

Village of Homewood / Noah Schumerth

All Nations Community Church / Sign Project

New Sign Standards & Requirements for the Electronic Changeable Messages. Our Ascend product will meet the Village of Homewood requirements in full.

- Church will communicate messaging for church information / events only
- Images / messages will remain static for 12 seconds & change with No motion or Blinking
- Church will not display video or scrolling message
- Brightness will be measured at 0.00 foot candles regarding the residential properties
- Should the sign malfunction it can be immediately shut down through the software
- DOT requirements for the sign will be in compliance
- The Church will adhere to the times the Village of Homewood sets for sign illumination.
- Sign will be under the 8' height requirement

Thank you for your consideration.
