This may include information on accomplishments or projects completed, future goals for the body, or any additional information that may assist the Mayor in the decision making process. (You may attach an additional page if needed)

I would like to continue serving on the Parks and Recreation advisory board. I am dedicated to the creation and maintenance of open spaces and outdoor recreation opportunities and the positive impacts the access to these things has on community and mental health. As a 15+ yr resident of Hanover I feel like I can bring community connection and input into the decision making process
