 3. I enacted a tutoring program where every Friday I would have a teaching session to educate the men and women of the City of Roswell for the purpose of learning Water and Wastewater math. I set up and developed systems of rotation of usage for the 20 wells in the City of Roswell as to maximize the life of the parts in the wellfield.

DIRECTIONAL DRILLER | SCIENTIFIC DRILLING INTERNATIONAL

- I oversaw the daily operation of the Drilling Rig and all the sub-contractors and vendors associated within. I met with British Petroleum (BP) and proposed a budget that would increase profit, increase safety/productivity while keeping costs low and negotiated budgetary items to ensure a smooth, multi-million-dollar operation. I was expected to do these budgetary measures approximately every 7 to 10 days for each well site. I originated the JHA for every day that would have to be signed off by all persons entering the work zone to maintain strict standards.

REGIONAL MANAGER | RESPOND FIRST AID

I was the Regional Manager for Respond First Aid in the West Texas Market which included the area from the central mountain chain east to the I-27 Corridor which is between Lubbock, TX and Amarillo, TX. I had 15 salespeople and an office staff of 6 that I was to oversee while running a very large company based in Denver, Colorado. I had to do annual budgets, monthly expenses, payroll, and Sales Training to ensure success for not only for myself and that of the workers but also for the home office of Respond First Aid.

Question	Answer	Disqualifier?
<p>What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *</p>	<p>The most important elements of the City Management position are relationships and communication. The city manager must have great working relationships with the city council, staff, and the general public. The city manager must also be able to effectively communicate to all efficiently, consistently, and honestly. Any attempt to bypass or minimize these efforts will have a negative impact on the position. These are things I do well.</p>	
<p>Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *</p>	<p>I believe my best professional accomplishment to be establishing an affordable housing program in Whitefish, MT. This program tested my commitment to and ability to establish relationships and provide honest communication to all stakeholders. I felt my outreach, information dissemination, and relationship efforts were timely, honest, and inclusive. The city, community, and businesses came together in a way I have not seen before to make this program become a reality.</p>	
<p>A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *</p>	<p>If there is consensus across the council to move forward with the policy, then I take it on as my own. If I feel there are legal, ethical, or morale issues, I can make those know away from the council meeting. I do not like to run contrary to the council in a public setting.</p>	
<p>What is your leadership philosophy? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *</p>	<p>My leadership philosophy has always been more akin to macromanagement. However, this does not mean that I do not manage or that I manage from afar. I work on a daily basis with department directors to assist and support them in goal setting and accomplishing efforts, but I do not micromanage them. Some directors may need more assistance than others and I am adaptable to their needs.</p>

To whom it may concern,

Thank you for this opportunity to apply for the City of Homer, AK City Manager position. I believe that I possess the skills, abilities, and experiences necessary to be highly effective in this position. I have almost 18 years of local government experience beginning with the fire and emergency service and working my way up to my fourth City Management position. I have built an extensive background in municipal management including management of resort and tourism-based communities and organizations. I believe I am fully capable, experienced, and ready to take on my next challenge.

I have a rich educational background including a BA in Political Science, a Master's in Public Administration, and a Doctorate of Law, with advanced certifications in mediation and negotiation. I am also a Certified Public Manager through the University of Wisconsin, Madison and a Credentialed Manager through the International City/County Management Association. I feel that these degrees, certifications, and credentialing are a nice mix for a well-rounded municipal manager. Combine this education with my many varied experiences in municipal management and I feel that I would be a valued asset for Homer.

I have worked with planning and community development professionals bringing in hundreds of millions of dollars in new tax base. I have worked tirelessly to create and sustain public/private partnerships to develop and revitalize downtowns, urban cores, and affordable housing. I was on the board of directors (Board Chair for a time) of the Fox Cities Convention and Visitors Bureau. Here I learned much about area attraction, event solicitation, and working as a team to bring attention to the area. As a former public safety professional and in my roles as a City Manager I have helped to improve all aspects of public safety from police and fire to emergency management preparation, response, and mitigation. Having worked in a community with national press on white supremacist issues, I have worked to foster relationships with people from all walks of life in order to befriend, understand, and better protect their ways of life. I have been a part of constructing two new City Halls, DPW and Parks and Recreation facilities, and a 212-space parking structure. I can relate to and often visit with employees at all levels and have received much praise from employees for my efforts. I have created and used many public outreach efforts to improve communication between cities and their residents and businesses. These efforts include newsletters, "Coffee with the City Manager", open houses, public forums, and weekly emails to the media and general public, all of which have been positively received. I have created, maintained, or enhanced many "quality of life" initiatives from water quality and environmental concerns to urban forestry and bike/ped enhancements. I have worked through affordable housing planning and initiative implementation in an effort to increase affordable housing stock by 1,000 units. I have created, implemented, and improved numerous capital improvement programs. I have markedly improved the financial condition of every community I have managed. I have developed stakeholder relationships from local organizations to state

and federal agencies to improve the community's standing for future assistance, cooperation, and grant funding efforts. Many of these relationships enable me to bring these benefits to any city I manage.

I use "I" quite a bit, but I could not have accomplished the things I have without a wonderful family support system and the dedicated teams of professionals I have worked with over the years. I am sure the City of Homer has a similar dedicated team of professionals that I can learn and grow with as we accomplish great things together. I look forward to meeting with you for an interview to discuss these experiences and see if I would be a great fit for your management team.

Sincerely,

Adam M. Hammatt

means of converting this publically funded system into performing like a business entity. Of the thousands of agencies in the US the fixed route brand known as People Mover is among less than a dozen in the nation to have gone to a frequency based model from a route alignment standpoint. Subsequent results demonstrate my leadership ability to obtain political, local, and internal buy-in toward the success of what public transportation needs in the 21st century – innovation. This single word has now enabled this very agency to focus on integration of on-demand mobility as the next foray into updating transportation to meet head on the challenges presented by TNCs, nationwide decrease in ridership, and the impact to social equity in the absence of change.

Job Questions

City Manager 2019 |

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	It is important for a city manager to demonstrate leadership. The most important elements of leadership is having a vision, instilling trust, and gaining consensus. It is critically important for a community to realize where they are going. However, this cannot be a singular vision it must be a collective vision by the community regarding where they see the future of their city. The City of Homer deserves a leader that can build consensus among the varying constituency in an effort to cohesively work toward achievement of that community oriented vision. As a city manager I will serve as an instrument and an advocate of the city council by ensuring sound fiscal policy, accountability within city departments, and sound leadership through servitude.	
Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	My accomplishments stretch across multiple coasts. These accomplishments have focused on foundation bedrocks of what it takes to build a city. In the suburbs of Washington DC it meant bringing transportation services to a rural community without access to a wider network. In Anchorage, Alaska this meant working within the fiscal constraints of a Statewide recession in order to reenvision	

how best to appropriate land use and zoning by intertwining the latter two with a transportation network for the purpose of economic development. In Hawai'i it meant working within the legal framework of legislative policy to deal with basic issues such as abandoned vehicles, management of public right-of-way related to curb space, parking regulations, and, fiscal policy as it relates to revenue intake through the Department of Motor Vehicles. Presently in Nevada I am working with the local government on the 2050 MPO plan that seeks to solve a housing crisis. My job yet again is to ensure that we are operating a network that supports an explosion in the growth density while crafting a solution within the fiscal limitations of the tax revenue. As I am on the private sector side it also means an intricate understanding of finances as one of my primary obligation(s) is to ensure profitability of the company I work for.

Being a capable leader means understanding first that the vision is not yours and the job is not about you. In my career I have come across multiple policies I may not personally agree with. My job in my roles has been to advise the council and my stakeholders of their option(s) so as to ensure that they understand each facet of the issue before ultimately deciding how best to pursue a direction. In short, my role is to also be an educator. Once all facets of an issue have been transparently conveyed my job as a city manager is to proceed with the will of the council—they are elected to represent the community and my job is to make their decision the best it can possibly. A prime example of this is the reality that a quarter of the fleet I presently manager is fully electrified. Electric technology has not caught up to the times; as such, they are not as optimal in their utilization as classic diesel buses. Nevertheless, the agency made a decision and my job is to make their decision the best it can be. I do this by finding innovative ways to intertwine their decision into the fabric of how we operate. I see the policy question as no different.

A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? ***
(Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

**What is your leadership philosophy?
*** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

My leadership philosophy is a simple one; serve. This philosophy of leadership through servitude means building a team that is smarter than you are. Ensuring that there is cohesion, communication, and consensus in the team I have built. Ensuring that we all realize that through service we leave a fabric of ourselves into the community we work in. As a leader I adapt myself to the needs of the community I am in. One must be agile and able to adjust themselves to accommodate the greater good.

In reviewing the job description, please highlight areas you bring particular experience. * (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

I have been the head of multiple agencies with a fiscal budget larger than that of the City of Homer. Case in point my present contract which was awarded as a result of my particular qualification(s) is a 10 year \$300 million contract. In my present role, much like my past roles, I oversee a staff of 300 full time unionized and non-unionized employees. I am responsible for fiscal and administrative policy. Have the obligation to staff department heads and ensure that those departments are functioning appropriately. I oversee multiple contracts and sub-contractors. I also deal with emergency management. The above synopsis of my present role is not particularly different than the roles I have held in Anchorage, Alaska and Prince George's County, Maryland. In each of those prior roles I had direct interaction with the city council, federal and state personnel and agencies, lobbying groups, associated attorneys, and all the varying state, local, and federal policies related to my agency. Most my accomplishments and scale of responsibilities are searchable on the web and a matter of public record.

ABOUT ME

I am a career professional with humble beginnings that has allowed me to work through the management hierarchy of multi-million dollar organizations in order to become an executive that provides leadership through servitude.

I am a team oriented inclusive problem solver with dozens of news articles to my name proving my ability across multiple coasts (DC, Alaska, Hawaii, and Nevada).

I am presently seeking my next challenge and opportunity.

WORK EXPERIENCE

General Manager – Keolis, Reno NV (2019 > Present)

Served as a consultant for the bid process which included serving as the proposed G/M if award was successful. Post contract award facilitated start-up from cradle to implementation which included management of a possible 10-year \$275 million contract, retained 99% of incumbent staff, and hired an entire new management team in a 90-day start-up period. Championed the turn-around of Proterra electric buses thereby showcasing that electrification can succeed. Instituted a scheduling methodology that maximized use of electric buses in the RTC fleet. Facilitated pilot testing of a double-decker bus and presently engaged in a partnership demo with Google.

Administrator – DMV Oahu, Hawai'i (2018 > 2019)

Served as the head of the Department of Motor Vehicles for the City & County of Honolulu. Tenure oversaw the statewide implementation of the islands first mobile kiosk system for registration renewal, opening of a \$35 million capital project that introduced the CDL office, introduction of 3rd party CDL testing, revision of the Real ID Act, and drafting of countless other statewide legislative policies.

Director – Anchorage Public Transit (2014 > 2018)

Through an executive appointment by the Mayor of Anchorage and subsequent confirmation by the City Assembly **orchestrated a turn-around** of the largest mass transit system in Alaska by aligning services to economic development during a recession. The shift to a frequency model led to avoidance of massive fiscal cuts to the organization while providing a net increase in value to the public whereby corridors with transit service are areas where people can Live, Work, and Play. My primary duties in this role were to innovate, advocate, educate, and incorporate transit solutions towards efficient city building. P&L of \$35 million, fleet of 200, with oversight of over 200 personnel, reporting to the Anchorage Assembly (6 districts w/ 11 members).

Chief of Transit - (2011 > 2014)

Managed a \$45 million local system and provided oversight to an additional \$220 million from the County to Washington Metro Transit Area Authority (WMATA). Provided direct input to the design of the **Purple Line**, **65% design of the National Harbor Casino**, and created the first ever **local bus service to Southern Prince Georges**.

Capital Projects Manager - (2007 > 2011)

Hired as the youngest project manager in Maryland Motor Vehicle's history. Tenure oversaw the successful on-schedule implementation of a queuing system across 24 branch wide offices, a \$20 million upgrade to vehicle emissions inspection program statewide, and a BI platform for data qualification. All projects were delivered on time, within scope, and under budget per PMP guidelines from cradle to grave.

Municipality of Anchorage, Alaska
Director, Dept. of Public Transportation

2015 — 2018

The Director of Public Transportation oversees three brand products; People Mover (Fixed Route), AnchorRIDES (ADA + Call Center Services), and RideShare. With direct oversight of senior managers and indirect oversight of over 200 personnel the Director sets the agency goals for the largest mass transportation organization within the State of Alaska with nearly \$6 million in revenues of which \$4 million is point of sale transactions, \$10 million in grants, \$22 million in taxes and an additional variable influx of \$5-10 million in yearly referendum allocation for capital project(s).

