NEW IDEAS-NEW TECHNOLOGY, INC.

Village of Homewood / Noah Schumerth

All Nations Community Church / Sign Project

New Sign Standards & Requirements for the Electronic Changeable Messages. Our Ascend product will meet the Village of Homewood requirements in full.

- -Church will communicate messaging for church information / events only
- -Images / messages will remain static for 12 seconds & change with No motion or Blinking
- -Church will not display video or scrolling message
- -Brightness will be measured at 0.00 foot candles regarding the residential properties
- -Should the sign malfunction it can be immediately shut down through the software
- -DOT requirements for the sign will be in compliance
- -The Church will adhere to the times the Village of Homewood sets for sign illumination.
- -Sign will be under the 8' height requirement

Thank you for your consideration.
