

VILLAGE OF HOMEWOOD

BOARD AGENDA MEMORANDUM

DATE OF MEETING: November 26, 2024

To: Village President and Board of Trustees

Through: Napoleon Haney, Village Manager

From: Joshua Burman, Director of Public Works

Topic: Purchase Approval for a Ford Police Interceptor

PURPOSE

Staff is requesting the Board approve the purchase of one (1) Ford Utility Police Interceptor through the Suburban Purchasing Cooperative from Currie Motors Fleet of Frankfort, IL. This purchase would be made utilizing American Rescue Plan Act (ARPA) funds in the total amount of \$69,914, including equipment and upfitting.

PROCESS

Periodically, the Village of Homewood must consider purchasing additional vehicles for the fleet when there are expanded operational needs. The Police Department has worked diligently to market, recruit and hire staff to fill a number of vacant positions. The additional police fleet vehicle will enhance the department's ability to provide public safety services to residents and stakeholders. The purchase of an additional patrol car will satisfy and address the department's needs.

Staff researched various vehicle purchase options and found that a vehicle was available through the Suburban Purchasing Cooperative from Currie Motors Fleet of Frankfort, IL. This would be an additional Utility Police Interceptor, not a replacement, and the vehicle must be outfitted for new lighting equipment and accessories after it is purchased.

The total cost for the fully outfitted Police Interceptor is \$69,914. American Rescue Plan Act (ARPA) funds would be allocated for this purchase.