Under my leadership the Public Transportation system in Anchorage managed to successfully obtain political buy-in as a means of converting this publically funded system into performing like a business entity. Of the thousands of agencies in the US the fixed route brand known as People Mover is among less than a dozen in the nation to have gone to a frequency based model from a route alignment standpoint. Subsequent results demonstrate my leadership ability to obtain political, local, and internal buy-in toward the success of what public transportation needs in the 21st century – innovation. This single word has now enabled this very agency to focus on integration of on-demand mobility as the next foray into updating transportation to meet head on the challenges presented by TNCs, nationwide decrease in ridership, and the impact to social equity in the absence of change.

SELECTED ACCOMPLISHMENTS:

Municipality of Anchorage, Alaska
Manager of Operations, Dept. of Public Transportation

2014 — 2015

Providing direction to the largest transit organization within the State of Alaska this position sets the priorities for a direct staff of 110 individuals to include unionized bus operators, dispatchers, and supervisor.

The main focus of this position was to provide day to day management to all employees and functions of the Department of Transportation's operations section known as "*People Mover*," to which is allocated 60% of the departmental budget and is the most visible public transportation service in the State of Alaska.

SELECTED ACCOMPLISHMENTS:

- **Successfully fostered a healthy relationship with the Teamsters Local 959** whereby creating an environment of mutual respect where common goals are achieved.
- **Successful in developing driver morale** thereby shedding the 'glass wall,' division between bus operators and management.
- **Successful in creating additional positions** in the bus operator category through a clear statistical demonstration of overtime cost reduction by hiring FTE equivalents.
- **Successful in reducing absenteeism** among bus operators through cooperation and relationship building with employee relations to outline stricter policies on call-outs.
- **Successful in effectively building relationships** with internal and external stakeholders as a means of accomplishing mutual and competing tasks.

Prince George's County, Maryland
Chief of Transportation

2011 — 2014

Serving as the Transportation Chief for the Office of Transportation under the **Department of Public Works**; tasked with responsibility over the Planning, Finance, ParaTransit Operations, and Fixed Route Operations. The Transit Chief played a lead role in contract oversight as the fixed-route portion was operated by TransDev North America. All departments and contract operations combined, this position directly oversees roughly 100 employees and a transportation agency operating budget of \$30 million with a fleet size of 180 total vehicles.

Position also serves an oversight and advisory role whereby providing oversight of Washington Metro Area Transit Authority (WMATA) services within the confines of greater Prince George's County. The latter translates to management and oversight of an additional supplementary State budget varying between \$200 million and \$300 million depending on jurisdictional subsidy contribution by the Maryland Department of Transportation (MDOT).

SELECTED ACCOMPLISHMENTS:

- **Successful procurement, negotiation, and contract to NextBus** in an effort to streamline operating vendor accountability on OTP and various other KPIs.
- **Reduced excess costs** through attainment and internalization of tasks such as National Transit Database (NTD) yearly surveys, general customer surveys, and marketing.
- **Began route evaluations** to determine appropriate headways and adherences for a variety of routes including the preservation of WMATA service lines within County borders for future Transit Oriented Development (TOD).

Job Questions

City Manager 2019 |

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	The City Manager is the bridge between the Mayor and Council and the City departments, their leads and employees and also the citizens. Their job is to see the policies of the governing body executed through the City Code. They also serve as a conduit between the municipality and the county as well as the state legislature itself. They will work with Federal and State agencies to ensure that regulations regarding the operation of a municipality are followed. In order to achieve those goals the manager has to be able to work with all parties involved in a way that ensures issue resolution as a positive experience.	
Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	The town I live in sits on The Turkey River and has over the last 20 years seen an abnormally high amount of flooding. After the floods of 2016 4 families' homes were devastated beyond repair. I worked with FEMA through their Home Buyout Program and secured federal funding to pay those families pre-flood value on all of their properties. This saved them from financial ruin. The town I am Mayor of is small and our staff is very limited so I undertook the entire project on my own as Mayor. This included	

the paperwork, site visits, coordination and implementation of home inspections, acquisition, pre-demolition certification, demolition, final site prep and preservation. People are strong and can endure anything, it is important to be there to shore up that strength. The communities we live in become more than just houses and property, they become a symbol of who we are. As leaders we are looked to to build those reinforcements.

As the Manager I would want to make sure that my personal opinions always take a back seat when dealing with policies. First I would want to ensure that the policy did not violate an existing city, state or federal law or policy, I would also want to make sure that its implementation would not put The City at any enhanced risk of legal exposure. I would also want to make sure that the new policy was enforceable given the current city resources and departments. If it met all those standards I would feel I could interject my personal opinion as a resident of the town that I also work for, but only in a way that the City would allow any other citizen to voice theirs. If it passed, I would see its enforcement as I would any other policy passed by the City Council. My personal feelings would not interfere with my duty.

Leadership requires relationship building. It is important for the people that you interact with to feel confident in your ability to make decisions and lead them. Those relationships are built through acting with integrity, respect and compassion. Leadership also requires strength to remain disciplined to ensure that you apply those traits, make decisions and lead. I believe in leaving it better than you found it, ensuring forward progress in an effective and compassionate manner.

In all my years of acting as Mayor I believe I bring experience in each of the criteria listed in the job description. As the Mayor of a small town with very limited human resources I take on the responsibilities listed, and have much experience dealing with city

A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

What is your leadership philosophy? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

In reviewing the job description, please highlight areas you bring particular experience. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate

functions from good times to times of emergency operations and recovery. I would be very happy to go into detail regarding my experience in each of these criteria in an interview or phone conference with you.

July 31 , 2017-August 1 , 2019

City Manager

Managed a full-service City with a budget of \$14 Million in 2019 and approximately 50 employees. There were five different bargaining unit contracts I was responsible for managing. Worked with multiple lawsuits filed by former City Commissioner the City was engaged in, working closely with the legal team.

Community with public electric utility : worked with substation projects, line upgrades, rates, and policy development as it applies to electric customers. Worked with energy efficiency projects with local businesses. Worked on a \$4.7 million bonding infrastructure project, the largest project in recent history for the community. Worked closely with engineers, financial advisors, bond counsel, appointed and elected officials. Implemented paperless board packet process and policy utilizing the iPad. Union environment with five contracts. Experience with meditation, grievances and negotiations.

Drafted with the City Commission Michigan PA 202 Corrective Action Plan for OPEB and Pension Liability reforming OPEB to meet state mandate and GASB guidelines for pension liability within five years being funding more than 60%.

Implemented long-range capital plan developed with elected, appointed officials, and public input. Prior to my appoint no such policy existed. Auction off surplus property via online auction sites resulting in over \$30 ,000 in revenue in my first year as City Manager. Additional assets auctioned off yielded even more revenue.

City of Amery, WI June 15 , 2008-March 1 , 2017

City Administrator/Zoning Administrator

Turned around City's financial troubles from a deficit situation in 2008 to a positive fund balance in 2017 along with an A bond rating for a community that never had a bond rating before. Community Leader involved in many unique and innovative projects that improved the organization and the community. Key role in a variety of economic development projects over my tenure. Administered complex human resources issues that required a great deal of skill and leadership. Started City's Facebook and YouTube social media presence.

Responsible for the debt issuance process and management. Managed City of Amery refinancing of \$3.8 Million in debt with a cost savings of \$225 ,000 over the next ten years.

Pivotal role in the development of a \$3.5 Million Memory Care Facility in downtown Amery. Negotiated complex developer's agreement and created 30 new jobs, involved in two \$1.5 million local food restaurant food hub and local food institute projects. All projects were in the downtown district.

Created a management analyst position to work on special projects with initial position funded through an agreement with Amery Regional Medical to work on projects that were of interest to both organizations.

Produced budget document designed to show the City's plan and goals for the community in financial terms.

Collaborated with the Council to create a community that was inviting to developers, to foster economic development projects. Flexibility was the key and proper utilization of TIF incentives.

Worked with Fire Department, Community Stake Holders, and City and Town Officials to fund and purchase a rescue airboat for the fire department. Principle in \$200k Trailhead Pavilion Project, park walkway along Apple River, and many more park improvements. Mayor Karuschak and I raised \$100K in three months for the trailhead project using traditional fundraising practices.

Implemented digital board packets utilizing iPads, saving not only paper but staff time in putting packets together for meetings.

Successful in negotiated police contract with WPPA right before leaving Amery that officers would pay all their portion WRS within five years in a phased-in approach.

Managed complex human resources issues with staff at all levels. Examples include police chief being arrested for drunk driving, firing of poor performing clerk-treasurer, and hiring an assistant police chief.

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	<p>Here are the five most essential elements of the City Manager position. 1. Council-Manager Relations: Working with the Mayor and City Council keeping them up to date on projects and organizational issues/needs. Development of a relationship with the board, to build a relationship of trust. 2. Leading the City Management Team 3. Managing the administrative functions of the City of Homer. 4. Keep up with the best practices in local government management. 5. Work with local government agencies and keep apprised of legislative impacts that affect the City and its operations.</p> <p>I believe over my 18 years of experience in city management; I have a wide range of skills and abilities working with all aspects of local government in several states. I also feel my experience has been primarily in rural communities as my most recent position with the City of Gladstone is located in the Upper Peninsula of Michigan which very rural and depends heavily on tourism as a primary source of local revenue. As I review my career in local government management, I feel the following four accomplishments I am most proud of. 1. Development of a new logo for the City of Amery, Wisconsin, revamping the old logo that had been in place since the 1950s. Worked with a logo committee made up of stakeholders along with City Staff and City Council. 2. Reforming the City of Gladstone's pension liability and stabilizing the cost to provide retiree health care. This was accomplished utilizing the Public Act</p>

1. I have 18 years' experience only in city management in rural communities. My educational background is a Master's in Public Administration, and I am a certified public manager. While in Texas, I was involved with training in emergency management. 2. The last community I served was on the coast of Lake Michigan, with a recreational harbor. 3. My experience working with water and sewer utilities is extensive. This experience includes treatment plant upgrades, water distribution upgrades, and capital planning for future needs of the utilities. I also have worked with setting rates and rate studies. 4. As you will see in my resume, I have direct experience working with paid-on-call fire departments. 5. Working with planning and zoning administration was a primary duty in my role as City Administrator in Amery, Wisconsin, for almost nine years, I serve that community. 6. Human Resource Management is one of expertise along with finance and budgeting. I understand the difficulty of recruiting staff in a rural community. In Amery and Gladstone, I

worked with the management team and board in the development of a Capital Improvement Plan (CIP). 7. Eighteen years of experience working with boards, commission and elected officials.

Homer City Hall
Attn. Mayor and City Council
491 East Pioneer Ave
Homer, AK 99603

Dear Mayor and City Council:

As an innovative public manager with a successful career in government, I am ready to be a leader with the City of Homer as its next City Manager. My 18 years' experience only working as a rural public manager aligns well with the qualifications for the position. Being employed as a public manager throughout my career, I performed executive and administrative work as the chief administrative officer serving the organization, as well as the community.

In my most recent position as City Manager of Gladstone, MI, I revamped the budget process and led negotiating a settlement agreement that ended five lawsuits from a former City Commissioner, saving the City \$250,000 in legal fees. As Gladstone's Manager, I was successful in the implementation of a long-range capital plan and financial balance policies that were intended to help guide the City into a bright and prosperous future.

Also, as City Manager of Gladstone, I led the City Commission and Downtown Development Authority (DDA) through the process of implementing the \$4.7 million, 9th Street infrastructure project. The 9th St. Project is a total reconstruction of streets and infrastructure in the heart of Gladstone funded by bond proceeds, fund balances, special assessments, utilization of budgeted funds, and annual TIF contributions by the DDA. This is possibly the most challenging project of my career. Working with two boards in a community that had not done a project of this type, I utilized my background in municipal finance to educate the policymakers and the community on bonding. This project required me to perform complex funding models with the City's financial advisors, R.W. Baird, to provide the boards with the information they needed to make the project move forward.

As the City Administrator and Community Leader in Amery, for eight-plus years, I took the organization financially from a deficit budget to a positive fund balance in 2016. Furthermore, during my tenure with the City of Amery, the City received an A+ Bond rating for an organization that had never been rated before. The S&P provided a statement that "Amery's budgetary flexibility is very strong, in our view, with an available fund balance in the fiscal year 2014 of 19% of operating expenditures." I feel my excellent financial management of the City of Amery provides me with the skills and experience you are looking for in a City Manager.

My resume and supplemental information submitted for the opening will provide you with more details on my financial management background and experience. In addition to my experience and personal qualities, I have a passion for local government that I will impart on the organization. I am a high-energy, driven public manager who is not afraid to try new ideas and encourage my staff to strive to improve their departments for a better community.

City of Amery, WI

June 15, 2008-March 1, 2017

City Administrator/Zoning Administrator

Darcy D. Long, MPA, CPM

Turned around City's financial troubles from a deficit situation in 2008 to a positive fund balance in 2017 along with an A+ bond rating for a community that never had a bond rating before. Community Leader involved in many unique and innovative projects that improved the organization and the community. Key role in a variety of economic development projects over my tenure. Administered complex human resources issues that required a great deal of skill and leadership. Started City's Facebook and YouTube social media presence.

