**DATE OF MEETING: April 23, 2024**

---

**To:** Village President and Board of Trustees

**Through:** Napoleon Haney, Village Manager

**From:** John D. Schaefer, Director of Public Works

**Topic:** Bid Award – Concrete Flatwork

## **PURPOSE**

Award a bid for concrete flatwork for the 2024-2025 season.

## **PROCESS**

Concrete flatwork is a phrase used to describe concrete sidewalk replacement, curb replacement, road patching, and restoration. Since 2016, Homewood has participated in a cooperative bid for concrete flatwork with multiple other municipalities. The municipalities involved in the 2024-2025 bid are Alsip, Homewood, and South Holland. As a result of this cooperative bid, the Village receives lower unit prices for the concrete flatwork. When a regional bid is presented, the savings are usually greater than any one individual municipality can obtain.

The bid was advertised on March 1, 2024 and bids were publicly opened and read on April 3, 2024 with the following base bids:
