Please briefly explain why you wish to be reappointed to the Advisory Body to which you currently serve. This may include information on accomplishments or projects completed, future goals for the body, or any additional information that may assist the Mayor in the decision making process. (You may attach an additional page if needed)

I have been involved in many of the recent projects and accomplishments of the EDC (BR+E Survey, Wayfinding + streetscape ordinances, improving the city's response to economic development) some of them are still in the process of being worked on to completion. I would like the opportunity to see these items through.

As a business + land owner in Homer and a resident for most of 30 years and have participated in nonprofits and other bodies of the city government (Public Art Commission, HERC Task Force) I feel I bring depth and history to the EDC. I also would like to see the EDC set specific goals to work on in the future including workforce development and increase winter business.

Thank you for this consideration + opportunity