- Responsible for the debt issuance process and management. Managed City of Amery refinancing of \$3.8 Million in debt with a cost savings of \$225,000 over the next ten years.
- Pivotal role in the development of a \$3.5 Million Memory Care Facility in downtown Amery. Negotiated complex developer's agreement and created 30 new jobs, involved in two \$1.5 million local food restaurant food hub and local food institute projects. All projects were in the downtown district.
- Created a management analyst position to work on special projects with initial position funded through an agreement with Amery Regional Medical to work on projects that were of interest to both organizations.
- Produced budget document designed to show the City's plan and goals for the community in financial terms.
- Collaborated with the Council to create a community that was inviting to developers, to foster economic development projects. Flexibility was the key and proper utilization of TIF incentives.
- Worked with Fire Department, Community Stake Holders, and City and Town Officials to fund and purchase a rescue airboat for the fire department.
- Principle in \$200k Trailhead Pavilion Project, park walkway along Apple River, and many more park improvements. Mayor Karuschak and I raised \$100K in three months for the trailhead project using traditional fundraising practices.
- Implemented digital board packets utilizing iPads, saving not only paper but staff time in putting packets together for meetings.
- Successful in negotiated police contract with WPPA right before leaving Amery that officers would pay all their portion WRS within five years in a phased-in approach.
- Managed complex human resources issues with staff at all levels. Examples include police chief being arrested for drunk driving, firing of poor performing clerk-treasurer, and hiring an assistant police chief.

To Whom It May Concern,

I am writing to express my interest in the City Manager position for Homer, Alaska. I am an executive level leader with 15 years of government administration in addition to private sector experience providing insightful and energetic ability to manage, analyze, implement and lead local government operations, economic development, contract and project management with an eye for increasing efficiencies and promoting productive public information and involvement. Key qualifications and characteristics include:

- Thrive on developing and using teamwork to meet the organization's mission and goals.
- Successfully established/implemented budgets, projects, contract/consultant management and strategic plans as well as publications to build understanding and collaboration with inter-governmental partners, stakeholders and citizens.
- Expert communicator, presenter and facilitator with proven ability to develop strong customer/citizen and employee relationships.

My professional experience is broad. My experience as an elected official in local government, local government manager, administrative positions at the city, state and federal levels of government in addition to a small business woman and one providing consultant services for local government provides me a unique 360-perspective. Leading and training teams both paid and volunteer, in a collaborative environment, I have a proven ability to analyze and create targeted strategies to increase efficiencies and productivity. Driving budgets, project management, economic development, HR and government processes, I have researched, written, organized and implemented a broad variety of budgets, projects, policy and procedures, legislative briefs, communication documents, plans and tools.

Selected accomplishments include:

- Functioning as a County Administrator, managing county budget of \$170 million with 1450 employees, managing department heads with direct oversight of county road and bridge department and planning and

development.

☒ Facilities/Project Mgmt. - Successfully managed and directed capital improvement and county bond projects from the planning and development stages, design and construction, and completion including the opening of a county government facility. Impact: County government center in a strategic geographical location providing convenient and accessible government services for area citizens.

☒ Economic Development - Represented, partnered and negotiated all Denton County, Pct. 1 economic development activities (recruitment, retention, incentives) and as the Assistant Exec. Dir of Dayton Community Development Corporation assisted in budget development, Industrial, Commercial and Retail development, BRE functions and community development: our team recently obtained a \$4.8 million dollar grant from EDA for a project.

☒ HR - All HR responsibilities for teams from 5 - 1450 employees as well as policy oversight: including research, SWOT analysis, developing recommendations for City of Alvin HR function and performance improvements, reviewed, updated Personnel Policy as well as Performance & Evaluations, Recruitment & Selection policies for several entities.

☒ Transportation/Project Mgmt. - Successful multi-jurisdictional (TxDOT, NTTA and cities along the corridor) contract and consultant management of major east/west transportation facility through planning, design, environment/right-of-way and construction (Lewisville Lake Toll Bridge/FM 720 project)

☒ Emergency Management - Served on emergency management teams in multiple emergencies including snow and ice, grant processing in Harvey aftermath, public information of contra-flow lanes, housing displaced victims of Hurricane Katrina and Hurricane Ike, development of emergency management plans for livestock and large animals, participating in county-wide emergency management drills; NIMS Training.

☒ Multi-jurisdictional Collaboration - The visioning and formation of a regional coalition made up of area city elected officials, city staff, developers, and citizens designed to network and generate administrative, legislative and policy solutions on common issues and challenges of growth and development in unincorporated areas and ETJ areas

☒ Public Works - Successfully researched, garnering Commissioner Court approval, and transitioned from a Superintendent system of county road and bridge management to Ex-Officio Commissioner county road and bridge management system with statutory authority and direct oversight of Pct. 1 Denton County Road and Bridge operations including a \$8 million dollar budget, 400 miles of county road and 40 Road & Bridge employees.

☒ Partnerships/Collaboration - Researched, analyzed and implemented several innovative solutions to county road and bridge challenges including a partnership with TxDOT to address maintenance in state right-of-way where state and county roads intersected and use of recycled asphalt on county gravel roads to extend time between maintenance.

☒ Partnership/Collaboration - Collaboration with multiple regional stakeholders creating strategic plan for legislative agenda including lobbying efforts and policy recommendations (transportation issues).

☒ Strategic Planning/Implementation - Initiating and creating

multiple best practices for strategic communications including strategic plans, press events, crisis communication, social media, newsletters and employee training modules.

I have also served on the City of Lewisville's (TX) P&Z Commission and Board of Adjustments as well as subsequent service as a Council Member and Deputy Mayor Pro-Tem.

Thank you for your time and consideration of my résumé. My salary requirements are negotiable. Please feel free to call me at 972.989.6786.

Sincerely,

Cynthia Northrop

success. Included in that is the ability to build relationships with diverse stakeholders, organization, budgeting and team building.

I've achieved many accomplishments but am a firm believer that while the leader is important and facilitates the team as they work together to implement solutions and projects, fostering an environment where each team members can operate to their fullest potential is my greatest accomplishments. One such example of this was the visioning and formation of a regional coalition made up of area city elected officials, city staff, developers, and citizens designed to network and generate administrative, legislative and policy solutions on common issues and challenges of growth and development in unincorporated areas and ETJ areas.

First, I believe my role as a city administrator is to provide professional advice, facilitate conversations and implement the vision, goal and policies of the Council. So in this instance, assuming I've already provided my professional recommendation, as well as other options, and the rationale thereof, I would ensure my understanding of the Council's directive and proceed to implement it as directed.

I subscribe to servant leadership approach to management as well as situational leadership. What I mean by that is that everyone is different; possessing various perspectives, opinions, personalities, etc. My goal is to understand and listen to people, ascertain to the best of my ability their perspective and personality and seek to communicate with them in ways they can understand and receive. I also believe it is extremely important to be clear in expectations and understand roles and responsibilities internally and externally in order to cultivate a culture of excellence.

With 15 yrs of government and managing teams from 5 - 1450 and budgets from \$1.6 million to \$170 million, I bring a deep and

Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

As Mt. Juliet's City Manager, a Nashville suburb, I partnered with local officials to capitalize on the "Music City" brand, with the most notable product as creation of Tennessee's only commuter rail line, the Music City Star. The Star, which operates between downtown Nashville and Mt. Juliet, has been a social and economic spearhead instrumental in transforming commuter options, creating a new tourist-based industry, and driving economic development outcomes along the line. Then and even now, nearly 9 years after I left Mt. Juliet, the Star continues to exceed every forecast. Closer to Homer, while serving as City Manager of Cordova, the jewel of Prince William Sound, I and my team completed construction and opened the near decade old planned Cordova Center. As the leaders of Homer likely know, Cordova is one of the top commercial fishing ports in the United States and is an economic engine for South Central Alaska. Mired in years of contractual disputes, litigation and an overall sense of community lethargy, as Manager, I, with the backing and assistance of a wise Council and lots of other professionals, worked our way through the stalled contracts and litigation, built a rock solid funding campaign with the assistance of the

Rasmussen Foundation, and complete the \$35m, multi-use Cordova Center. Despite the City's recent fiscal challenges that are largely associated with the AMHS, the Center itself has proven to be an unparalleled community and tourist attraction.

A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? * (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

Once the Council has decided, I, as City Manager, am chartered to implement their guidance and direction. In my opinion, at that time that mandate includes providing full-throated support to provide a level of success to the outcome. However, it is also my charter, as the professional the Council hired me to be, until a Council directed decision has been made, to provide each of them with my full, unbiased professional assessment. That usually does not frequently happen, but it can and does. When it happens, a good, professional City Manager understands her or his duty to provide Council with the pros and cons of an issue. It's that Manager, the one who has actively engaged Council throughout the decision making process, who has the institutional experience to be a champion of policies or procedures they may not agree with, that is successfully serving their political master's. They are the ones who work to identify and develop possible compromises. They are also the community's foremost educators. As reflected, there are issues where there's a gap between the Council and CM, but a professional manager understands the Council makes the decisions, and unless their actions are illegal or unethical, he or she works with them to ensure success.

What is your leadership philosophy? * (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

Lead from the front with honesty and integrity. Be actively engaged, inquisitive and learning oriented. Take prudent risks but be zealous in communications; both up, down and outside the organization. In my opinion, the number one job of a leader is to grow people of integrity and imbue them with professional skills where they can be valuable to others. Without people there would be no organization. Growing people means encouraging personal development, challenging them with stretch goals or assignments, recognizing that without some

risk taking there will be little to no rewards, and then acknowledging and rewarding accomplishment. Understand that we all learn from mistakes. My goal as a leader is that in most instances the people who work for and with me start the day anxious and excited about the challenging and opportunities that may come arise. My goal is to capitalize on that and not fill them with angst and dread. While that doesn't occur each and every day, the vision should, in my opinion, have a desire that those who I lead are looking forward to the possibilities and challenges of the job; and not focused on the minutia. Again, that's a goal, but it's what I believe we all look towards in our lives and in our careers. To a large measure that's what the concept of being a selfless public servant is about.

- An enormous breath of City management experience, much of it from rural Alaska.
- A spouse who is totally supportive and loves life in rural Alaska. She is also a retired U.S. Army Nurse Corp officer who has successfully held very senior nursing jobs and would welcome the same in Homer. She is now a nurse at the Baltimore VA.
- Extraordinary accomplishments as a City Manager and as a volunteer in community organizations.
- Works well with people to get things done.
- Teaches organizational behavior in an MBA program and applies theory to practice.
- Grows communities. Understands and has exhibited what it should mean to be a selfless public servant and work with the public funds to make them count.
- Is accountable. Has led from the front from the first day as a Second Lieutenant and continues to do the same today.
- Seeks to mentor others.
- Experienced in port operations and management. Understands the fishing and tourist communities and their impact on the city and its overall quality of life.
- Understands the Council is elected and accountable to the citizens and works to make them successful.

operations and directs the community in accordance to the approved long-term strategic/comprehensive plan elements. And most importantly, the manager serves as an information conduit and leads by example.

I not only meet, but I exceed all of the set education and experience criteria of this recruitment. I have past Alaska based City Manager experience in a first class common law municipality and I have served in communities with over 8,700 citizens, 4,100 utility accounts, operating budgets in excess of \$24 million in general fund, and I am NIMS (National Incident Management System) certified. Economic Development is my personal passion and a great share of my experience has been in communities with tourism-focused economy.

As mentioned above, a City Manager is a strategic advisor to the City council and has no authority to make policy; that right is solely vested with the City Council. As the policy advisor, the manager must present a balanced synopsis of the policy; he/she must outline a variety of options, and ultimately offer a "staff recommendation" for Council to consider. Once the policy is enacted, the City Manager's duty is to implement it using the best practices and appropriate amount of resources.

I follow the participatory model of leadership that focuses on stakeholder empowerment and delegation of duty/authority in an open door setting. I encourage innovation, teamwork, and clear/open communication.

the combination of my private sector (17 years) and public-sector (24+ years) experience gives me a unique advantage to see issues from multiple perspectives which will allow me to be a better servant not only to the City council but your community partners and other stakeholders outside the municipal boundary. My past experience in serving tribal communities, will also enable me to be a better advocate for the Homer community. And lastly, I see this as another opportunity to continue to bring long-term economical

enhancements and outcomes to the Homer community.

Dear Sirs,

I am responding to the City Manager recruitment. I am a local government generalist with 24 years of service to full-service local and tribal governments in a senior management level capacity, and I have past Alaska based, first class general law city management experience. I am available for an immediate deployment and would very much like to explore this opportunity and the ways I can fill the specific position and your organizational needs for the coming 4-6 year span.

I have over seventeen years private sector customer service and operations management background and an additional twenty four years of public sector hands-on experience in all facets of municipal/tribal government operations. My efforts include the coordination of interdepartmental issues and their operating budgets, personnel management in collective bargaining setting, enterprise – water, waste water, solid waste, electric, gas, port/airport/harbor and municipal liquor store- operations, grant writing and management, coordination of comprehensive planning, zoning and economic development, strategic planning and being responsible for legislative and intergovernmental relations.

My public sector work experience has primarily focused on fiscal and budget operations. I started as a Budget Technician (Yakama Indian Nation) and soon progressed to a Finance Director of a tribal government (Makah Tribal Government). I managed multi-million dollar grant and contract portfolios and general fund operating budgets in excess of \$24 million. From there I branched into internal auditing of a tribal gaming and resort operations (Wildhorse Gaming Resort). The resort employed over 450 tribal members and had an annual cash flow of \$176 million. Most recently, my employment focus has been in short-term and/or interim-placement assignments ranging from development of the operating budget onto managing municipal operation units for a full-service city.

I am a firm believer in the life-long-learning philosophy. Currently I am working to complete two certification programs: first, "Certified Economic Developer" (CEcD – offered by the International Economic Development Council) and; second, "Certified Economic Development Finance Professional" (EDFP – offered by the National Development Council). I am also a candidate for the ICMA Credentialed Manager designation and I received my National Incident Management System (NIMS) certification from NC in 2015.

From my résumé, you will see that I have a broad exposure to public sector service delivery issues and providing staff support to citizens, appointed and elected officials and conducting the necessary information research on agenda and staff report items.

I urge you to consider my qualifications.

Sincerely,

Harry A. Staven

November 10, 2019

Dear Sir/Madam;

I have recently had the opportunity to work closely with Harry Staven in his capacity as the Gold Hill City Manager. I served as the city's *Interim City Manager* prior to hiring Harry, and I worked closely with him both during our transition and in the months since he took over. His professionalism and dedication to the job allowed him to quickly grasp our admittedly chaotic municipal software. He quickly brought order to our staffing and established warm working relationships with our various civic organizations.

I have held multiple offices here in Gold Hill; Councilor, Parks Director, Mayor and Interim City Manager. I have worked with several prior City Managers and I can say without hesitation that Harry had the best overall grasp of the complexities of the position. Should your city be looking for an individual with the capabilities and experience to successfully move you forward, I wholeheartedly recommend Harry Staven for your consideration. I believe that you will find his disposition well suited to the demands of the position, proof of which was in full display at a recent meeting where our residents spoke loudly in favor of Mr. Staven's performance.

Given the complexities facing him as our City Manager, I was impressed with his ability to prioritize and maintain clear communication with all parties involved.

Sincerely,

A handwritten signature in blue ink that reads "Robert Lowe".

City Manager

City of Unalakleet, Alaska
City of Saint Mary's, Alaska

September 9, 2019 – January 17, 2020
January 2012 – March 2016

As the Chief Administrative Officer in a Council-Manager form of government, managed daily operations in providing city services to residents in the community. Led and supervised department directors and administration staff. Served as the personnel officer of the city, responsible for hiring, performance evaluation, and termination of employees. Enforced city ordinances and resolutions passed by the City Council and carried out directives of the City Council. Provided monthly written reports to the City Council on city finances, operations, and updated information, plan of action or actions taken on directives given. Prepared and executed the approved city budget. Worked with state and federal agencies in implementing, reporting on project progress, completing and closing grant funded projects. Monitored water level and water test results provided by Public Works Director and communicated with Village Safe Water (VSW) and Department of Environmental Conservation (DEC) Clean Water Department to ensure safe water use during a two- week period of Boil Water Notice (BWN). A challenging situation that city staff overcame by continually working together to help resolve the situation while working in a harsh sub-zero environment.

Successfully managed gravel pit operations during my tenure as City Manager in Saint Mary's. Responsible for gravel production, sales contract and negotiations, personnel, and maintenance of machinery and heavy equipment.

Performed all other duties necessary to effectively and efficiently perform my duties and responsibilities as a leader, listening and responding to community member's concerns, and all other duties as assigned by the City Council.

City Manager 2019 |

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	Integrity, ethics, dedication and enthusiasm are the most important elements of the City Manager position.	
Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	When I assumed my role as Associate Administrator for Business and Finance Development with the U.S. Department of Transportation, Maritime Administration, there had not been anyone full-time in that role for over two years. The former A.A. had retired and the man they hired for the position left after only a few weeks. When I began morale was very low and productivity was declining. I had over sixty people under me in five different offices. My goal was to significantly improve morale quickly and improve productivity. I immediately started holding twice monthly department meetings as well as weekly meetings with the head of each office. I promoted a few individuals and filled most vacancies as quickly as I could. Within a short period morale and productivity increased. I used the individual approach to get to know the staff. All of these efforts	

worked.

A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

I would discuss this with the Council members (individually or at a meeting depending on the situation). I would discuss my opinion with them. My position requires me to follow their policies but I would make my opinions known to them and try to discuss and alter their vote if possible,

What is your leadership philosophy? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

I lead by example. I show the highest levels of dedication, enthusiasm, ethics and integrity.

In reviewing the job description, please highlight areas you bring particular experience. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

I bring a diverse twenty-five+ year career in public sector finance and executive management. I am uniquely qualified.

Applicant Statement

I certify the information provided in my application and resume (if attached) is true and complete to the best of my knowledge.

I expressly authorize, without reservation, the employer, its representatives, employees or agents to contact and obtain information from all references (personal and professional), employers, public agencies, licensing authorities and educational institutions and to otherwise verify the accuracy of all information provided by me in this application, resume or job interview. I hereby waive any and all rights and claims I may have regarding the employer, its agents, employees or representatives, for seeking, gathering and using truthful and non-defamatory information, in a lawful manner, in the employment process and all other persons, corporations or organizations for furnishing such information about me.

I understand that the City of Homer does not unlawfully discriminate in employment and no question on this application is used for the purpose of limiting or eliminating any applicant from consideration for employment on any basis prohibited by applicable local, state or federal law.

This application for employment shall be considered active for a period of time not to exceed one year. If the applicant is not selected for this position they must submit a new application for consideration for other positions that may be advertised.

I also understand that if I am hired, I will be required to provide proof of identity and legal authorization to work in the United States and the federal immigration laws require me to complete an I-9 Form in this regard.

The City of Homer does not tolerate unlawful discrimination in its employment practices. No questions on this application is used for the purpose of limiting or excluding an applicant from consideration for employment on the basis of his or her sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status under applicable federal, state, or local law. The City of Homer likewise does not tolerate harassment based on sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status. Examples of prohibited harassment include, but are not limited to, unwelcome physical contact, offensive gestures, unwelcome comments, jokes, epithets, threats, insults, name-calling, negative

stereotyping, possession or display of derogatory pictures or other graphic materials, and any other words or conduct that demean, stigmatize, intimidate, or single out a person because of his/her membership in a protected category. Harassment of our employees is strictly prohibited whether it is committed by a manager, coworker, subordinate, or non-employee (such as a vendor or customer). The city of Homer takes all complaints of harassment seriously and all complaints will be investigated promptly and thoroughly.

In the event of employment, I understand that false or misleading information given in my application, resume (if attached) or interview(s) may result in discharge. I understand, also, that I am required to abide by all rules and regulations of the City of Homer.

DO NOT SIGN UNTIL YOU HAVE READ THE ABOVE APPLICANT STATEMENT. I certify that I have read, fully understand and accept all terms of the foregoing Applicant Statement. Please type your name below to confirm that you have read and accept this Applicant Statement.

☒ I agree to the above.

Andrea Browning
Director of Human Resources
City of Homer
491 East Pioneer Avenue
Homer, Alaska 99603

Dear Ms. Browning:

I would like to apply for the City Manager position with the City of Homer, as posted on the City's and on the GovHR USA web sites. Attached are my resume and a list of professional references. I can send a sample of my writing upon request.

As you will note, my entire career has been in public sector and not-for-profit finance and executive management. After my economics and urban studies education at Hampshire College, I received my Master of Business Administration from the Boston University Graduate School of Management with a concentration in finance. My first professional position was Senior Financial Analyst with the Office of the Finance Director/Treasurer/Tax Collector of the City of Boston. From there I was Capital Finance Manager at the Commonwealth of Massachusetts Department of Revenue, Division of Local Services. I then spent more than twelve years as Executive Director of the New Hampshire Municipal Bond Bank. (I recall that the New Hampshire Bond Bank is similar in structure to the Alaska Bond Bank.) In that role I was responsible for financing public improvements statewide and also I advised municipalities on budgeting, capital planning, capital budgeting and debt issuance and management.

My next role was Treasurer of the New York City Municipal Water Finance Authority. I was responsible for the investment of funds and a \$15 billion debt program that was growing by \$2 billion per year. I then joined a small investment bank/financial advisory firm (NW Financial) in which my primary focus was an international practice in environmental infrastructure development (water, sewer and landfill). I next was Director of Finance of the Transportation Corridor Agencies, a toll road authority in Orange County, California. My most recent role was Associate Administrator for Business and Finance Development with the U.S. Department of Transportation's Maritime Administration (salary over \$166,100). The position was part of the Senior Executive Service (S.E.S.) of the Federal Government. I managed five offices with over sixty employees. I left that role in 2013 in order to pursue real estate investments full-time. I have invested personal, family and investor's funds in real estate successfully since 1998. Although it has been financially rewarding, I have decided that I will return to my career for many more years. I am planning on making a 10+ year commitment to my next opportunity.

I spent some time a few years ago traveling throughout Alaska. I visited Anchorage, Tok, Beaver Creek, Yukon, Fairbanks, Denali National Park, Seward and Juneau. I would gladly relocate to Homer for this opportunity.

I have always operated with the highest degree of integrity, ethics and transparency and I would continue that in Homer.

I would like to point out that my position with the federal government was part of the Senior Executive Service (S.E.S.), 0.75% of federal career employees. Rigorous screening is required before being admitted to the S.E.S. The concept behind S.E.S. is that its members can be transferred with minimal notice to any high-level management position within the federal government that does not require a medical, law or highly specialized degree. With my management and financial background I would be able to easily make the transition to Homer.

I have a great deal of experience in strategic planning, operating budgets (including zero-based budgets and budgeting during financially challenging times), capital planning and budgeting, debt issuance and management, tax and revenue collection, the bond/credit rating process, investments, human resources, managing change, improving morale, leading by example, short- and long-term financial modeling, facilities management, information technology, insurance and risk management, policy, strategic planning, and innovative management and planning within a diverse and inclusive environment.

If you have any questions, please call me at 603-496-4987. Thank you for your consideration and I look forward to hearing from you.

Sincerely,

George M. Zoukee

Dear George:

We would like to express our deep gratitude for your work in support of New Hampshire school districts and to wish you success in your future career in New York. Your tireless efforts to help school districts obtain the best financing for their capital projects has had a tremendous impact on the lives of New Hampshire's children. The results of your work will continue to be experienced by thousands of children for many years to come.

It has been a great pleasure to work with you. Your willingness to share your expertise above and beyond what is required reflects great credit upon you and the Municipal Bond Bank. You have set the standard by which all future directors of the bank will be measured.

Thank you once again, and best wishes in all your future endeavors.

important. Listening to others allows me to come up with many different ideas.

I have been involved in the annexation of 15,000 acres of land. I procured Lake Michigan water for the Village of New Lenox, IL. I also suggested a community meeting for the Village of Manhattan regarding a proposed large residential development. Thankfully it did not proceed.

Even though it is very difficult to disagree with elected officials on different matters, it is always best to be honest. I would be honest and provide all of my thoughts on this matter.

I am a team leader and a team player. I always listen to other peoples thoughts. It brings many more ideas to me. That is true for all of us.

I have managed many people and many projects. I have diverse experience in business, government, legal and "not-for-profit" matters. If I do not know about a certain matter, then I immediately reach out to others to best understand the issue. I am a very engaging and outgoing person who loves to interact with everyone.

Mr. Ken Castner, Mayor
City of Homer
491 East Pioneer Avenue
Homer, AK 99603

Dear Mayor Castner:

I am very interested in becoming the next City Manager of your beautiful outdoor community of Homer, AK. I believe that my background is a match with all of Homer's stated needs. I have attached my resume that will furnish you with an overview of my education, professional career and qualifications along with my professional references.

My background includes over twenty years of diverse experience in the government, municipal, non-profit and private sectors. I have a consistent record of success, serving as a top government, municipal and legal consultant, association executive and as Managing Partner of Spesia, Ayers & Ardaugh, a private law firm serving governmental/municipal entities, not-for-profits/associations, corporations and individuals at the local, state and national levels.

My expertise includes administration, budgeting, community development, contracts, customer service, economic development, employee/staff relations, financial management, grants, human resources, intergovernmental relations, land use, municipal operations, negotiations, personnel/project management, planning, policies/procedures, purchasing, zoning and structuring long-term organizational objectives and fostering long-term professional relationships with government officials and high-profile business partners. My strengths are in multi-tasking and effectively managing people and projects in fast-paced dynamic environments with a strong desire and record of making significant changes and improvements. I am highly regarded for serving as a liaison and leading cross-functional teams. I also possess a considerable network of established contacts and strategic business allies and have a strong reputation as a respected advocate amongst my peers.

Comfortable in a well-defined hierarchical reporting structure, I also possess vast leadership experience within governmental, civic, philanthropic and community organizations/associations and have led these organizations to meet and/or exceed all of their goals for organizational excellence and financial responsibility. I am a team leader and team player with a team-oriented management style that effectively communicates and builds consensus, thereby creating a team environment. I attribute my success to my impeccable work ethic founded on the principles of diligence, drive and tenacity. My education includes a Bachelor of Science Degree in Business Administration and Marketing from Illinois State University where I was a Robert G. Bone Scholar Nominee as well as a Juris Doctor, with Distinction, from The John Marshall Law School.

Key skills include:

- Exceptional interpersonal, verbal and written communication skills with a very approachable, direct, flexible and positive communication/management style and experience working on complex municipal issues including drafting, negotiating, researching, reviewing and leading the administration of numerous agendas, contracts, legislation and policies such as annexation, boundary, collective bargaining, development/redevelopment, economic development, employment and intergovernmental agreements.
- Serving as the leader/primary spokesperson with strong oral presentation skills who is an excellent communicator and a good listener who leads by example for many different organizations, working directly with key contacts and effectively managing contract professionals, outside counsel and staff personnel handling diverse engagements in a very friendly, open, personable and professional manner who builds collaborative relationships and agreements with all neighboring governmental entities.
- Progressive executive level experience with proven success in budget development/administration, citizen engagement, conflict resolution, customer service, economic development, government relations, negotiations, personnel management, public relations, staff development and succession planning.
- Developed and implemented many successful strategic long-range plans with significant measurable results, by utilizing creative, forward thinking and innovative methodologies in analyzing issues and evaluating/formulating alternative options that result in sound and decisive recommendations.
- Working collaboratively in a very fair, patient and welcoming manner with the business community, contractors, civic/community organizations, elected officials, employees and most importantly with all of the residents within the community, thereby maintaining excellent working relationships and extremely comfortable having a highly visible role in the community.

As set forth on my resume, I have been involved in the governmental/municipal arena for many years. I served communities ranging in size from 2,000 [Village of Rockdale] to 26,000 [Village of New Lenox]. The budgets ranged in size from \$5,000,000.00 to \$47,000,000.00. I assisted the respective Village Managers with any questions, problems and/or concerns that they had with any budget and financial issues. With the smaller communities that I represented I was more involved in the business and economic development opportunities

I am an articulate, creative, energetic, innovative, passionate, personable and a proven leader with a track record of many successful economic development campaigns. I inspire confidence in others and I have an extensive background in municipal government operations and diverse experience interacting with County, State and Federal government officials. I am a people person with a broad base of knowledge outside municipal government. I am confident that I can help make significant contributions to help you, City Council members and the City of Homer in meeting and exceeding all of its goals for economic development, fiscal responsibility, organizational excellence, staff development and building even greater consensus within the community.

I challenge old ideas in a very positive way, inspire many new perspectives and encourage and engage everyone around me. I have a great deal of experience working with elected officials, department heads and staff and I understand when to provide advice and counsel to elected officials on policy matters. I am politically savvy and politically astute. I bring to the table a diverse business and legal background with a solid history of community involvement and I truly enjoy reaching out, meeting and engaging with all community members. I love the outdoors and I would welcome the opportunity to work in an amazing place such as your community of Homer.

I want to become an active member of a highly experienced and professional staff who challenges, encourages and engages all of the residents to consider and develop new and exciting ideas for Homer. I realize that this summary cannot fully communicate all of the benefits that I can provide your City of Homer. I would appreciate speaking with you and the City Council members so that we can discuss all of Homer's goals. Thank you for your time and consideration.

Sincerely,

John R. "Jack" Ardaugh

PROFESSIONAL HIGHLIGHTS

Fahey & Associates Chicago, IL
OF COUNSEL (2011-Present)

Expertly handles a wide variety of contract and employment matters/labor relations, including drafting, negotiating and reviewing contracts as well as the representation of numerous clients in court on litigation. Ensure firm remains in compliance with corporate guidelines, legal mandates and ethical ideals.

- Championed a number of office management initiatives that increased productivity and increased efficiency, thereby allowing for a more streamlined workflow as well as cross-functional transparency.

Spesia, Ayers & Ardaugh Joliet, IL

MANAGING PARTNER/PRINCIPAL (1994-2010); **ASSOCIATE** (1988-1993)

Spearheaded and led the governmental/business practice within the office, developing and maintaining an extensive network of municipal, government, corporate and private contacts. Managed new clients and served as lead attorney and central contact for firm's key clients. Responsible for the preparation and continuous update of standard "boilerplate" language used in all annexation/development agreements drafted internally for municipal clients; many municipal law practitioners subsequently replicated this work.

- Personally procured and managed 75% of the firm's major municipal and governmental clients.

- Spearheaded economic development and legal campaigns for Manhattan, Minooka, New Lenox and Rockdale; instrumental in securing numerous Boundary and Intergovernmental Agreements with neighboring municipalities.

- Negotiated an agreement with a natural gas "peaker plant," resulting in millions of revenue dollars for the Village of Manhattan.

- Played a key role in hiring the Village of Manhattan's first Village Administrator.
- Instrumental in negotiating the Lake Michigan Water agreements for the Village of New Lenox.
- Bond counsel for over \$40M of general obligation, special service and special assessment area bonds.
- Championed the revitalization of the Rockdale Village Code, previously modified in the 1960's.
- Handled the annexation of over 15,000 acres of property; carefully considered, expertly drafted and effectively negotiated the respective contracts.
- Negotiated and thereby secured thousands of acres of property for the Village of New Lenox, covering the I-355 corridor and I-80 interchange, as one of the lead Attorneys in an extremely contentious and lengthy boundary litigation with the City of Joliet.
- Led successful boundary negotiations for the Village of Minooka with the Village of Channahon; annexed thousands of acres of property later developed for both commercial and residential uses.

To whom it may concern,
Please find my resume attached for application to the City Manager position for the City of Homer. I am not a stranger to Alaska, as my nephew is in Beluga, on the west side of the Cook Inlet, and I visit him frequently.

I have considerable experience working with government authorities in stressful situations, having been brought in for "self-criticism sessions" in China on three occasions. I appreciate this opportunity to apply, and look forward to the chance to contribute to the smooth running and overall

good of the City of Homer. Thank you.

Best regards,

George Cowan

Applicant Statement

I certify the information provided in my application and resume (if attached) is true and complete to the best of my knowledge.

I expressly authorize, without reservation, the employer, its representatives, employees or agents to contact and obtain information from all references (personal and professional), employers, public agencies, licensing authorities and educational institutions and to otherwise verify the accuracy of all information provided by me in this application, resume or job interview. I hereby waive any and all rights and claims I may have regarding the employer, its agents, employees or representatives, for seeking, gathering and using truthful and non-defamatory information, in a lawful manner, in the employment process and all other persons, corporations or organizations for furnishing such information about me.

I understand that the City of Homer does not unlawfully discriminate in employment and no question on this application is used for the purpose of limiting or eliminating any applicant from consideration for employment on any basis prohibited by applicable local, state or federal law.

This application for employment shall be considered active for a period of time not to exceed one year. If the applicant is not selected for this position they must submit a new application for consideration for other positions that may be advertised.

I also understand that if I am hired, I will be required to provide proof of identity and legal authorization to work in the United States and the federal immigration laws require me to complete an I-9 Form in this regard.

The City of Homer does not tolerate unlawful discrimination in its employment practices. No questions on this application is used for the purpose of limiting or excluding an applicant from consideration for employment on the basis of his or her sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status under applicable federal, state, or local law. The City of Homer likewise does not tolerate harassment based on sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status. Examples of prohibited harassment include, but are not limited to, unwelcome physical contact, offensive gestures, unwelcome comments, jokes, epithets, threats, insults, name-calling, negative stereotyping, possession or display of derogatory pictures or other graphic materials, and any other words or conduct that demean, stigmatize, intimidate, or single out a person because of his/her membership in a protected category. Harassment of our employees is strictly prohibited whether it is committed by a manager, coworker, subordinate, or non-employee (such as a vendor or customer). The city of Homer takes all complaints of harassment seriously and all complaints will be investigated promptly and thoroughly.

In the event of employment, I understand that false or misleading information given in my application, resume (if attached) or interview(s) may result in discharge. I understand, also, that I am required to abide by all rules and regulations of the City of Homer.

To whom it may concern,
Please find my resume attached for application to the City Manager position for the City of Homer. I am not a stranger to Alaska, as my nephew is in Beluga, on the west side of the Cook Inlet, and I visit him frequently.

I have considerable experience working with government authorities in stressful situations, having been brought in for "self-criticism sessions" in China on three occasions. I appreciate this opportunity to apply, and look forward to the chance to contribute to the smooth running and overall good of the City of Homer. Thank you.

Best regards,

CITY MANAGER CITY OF HOMER ALASKA

December 22, 2019
Homer City Hall
401 East Pioneer Ave.
Homer, AK 99603

Dear Hiring Committee:

As a Counterterrorism Policy and Intelligence Community Executive with over 35 years' U.S. Government experience, and a reputation for directing global initiatives and programs, I'm confident I possess the expertise required to excel in the role of the City Manager. I am now extremely pleased to call Homer my new home and desire to see that it remains a quality place to live for many generations.

Throughout my career, I've demonstrated the agility and leadership required to rapidly respond and adapt to emerging threats and risks. I have successfully led high-profile task forces, departments, and global initiatives to protect United States interests (both domestically and abroad). I'm an effective collaborator and team builder who reliably garners consensus and buy-in among multiple agencies and groups. I am culturally sensitive with a long record of mentoring and counselling individuals to reach their potential. For example:

- Responsible to the President of the United States for the coordination of all U.S. Government efforts and policies to facilitate the safe recovery of American citizens held hostage overseas.
- Successfully Advocated Hostage Policy to Members of Congress and select Congressional Committees.

- Developed and launched the U.S Government's first Hostage Recovery Fusion Cell (HRFC) and handpicked by the White House to serve as the first Deputy Director; established all Standard Operating Procedures (SOPs) that remain in use today.
- Led U.S. Government Strategic Policy development on nuclear related issues, including international Reliable Access to Nuclear Fuel through the International Atomic Energy Agency (IAEA) managed fuel bank and compliance with non-proliferation protocols.
- Developed and executed comprehensive crisis management plans, including deployment of operational and intelligence assets in support of major national and international events.
- Oversaw and managed the U.S. Governments 106 million dollar Technical Cooperation Fund contribution to the United Nations' International Atomic Energy Agency.

Additionally, my Executive experience is complemented by a distinguished military career, a Master of Strategic Studies (National Defense University), and current Top Secret/Sensitive Compartmented Information (TS/SCI) security clearances.

Please see my attached resume for further details about my skills and qualifications. I would welcome the opportunity to meet with you to discuss your needs and answer any questions you may have about my experience.

You can reach me at: (850) 464-3494.

Sincerely,

Jefferson K. Dubel

Job Questions

City Manager 2019 |

Question	Answer	Disqualifier?
<p>What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *</p>	<p>In order to respond to the needs of the city population while maintaining the available resources at hand, an effective City Manager must first be able to listen to the community, fully understand the limits of the budget while preparing for unexpected circumstances, and most importantly know how and when to prioritize strategies that will ensure that the city will survive and continue. This requires the ability to help build consensus among differing opinions and views. As such, it requires excellent communication skills, compassion, and the ability to build strong partnerships. The most important elements would be strong communicative skills, experience managing large budgets, and proven team building experience. Compassion is especially important in a community, that is experiencing a fragile economic stratus and a percentage of its population that lives on the margins. A City Manager must have a strong vision of what infrastructure the community should be investing in for its future survival including preparing for potential emergencies. Finally, the City Manager should have experience being fiscally responsible while managing a large public budget.</p>	

Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. * (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? * (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

I have over thirty years leading and building large organizations with multi-million dollar budgets. I have built consensus among international partners, differing United States Government agencies and departments, among staff members with opposing methods to achieve our goals to accomplish national security objectives. Some examples include: - Implemented and oversaw the U.S. Government's 106 million dollar Technical Cooperation Fund contribution to the United Nations' International Atomic Energy Agency to ensure that the funds were used to advance our national objectives while building strong partnerships with our international partners. - Led a multinational Provincial Reconstruction Team in the most remote and dangerous provinces in Southern Afghanistan at the height of the resurgence of the Taliban, resulting in the return of security and Afghan Government legitimacy to the area within one year. - Built and led a highly respected and successful Hostage Recovery Fusion Cell from inception as its first Director resulting in the safe return of over 150 Americans held Hostage abroad.

First, I would learn as much about the proposed policy to better understand the rationale for a change. I would consult with other council members and those in the community that would be impacted by the new policy to learn their opinions and determine the positive and negative impact on the community. I would attempt to make a determination of both the impact the new policy be approved as well impact if the policy is not. If I was still of the belief that the policy would have a negative or neutral impact at a significant cost I would seek, first, to see if the policy could be modified to better accommodate the problem or needs that that prompted a policy change. If that was not possible I would consult with other council members to advocate against the new policy by building a rational case why the new policy would not be in the best interest of the community to gain their support against the policy. If the majority

still favored the policy, I would accept their decision and either do my best to implement and support the new policy or if I strongly believed the policy was detrimental the the community I would step down from my position.

**What is your leadership philosophy?
*** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

Throughout my career I have sought to lead by example. First, I strive to be a subject matter expert but realize that other team members may have greater expertise on specific issue and I would take advantage of their expertise. Second, believe that honesty and integrity are essential elements of leadership. This includes being honest to myself and admitting when I am wrong or have made mistake. As a leader, you must take responsibility for failures in order to be able to fully understand what went wrong so that it can be corrected. I have always tried to build teams by clearly expressing what our objectives are and empowering team members to achieve them. This requires strong and continued mentorship to give team members the tools to achieve these goals not by directing them how. This allows the team to be creative and have ownership in the project. Finally, I believe that leadership is hands on and requires you to know you team and its strengths and weaknesses.

In reviewing the job description, please highlight areas you bring particular experience. * (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

- Responsible to the President of the United States for the coordination of all U.S. Government efforts and policies to facilitate the safe recovery of American citizens held hostage overseas.

KEY ACCOMPLISHMENTS

- Deputy Director of the Hostage Recovery Fusion Cell (HRFC), an interagency U.S. Government (USG) organization, responsible to the President of the United States for the coordination of all USG efforts and policies to facilitate the safe recovery of American citizens held hostage overseas. Overcame individual agency equities to coordinate all intelligence, operational response, family engagement, and external communication to include media and legislative affairs. Implemented operational requirements of a whole of society strategy while building the structure and standard operating procedures of the fifty-member plus task force. Developed and implemented recovery strategies and risk assessments resulting in the recovery of over 200 Americans held hostage abroad. Provided strategic vision as both the first Deputy Director and

Acting Director since the HRFC's inception. Instrumental in its establishment from a policy concept to a sustainable internationally recognized operational body.

- Political Advisor and Senior Civilian Representative to the Special Operations Joint Task Force Afghanistan Commander ensured the integration and coordination of U.S./NATO Special Operations and U.S. Embassy policy and objectives. Provided written and verbal analysis of the complex political environment in Afghanistan leading up to their presidential election. Skillfully brokered an integrated counterinsurgency strategy among local Afghan tribal factions, the United Kingdom and U.S. Special Forces in a remote and volatile Southwest Afghanistan Province resulting in reduced violence while enabling a coalition military drawdown. Ensured regional conflict resolution through cross-cultural acumen and skilled negotiation tactics under austere and dangerous conditions.
- Led day-to-day operations of one of the largest overseas political sections in the Department of State, U.S. Embassy Kabul, to achieve a coherent analysis of the volatile political and social landscape. South Central Asia regional expert responsible for the Embassy's reconciliation and peace process, Bilateral Security Agreement negotiations, and integration of the satellite Consulates and Provincial Reconstruction Teams into the Political Section. Supervised and mentored fifteen political officers under extremely demanding and high-threat conditions to ensure a broad and honest political assessment inside and outside of the capital. Extensive successful advocacy and diplomacy with foreign partners, including elements of the insurgency, to gain support for the USG proposal for persistent international presence in Afghanistan.
- Senior USG Representative to a Dutch-led Provincial Reconstruction Team successfully advocated for integrated multilateral military operations involving U.S., Dutch, Australian, and Afghan forces during a period of intense insurgent activity to reclaim large portions of the Southern Afghan Province of Uruzgan. Collaborated with USAID and Australian Aid to provide alternative livelihoods to local villages involved in opium production. Worked closely with the Provincial Governor to reestablish local rule and governance in several districts through travel to isolated districts and establishment of local development programs in coordination with military operations.
- Political Military Officer and nuclear advisor to the U.S. Ambassador to the United Nations Mission to Vienna, successfully advocated for sanctions against Iran for their undisclosed nuclear program. Co-drafted and stewarded an International Atomic Energy Agency (IAEA) plan for Reliable Access to Nuclear Fuel to counter Iran's need for an indigenous nuclear fuel cycle. Managed the USG multi-million-dollar Nuclear Technical Cooperation Fund to ensure that recipients complied with IAEA's legal protocols.
- Oversaw security at two separate Consulates as Post Security Officer. Trained and deployed the first Surveillance Detection Teams at both posts, Standard Operating Procedures were adopted across similar Consulates.
- Air Force Major served in a variety of positions including Fifth Air Force Chief of Plans and Tactical Deception, Chief of Wing Standardization and Evaluation, Mission Commander, Flight Commander, and Instructor Pilot. Fighter Pilot with over 2500 hours in F-15, F-4, and F-5 aircraft qualified in variety of air to air and air to ground missions including special weapons delivery. Honors included Wing Top Gun two years in a row, Top Flying Award, Commanders Trophy and Top Graduate in Pilot Training.

Applicant Statement

I certify the information provided in my application and resume (if attached) is true and complete to the best of my knowledge.

I expressly authorize, without reservation, the employer, its representatives, employees or agents to contact and obtain information from all references (personal and professional), employers, public agencies, licensing authorities and educational institutions and to otherwise verify the accuracy of all information provided by me in this application, resume or job interview. I hereby waive any and all rights and claims I may have regarding the employer, its agents, employees or representatives, for seeking, gathering and using truthful and non-defamatory information, in a lawful manner, in the employment process and all other persons, corporations or organizations for furnishing such information about me.

I understand that the City of Homer does not unlawfully discriminate in employment and no question on this application is used for the purpose of limiting or eliminating any applicant from consideration for employment on any basis prohibited by applicable local, state or federal law.

This application for employment shall be considered active for a period of time not to exceed one year. If the applicant is not selected for this position they must submit a new application for consideration for other positions that may be advertised.

I also understand that if I am hired, I will be required to provide proof of identity and legal authorization to work in the United States and the federal immigration laws require me to complete an I-9 Form in this regard.

The City of Homer does not tolerate unlawful discrimination in its employment practices. No questions on this application is used for the purpose of limiting or excluding an applicant from consideration for employment on the basis of his or her sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status under applicable federal, state, or local law. The City of Homer likewise does not tolerate harassment based on sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status. Examples of prohibited harassment include, but are not limited to, unwelcome physical contact, offensive gestures, unwelcome comments, jokes, epithets, threats, insults, name-calling, negative stereotyping, possession or display of derogatory pictures or other graphic materials, and any other words or conduct that demean, stigmatize, intimidate, or single out a person because of his/her membership in a protected category. Harassment of our employees is strictly prohibited whether it is committed by a manager, coworker, subordinate, or non-employee (such as a vendor or customer). The city of Homer takes all complaints of harassment seriously and all complaints will be investigated promptly and thoroughly.

In the event of employment, I understand that false or misleading information given in my application, resume (if attached) or interview(s) may result in discharge. I understand, also, that I am required to abide by all rules and regulations of the City of Homer.

Job Questions

City Manager 2019 |

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	A focus on collaborative leadership; a strong preference for coordinating teams to research and deliver solutions over being inflexible in the decision-making process. Patience and earnestness in their approach to leadership. A We over Me attitude.	
Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	I've observed that City Managers are tasked with providing innovative solutions to navigating unfamiliar situations. I demonstrated this best when tasked with developing a transportation service without any prior experience. I moved the program from the pilot phase to a permanent service during which we tripled ridership and became a national model for micro-transit; winning multiple awards.	
A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	The role of the city manager is to provide and coordinate the technical knowledge and resources to implement council policy. If there is a disagreement, it should be along feasibility or ethical lines. These reasons should be expressed respectfully, rigorously and concisely. If there is still the desire to move forward, it is the job of the city manager to move forward with the policy despite disagreements. Ultimately it is about working together as a team.	
What is your leadership philosophy? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would	Leadership is the courage to inspire and move initiatives forward against the obstacles that present themselves. That being said, it must be first about empowering the experience of others and being

intentional about developing relationships. Leadership in small to mid-size communities means being highly engaged and visible.

I have extensive experience as a policy professional, with the demonstrated ability of quickly establishing knowledge about complex policy issues involving the interaction of state legislation and municipal authority. One of my strengths is being able to break down complex issues into easily understandable pieces of information.

Robbie Ray Panter

Current job: Special Project Director at Allsup's Conv. Stores, Duties are the following: working close to the CFO with projects(Money order Audits/Texas, New Mexico Banking Division and other projects), In charge of the Fuel Accounting system at Allsup's(preparing the fuel p&l's for the Company). I believe that with the background I have, I can do most anything I am ask of from my CFO. There for I feel that I could be a CFO anywhere I go.

Senior Controller- Accounting- Southwest Convenience Stores, LLC and Skinny's, LLC

I managed the accounting operation for 309 convenience stores and supervises 30 employees in 2 accounting offices and prepared the financial reports, cash flow statements and budgets for the retail division. Managed all property taxes for the 309 locations across Texas and New Mexico, and reviewed policies and procedures with Chief Compliance Officer on the Money Service Business.

Experience:

I had been in this role as Senior Controller since 2008.

I began my career in 1977 as a store clerk for Town & Country Food Stores, Inc. and was promoted to store manager, district manager, Assistant Controller, Controller and Senior Director of Accounting in my 31 years there. Town and Country sold their 168 stores allowing myself to come to Alon Brands. Then Alon Brands sold the 309 stores to Delek, so I had to move to Allsup's. Delek moved all accounting management to Tennessee

Accomplishments:

- Obtained a BA Accounting degree from Angelo State University
- The liaison between the retail and wholesale divisions
- Coordinated the implementation of a new accounting system (Pinnacle) for Retailix and PDI for the 309 stores

Strengths:

- My whole career has been in the convenience store industry and understand the operation from the ground up.
- My supervisory skills are excellent. I encourage the "team mentality" and allows my staff to excel to their full potential.
- I strive to work professionally with all the departments within a Company

Special Skills:

- Delegate as much as possible of accounting, such as audits, month closing and incorporating new software.
- Engage anyone in conversation and set the mood for a good meeting.
- Feel comfortable to adapt to various accounting systems simultaneously.

With my background and able to adjust to different positions, and willing to relocate, I believe I would be perfect for this position

President San Jose Giants San Jose, CA
October 2005 to June 2011

As President, was responsible for the comprehensive management of the franchise. Including, authoring the five-year business plan, and the corresponding integrated marketing and public affairs campaign. Conducting a comprehensive analysis of operational capabilities and the related capital investments required in support of our business objectives. Use of creative financing options to fund required improvements such as the use of 2.5 million dollars in government redevelopment capital granted to the team through a rigorous competitive process. The results included, setting attendance records during four consecutive seasons while becoming the top revenue producing team in our league. Those accomplishments propelled the franchise valuation from 52k per unit to 85k per unit, resulting in the sale of majority ownership to the SF Giants in 2010. The On-Field and business success was recognized through the following results, franchise won a record Four California League Championships in six seasons; was awarded the President's Trophy for Best Franchise in all of minor league baseball (162 teams) in 2010 and was awarded Baseball America's National award for the top operating franchise in Class A minor league baseball 2010.

Press Stories from My Career:

December, 2019

Warriors turned Surf City into Hoop City

By Maria Gaura

Published 3:50 pm PST, Friday, November 14, 2014

Santa Cruz bills itself as Surf City and has a reputation for being tough on developers. So there were plenty of scoffers when sports promoter Jim Weyermann showed up at City Hall in 2012 and proposed building a basketball arena, downtown, on borrowed land, before the end of the year.

Weyermann's employer, the NBA's Golden State Warriors, was in the process of moving its Development League team from North Dakota to California, and Weyermann was determined that Santa Cruz would be its new home.

The city officials in the room were less than enthusiastic.

"The reaction I got ranged from skepticism to outright disdain," says

Weyermann, president of the team now known as the Santa Cruz Warriors.

"There was an assumption that sports weren't a good fit, that things like this can't happen in Santa Cruz. But I knew this city would be a perfect fit for our team. I was willing to stake my career on it. Somehow, the impossible happened. The 2,500-seat Kaiser Permanente Arena, a towering, tent-style facility, was built in 78 days, opening in time for the Santa Cruz Warriors' first home game on Dec. 23, 2012.

Santa Cruz Warriors open just-built arena

SANTA CRUZ WARRIORS

By **Rusty Simmons**

Updated 11:42 pm PST, Saturday, December 22, 2012

When more than 2,500 swarm into Kaiser Permanente Arena on Sunday, **Jim Weyermann** will have every right to pump out his chest and mock each naysayer who said that erecting the structure would be impossible.

But the Santa Cruz Warriors' president will be focused on something much more important than his own pride when Golden State's **NBA Development League** team makes its home debut in an improbable structure that was built in an improbable time frame.

"It's going to be a very powerful moment," said Weyermann, who left the San Jose Giants to join **the Warriors**. "I'm a huge believer in minor-league sports as a quality-of-life-changer for a community. What we were able to do here will bring families together, and the price point is low enough that there aren't economic, race or class barriers. ...can't wait to see a community that's never had a professional team come together and celebrate that identity. You don't get many opportunities to witness these kinds of things in life."

Santa Cruz is the quintessential California beach town, about 75 miles south of San Francisco. Sitting between thickly wooded mountains and the beach, it has maintained a 1960s feel that makes it the only city in California where folks might "proudly wear Warriors superhero capes around town," Weyermann joked. But Weyermann has projected much more for the city since spending time there in 1998, when Santa Cruz hosted an exhibition game between the **American Basketball League's San Jose Lasers** and Seattle Reign. Tickets for the 1,110-seat Civic Auditorium were being scalped for four times face value.

Weyermann and general manager **Kirk Lacob** presented Golden State owners Joe Lacob and **Peter Guber** with a plan Jan. 28 to move the Warriors' D-League

team from Bismarck, N.D., to Santa Cruz. Everything sounded great, except for the biggest of buts: no arena.

They researched the air tent option used for basketball games at the **London Olympics** and thought the technology and fast timetable were a perfect fit. But the idea had never been tested in professional sports, and doubters multiplied because of political and building permit restrictions in California.

"We did what most people said couldn't be done," Weyermann said. "I take tremendous pride in that we weren't constricted by conventional wisdom and that we weren't constricted by the past." In February, the Warriors presented the plan to Santa Cruz and got the city's backing for two-thirds of the cost and help with building restrictions. Weyermann said they had to work on everything at once and adjust to real-time events, instead of using a sequential schedule. The facility has a 15-year warranty, but it was deemed to be temporary, so the team didn't have to deal with the **California Coastal Commission**. Also, with 80 percent support for the project among Santa Cruz residents, the team had political cover when it hit rough patches.

The Warriors were able to erect a \$5.6 million facility, including a 29,000-square-foot arena, having cleaned the vacant lot on which it sits between downtown and the Santa Cruz Beach Boardwalk less than three months ago.

There are 25-foot steel walls that hold a fabric roof, and covered walkways lead to the locker rooms and public restrooms.

"It's not a tent," Kirk Lacob said. "It's an arena. You get inside of it in and you think, 'How did they do this?' I think it will get really loud and build a lot of energy, because every seat feels like a courtside seat."

The Warriors sold out Sunday evening's opener in 41 minutes. They've sold close to 1,000 season tickets, making them second in the league in total season-ticket revenue to the **Texas Legends**, who play in an arena that has almost as many parking spots as the Warriors have seats.

The Santa Cruz squad runs about 90 percent of the same offensive sets as the big club, uses the same terminology and demands the same defensive principles. The synergy went a step further on the teams' recent seven-game road trips.

After a listless Golden State team lost by 14 points in Orlando on Dec. 14, Santa Cruz lost by the same margin a couple hours later in Idaho. After Golden State

responded with a 115-93 victory over Atlanta the next night, Santa Cruz finished its trip with the exact same winning score.

The entire Lacob family will be in Santa Cruz for the opener, Golden State President **Rick Welts** will be in town, and four Golden State players have asked for tickets. Kirk Lacob said he hopes **Kent Bazemore** and/or Jeremy Tyler will be in the lineup on assignment from the big club.

"Hopefully, all of the electrical (system) works, so we have a scoreboard and the pregame show goes off just right," Weyermann said. "But even if we just went in and threw the ball up ... this city would feel as if it had accomplished something really special."

Santa Cruz Warriors' Jim Weyermann and team shake up Surf City

By J.M. BROWN | Santa Cruz Sentinel

SANTA CRUZ — Surf City became Hoops Central in 2012 as a proposed relocation of the Golden State Warriors' Development League basketball team went from pipe dream to reality in just nine months.

In April, Jim Weyermann, who would become president of the newly minted Santa Cruz Warriors, announced plans to re-brand the North Dakota Wizards and construct a new arena on a vacant lot near downtown Santa Cruz. Just six days ago, the team played its home opener in the Kaiser Permanente Arena on Front Street to a sold-out crowd of 2,500.

Getting a 30,000-square-foot building up in about 80 days — even a temporary one with a canvas top — is a feat many would have thought impossible in a town known for slow-paced, contentious development projects. Convincing city officials to loan \$4 million to the project took the moxie of a determined salesman.

For the excitement the team stirred and for his doggedness to stick with an unlikely vision, the Sentinel staff has selected Weyermann and the Warriors as 2012 Newsmakers.

"He maintained an intensity required of this project and just kept at it and kept at it at a high level of energy that most people don't have the capacity for," said Councilman Don Lane, who served for most of 2012 as mayor.

A former Capitola resident now living in Santa Clara, Weyermann said he believed Santa Cruz was right for the team because there was an unmet need for professional sports "coupled with an incredibly strong basketball community that you wouldn't know if you hadn't lived here."

When City Hall first got wind of the plans in October 2011, Weyermann had been with the Golden State Warriors only for four months, having joined that June as vice president of new franchise development — a title he still holds. He believed in the idea enough to start moving the team to California in 2012 even when push-and-pull over financial aspects threatened the deal.

The Warriors have since taken in nearly \$1 million in total ticket sales, just \$100,000 shy of projections for the entire 24-game season. The team is second in the 16-member league for season ticket revenue and sold \$60,000 in merchandise in December alone, which is notable for a town with a long history of championing peace, not warriors.

"It's an indication that the identity is something that for the fans was easy for to accept," Weyermann said.

The 55-year-old veteran sports and entertainment executive is skilled at building a brand.

He was president of the San Jose Giants, a minor league baseball team connected to the San Francisco Giants, for six years before joining the Warriors — a period that saw the Giants win four championships and set attendance and revenue records.

A LOT AT STAKE

Money is important to the Santa Cruz deal, for the city and the Warriors.

The Golden State Warriors are investing a lot in growing its own brand and improving its chances for a championship. Planning a big move to San Francisco is part of that, as was the development of the Santa Cruz team as a training ground for the big league, Weyermann said.

"There was a lot of pressure to validate the boldness of what the Warriors organization is selling," Weyermann said of the Santa Cruz deal.

Driving over Highway 17 frequently to attend to the Santa Cruz project, he turned to the same playlist of 63 tunes to relax. Appropriately for the former rock show producer, the list included The Rolling Stones' "Beast of Burden," Lynyrd Skynyrd's "Freebird" and Poison's "Every Rose Has Its Thorns."

The pressure was felt by the city, too.

As Lane pointed out during his closing remarks as mayor, City Manager Martín Bernal and his staff were also critical to sealing the deal. The project was Job No. 1 at City Hall for months.

Not only did the city and Warriors overcome disagreements about how to finance the plan, they handled late-hour neighborhood concerns about traffic and parking, hung on during a protracted lease process with Santa Cruz Seaside Co. and processed permits at unheard-of speed.

In many ways, the project is a statement about the changing dynamics of Santa Cruz politics.

Eager for economic development, the council demonstrated with a unanimous vote that city leaders are interested in trying new things — new efforts to bring vitality to a town that, perhaps to a lesser extent each year, is still heavily dependent on tourism.

TIME WILL TELL

When approved by the City Council in September, the project was expected to cost \$5.4 million, but cost overruns and delays are expected to push the cost past \$6 million — a cost largely born by the Warriors until agreements were finalized a month ago and city loan funds were made available.

As part of a seven-year deal, the city agreed to loan the Warriors \$4.1 million in public trust funds — money that is restricted to economic investment — to be repaid through regular payments from the team, concessions revenue and other sources.

If the Warriors prove to be a success here, the city and team could negotiate for a more permanent site.

"We don't know what this is going to look like two years from now," Weyermann said. "But if the San Jose Giants and their 60-plus years are any indication of what you can build, it's my personal feeling that (the Warriors) could have that longevity here."

San Jose wins Johnson Trophy; Chattanooga Wins MacPhail Trophy

by Kevin Reichard on November 11, 2009 in Minor-League Baseball, News

The San Jose Giants and the Chattanooga Lookouts are the winners of two of Minor League Baseball's major awards: the John H. Johnson President's Trophy and Larry MacPhail Trophy, respectively. The San Jose Giants and the Chattanooga Lookouts are the winners of two of Minor League Baseball's major awards: the John H. Johnson President's Trophy and Larry MacPhail Trophy, respectively.

John H. Johnson President's Trophy — San Jose Giants

The President's Trophy, Minor League Baseball's top award, is presented annually to honor the complete baseball franchise—based on franchise stability; contributions to league stability; contributions to baseball in the community; and promotion of the baseball industry. The San Jose Giants completed their 31st consecutive season in the California League in 2009. Despite playing in one of the older Minor League ballparks, and the presence of two Major League clubs in adjacent markets, San Jose attracted over 220,000 fans, including playoffs. It marked the fourth straight year the Giants have set a regular season attendance record, and the first time the club has topped the 200,000 mark. San Jose, who claimed their third league title in the last five years this season, also experienced record revenues and net profits in 2009.

"This has been a magical season and our fans deserve so much of the credit," said San Jose President and CEO Jim Weyermann. "To be honored by our peers with this prestigious award is the greatest single achievement in our franchise history. It places the San Jose Giants in elite company alongside previous winners and we thank Pat O'Conner for his recognition of the outstanding baseball community that resides in Santa Clara County."

San Jose, which has been affiliated with the San Francisco Giants since 1988, continued its long history of supporting community endeavors, as the club raised over \$400,000 for youth sports organizations, schools and other non-profit organizations in their area. The club also stepped in when the city of San Jose's official July 4th celebration was cancelled, raising the necessary funds and coordinating the event in less than a week so it could be held as originally scheduled.

Weyermann and his staff also made Municipal Stadium available at no cost for other community initiatives, such as free movie nights and anti-gang programs, throughout the year.

Job Questions

City Manager 2019 |

Question

What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

Answer

There are a host of duties covered under the position as City Manager, such as emergency management of resources, hiring city employees, budget preparation, but the most important part of this position is keeping those who are most important in mind. The scope of the duties are enshrined in the people and the people are whom this position serves.

The professional accomplishments I think best serves as a road map for this position are the countless situations where I strive to go above and beyond in helping others. Managing is something I excel in and always strive to build others up and to help them realize their potential. As a Christian, I've learned that if you want to lead, then you must first serve and the more you lead, the more you serve. This is a corner stone of how I lead. Professionally and personally I continually seek improvements and have a vast knowledge base for how to accomplish projects and tasks from beginning to end while utilizing and improvising all necessary resources.

That's dependent on what the disagreement is due to. If it's simply a policy that I disagree with due to my personal position in how to move forward with a specific task for instance, I would voice my concern and offer a difference of opinion, but ultimately understand that my way of accomplishing a task isn't as important as performing my position faithfully. I have a Thomas Edison mindset and continually offer ideas for improvement in any area I'm involved, some of those ideas are implemented, while others aren't. It's a necessary part of the working process to understand that not every idea that is proposed will be implemented. Below you will find a quote that very much describes my drive. "I have not failed. I've just found 10,000 ways that won't work."
Thomas A. Edison

Disqualifier?

What is your leadership philosophy?

***** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

It's important to me that I have the opportunity to lead by example, never asking someone to complete a task that I myself would not be willing to complete. Also, ensuring that those who I manage continually have a clear path for professional improvement, as they desire. Additionally, I have very strong core values which guide my decision making process. As stated in a previous question that to lead, one must serve, so it is unthinkable that as a leader that I would ever have a subordinate feel like they are tasked with accomplishing more than those whom they are being managed by. Again leading by example is very important.

In reviewing the job description, please highlight areas you bring particular experience. * (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) ***

My experience in maintaining a constant compliance with federal regulations in the banking industry will help translate over to understanding how to navigate municipal laws. Additionally, my ability to work with a wide variety of personalities from various walks of life from all areas of the industry from Legal, Compliance, and speaking with auditors in order to accomplish tasks will assist me with the necessary work of discussing necessary matters with the City attorney. For several years I've worked with, developed and provided a report to the Security and Information Security Committee, and this will help translate into discussing necessary information during various meetings. I also continually develop and improve on various reports which are utilized at all levels of the industry.

Applicant Statement

I certify the information provided in my application and resume (if attached) is true and complete to the best of my knowledge.

I expressly authorize, without reservation, the employer, its representatives, employees or agents to contact and obtain information from all references (personal and professional), employers, public agencies, licensing authorities and educational institutions and to otherwise verify the accuracy of all information provided by me in this application, resume or job interview. I hereby waive any and all rights and claims I may have regarding the employer, its agents, employees or representatives, for seeking, gathering and using truthful and non-defamatory information, in a lawful manner, in the employment process and all other persons, corporations or organizations for furnishing such information about me.

I understand that the City of Homer does not unlawfully discriminate in employment and no question on this application is used for the purpose of limiting or eliminating any applicant from consideration for employment on any basis prohibited by applicable local, state or federal law.

This application for employment shall be considered active for a period of time not to exceed one year. If the applicant is not selected for this position they must submit a new application for consideration for other positions that may be advertised.

I also understand that if I am hired, I will be required to provide proof of identity and legal authorization to work in the United States and the federal immigration laws require me to complete an I-9 Form in this regard.

The City of Homer does not tolerate unlawful discrimination in its employment practices. No questions on this application is used for the purpose of limiting or excluding an applicant from consideration for employment on the basis of his or her sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status under applicable federal, state, or local law. The City of Homer likewise does not tolerate harassment based on sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status. Examples of prohibited harassment include, but are not limited to, unwelcome physical contact, offensive gestures, unwelcome comments, jokes, epithets, threats, insults, name-calling, negative stereotyping, possession or display of derogatory pictures or other graphic materials, and any other words or conduct that demean, stigmatize, intimidate, or single out a person because of his/her membership in a protected category. Harassment of our employees is strictly prohibited whether it is committed by a manager, coworker, subordinate, or non-employee (such as a vendor or customer). The city of Homer takes all complaints of harassment seriously and all complaints will be investigated promptly and thoroughly.

In the event of employment, I understand that false or misleading information given in my application, resume (if attached) or interview(s) may result in discharge. I understand, also, that I am required to abide by all rules and regulations of the City of Homer.

DO NOT SIGN UNTIL YOU HAVE READ THE ABOVE APPLICANT STATEMENT. I certify that I have read, fully understand and accept all terms of the foregoing Applicant Statement. Please type your name below to confirm that you have read and accept this Applicant Statement.

Job Questions

City Manager 2019 |

Question

What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

Answer

The most important elements of the City Manger position are: managing expectations of all stakeholders, clear communication, strengthening relationships between stakeholders, troubleshooting, managing conflict, and aligning all systems, people, and processes to the strategic direction of city.

Disqualifier?

Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

I have traveled the world learning from civic and social leaders about how to organize and even transform cities/communities, and as a result of my research, I earned a doctorate in transformational leadership with an emphasis in cultural, organizational, and city transformation.

A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

So long as the policy is legal, ethical, and within the city's authority then my job is to carry out the policy regardless of my preferences or feelings.

What is your leadership philosophy? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

Leaders are learners. Leaders do well to model for others the beliefs and behaviors that are desired. The end result of leadership is not influence but impact.

In reviewing the job description, please highlight areas you bring particular experience. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate

The areas I would most excel in are: 1) community relations and 2) HR generalist related functions. My experience and expertise in gaining trust quickly and easily, building consensus, and coaching individuals and teams to success would add much value.

attachment as you would your resume or cover letter) *

In the areas that I am not as experienced I would work through other city employees to get their best so that it is a team effort.

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	There are many things that are important elements of the city manager position, number one would be integrity. Number two would be leading by example. Number three would be managing the city; the city manager is like an Orchestra conductor, who leads every part of the symphony.	
Describe a professional accomplishment that you feel best	I have been leading and managing for 25 plus years, the last 12 years I have been a facility

manager. In those years I have made Calvin Seminary a better place maintaining this building at high standard. Before that construction for 35 years as a site superintendent and then Project manager. I have many abilities and gifts that are kind a like a box of puzzle pieces that would fit quite well doing the tasks of a city manager at Homer.

I would listen to the council as they gave reasons for the new policy, and try to figure out if that was to the best interest of the city as a city manager. I would gather as much data as possible that Would help make the case for or against whatever the policy is. If the council did not change the policy after that I would carry out the policies of the council.

I take the team approach to leadership, I want those on my team to succeed. I give them what they need to do their jobs, I'm available to give them feedback, to listen to their issues, to help them in anyway I can. I lead by example and with integrity, expecting those on my leadership team to do the same.

I have managed for 25+ years, served on a sewer board, served on a school board, put together information plans for city and villages to address public forums Thor Proposed projects. Put together policies to present to boards, put together emergency plans, Put together budgets, held planning meetings, hired personnel, dismiss personnel.

Dear Andrea,

Thank you for the opportunity to apply for the position of City Manager in Homer. I have no doubt in my mind that I could carry out the duties of City Manager for Homer. My resume shows 35 years of knowledge in the construction industry; this knowledge applies to many aspects of city infrastructure; 25 of those years have been in management which would apply to my carrying out the oversight of City Manager.

I am looking for something that will put me in an environment where I can help people succeed, where I can use my broad range of knowledge, gifts, talents and leadership skills, where I can solve problems and learn how to do each of those things better. All my varied work experience over the years has brought me to this point in time.

I am looking forward to having conversation with you regarding the position of City Manager in Homer, Alaska.

Sincerely,

Jim Lakin

City Manager 2019 |

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	Someone who is fiscally responsible, dedicated to the growth of the community, management expert and someone who displays highest level of ethics and execution in a daily basis.	
Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	I have managed up to 50 direct reports at the age of 24 as a foreman. I was able to gain the respect and trust of individuals twice my age.	
A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	My first goal is to become an expert in all relevant local issues and the detailed context of those issues. If I can achieve this, then I will be able to respond in a professional, respectful manner while providing educated, clear and concise details as to why I disagree. This would allow me to make the best decision possible, while providing those involved with the knowledge that I respect them enough to be informed about what's important to them.	
What is your leadership philosophy? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	"Teach them, don't tell them" I believe if I hire the right talented individuals and I attempt to tell them how to execute a process, then they will only be able to troubleshoot that process in a limited capacity when challenges appear in a process. However, if I teach them how to perform a process and the variables in that process which are likely to present themselves, the individual will be able to self-diagnose any challenges going forward and in turn will be empowered to grow.	
In reviewing the job description, please highlight areas you bring particular experience. *** (Please limit each question response to 250 words or less. You can submit	Sales, Talent Management, Multi-million dollar management, emotional intelligence, Hiring/Terminating Practices, Talent development, Data driven ethical decision making, Personal responsibility.

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that proper record-keeping is essential for transparency and accountability, particularly in financial matters. The text suggests that organizations should implement robust systems to track every detail, from procurement to sales, to ensure that all data is reliable and accessible.

2. The second section focuses on the role of technology in modern business operations. It highlights how digital tools and software can streamline processes, reduce errors, and improve overall efficiency. The author argues that embracing technology is not just a competitive advantage but a necessity for staying relevant in today's fast-paced market. Examples of various digital solutions are provided to illustrate their practical application.

3. The third part of the document addresses the challenges of managing human resources. It discusses the importance of hiring the right talent, providing ongoing training, and fostering a positive work environment. The text notes that effective leadership is crucial in motivating employees and maximizing their potential. Strategies for conflict resolution and team building are also mentioned to help managers navigate common workplace issues.

4. The final section covers the importance of financial management and budgeting. It stresses that a clear understanding of an organization's financial health is vital for making informed decisions. The author advises on how to create realistic budgets, monitor expenses, and ensure that the organization remains financially sound. The text concludes by reiterating that a combination of these practices is key to long-term success and growth.

Applicant Statement

I certify the information provided in my application and resume (if attached) is true and complete to the best of my knowledge.

I expressly authorize, without reservation, the employer, its representatives, employees or agents to contact and obtain information from all references (personal and professional), employers, public agencies, licensing authorities and educational institutions and to otherwise verify the accuracy of all information provided by me in this application, resume or job interview. I hereby waive any and all rights and claims I may have regarding the employer, its agents, employees or representatives, for seeking, gathering and using truthful and non-defamatory information, in a lawful manner, in the employment process and all other persons, corporations or organizations for furnishing such information about me.

I understand that the City of Homer does not unlawfully discriminate in employment and no question on this application is used for the purpose of limiting or eliminating any applicant from consideration for employment on any basis prohibited by applicable local, state or federal law.

This application for employment shall be considered active for a period of time not to exceed one year. If the applicant is not selected for this position they must submit a new application for consideration for other positions that may be advertised.

I also understand that if I am hired, I will be required to provide proof of identity and legal authorization to work in the United States and the federal immigration laws require me to complete an I-9 Form in this regard.

The City of Homer does not tolerate unlawful discrimination in its employment practices. No questions on this application is used for the purpose of limiting or excluding an applicant from consideration for employment on the basis of his or her sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status under applicable federal, state, or local law. The City of Homer likewise does not tolerate harassment based on sex, race, color, religion, national origin, citizenship, age, disability, or any other protected status. Examples of prohibited harassment include, but are not limited to, unwelcome physical contact, offensive gestures, unwelcome comments, jokes, epithets, threats, insults, name-calling, negative stereotyping, possession or display of derogatory pictures or other graphic materials, and any other words or conduct that demean, stigmatize, intimidate, or single out a person because of his/her membership in a protected category. Harassment of our employees is strictly prohibited whether it is committed by a manager, coworker, subordinate, or non-employee (such as a vendor or customer). The city of Homer takes all complaints of harassment seriously and all complaints will be investigated promptly and thoroughly.

In the event of employment, I understand that false or misleading information given in my application, resume (if attached) or interview(s) may result in discharge. I understand, also, that I am required to abide by all rules and regulations of the City of Homer.

DO NOT SIGN UNTIL YOU HAVE READ THE ABOVE APPLICANT STATEMENT. I certify that I have read, fully understand and accept all terms of the foregoing Applicant Statement. Please type your name below to confirm that you have read and accept this Applicant Statement.

Job Questions

City Manager 2019 |

Question	Answer	Disqualifier?
What do you think are the most important elements of the City Manager position? *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *	Firstly, the City Manager must be a leader in all venues, whether discussing public works issues or recreational facilities or personnel. The most important element of the City Manager position is communication with staff, the Council, community, specific stakeholders and the interaction between all of them. It is also imperative for the City Manager look at the predicaments placed on elected members through any actions he/she may take. That's where communication is key. Can a City Manager institute change where change is required/needed without running afoul of the community at large which he/she serves. He/she must possess the highest in integrity and character and it must be repeatedly proven in order to be effective.	
Describe a professional accomplishment that you feel best demonstrates your ability to be the City Manager of Homer. *** (Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your	My greatest professional accomplishment is creating an organizational structure to serve the constituents as a superior water purveyor as I assumed the role of Executive Director of the Western Area Water Supply Authority in Williston, North Dakota. This system was only 6 years old and gone through a \$310MM expansion therefore they were operating as a

construction manager. I coupled both, making the organizational changes necessary to be a public service provider and sponsor of another \$40MM in improvements. I was able to secure another \$55MM in funding for the future.

A new policy, is introduced at a council meeting. You do not agree with it. How do you proceed? ***
(Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

I would put a case together to share with the council regarding the merits of the policy and where I fall as to adoption. If it is approved by council over my recommendation, I would be compelled to implement the policy, whether I disagreed or not. This certainly assumes that the policy has been vetted with City legal council. It is the Councils responsibility to adopt policy, deliver to the City Manager and he/she develops the rules and implements the policy.

What is your leadership philosophy? ***
(Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

My philosophy is leadership by example. I am a working member of the team to serve the Council and community. I believe in division of responsibility and will delegate appropriately. I believe that any action taken by my subordinates are actions of my own and I will take ownership of them. I believe in creation of a team making team-like decisions far superior to my individual capability but will step in and take control, if needed. I also depend on my character and integrity to make good solid decisions which subordinates will cling.

In reviewing the job description, please highlight areas you bring particular experience. ***
(Please limit each question response to 250 words or less. You can submit question responses as a separate attachment as you would your resume or cover letter) *

I have a huge background in engineering and public works; approaching 38 years since my graduation from college. I have successfully developed and handled operational budgets of \$40MM. I have been charged with approvals of \$25MM annual Capital Improvement Program payouts. I have worked with rate consultants, engineering consultants, general counsel, demographers and a host of other parties doing business with the public entities. I have also shown that I can move from one area to another in the country and adopt my new found culture as my own.

Re: Candidate for City Manager

City of Homer:

I respectfully request that I be considered a candidate for being named City Manager of Homer, AK.

I most recently served as the Executive Director of the Western Area Water Supply Authority with its administrative offices in Williston, North Dakota. Originating in Texas, I earned my Bachelor of Science in Civil Engineering from Texas A&M University at College Station in 1982.

I have amassed a unique mix of experience that allows me to be an effective City Manager for Homer. This is a difficult level for many to attain in a day where there is so much specialization due to fiscal constraints.

I look forward to discussing this further at your earliest convenience.

Regards,

Curtis D. Wilson, PE, RPLS
